**Sir Adolphus William Ward, Alfred  
Rayney Waller**

## **Mystery In The Drood Family:**

**The Mystery in the Drood Family** Montagu Saunders,2015-11-19 Originally published in 1914 this book provides a detailed discussion regarding the ending of Charles Dickens unfinished novel The Mystery of Edwin Drood The text was written shortly after the mock trial of John Jasper for the murder of Edwin Drood which was organised by the Dickens Fellowship during January 1914 with G K Chesterton as judge and George Bernard Shaw as foreman of the jury This book will be of value to anyone with an interest in The Mystery of Edwin Drood and the works of Dickens

**The Mystery in the Drood Family (Classic Reprint)** Montagu Saunders,2015-08-06 Excerpt from The Mystery in the Drood Family It needs a considerable amount of assurance to add yet another book to the comparatively long list of those which have been written upon the subject of Dickens s unfinished story and it is no sufficient justification to assert that the writer is sincerely convinced that his contribution to the discussion will afford some assistance in the solution of the problem seeing that practically everyone who has ventilated his ideas upon the subject has expressed a similar conviction Proctor for instance who was the first to examine Edwin Drood in a quasi scientific way was absolutely satisfied that in identifying Datchery with Edwin he had discovered the mystery which Dickens had taken such pains to hide and so strongly did he feel that his solution was correct that he exhibited considerable impatience with those who failed to swallow it whole About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

*The Dickensian* Bertram Waldrom Matz,1905 [The Cambridge History of English Literature: The nineteenth century. II](#) Sir Adolphus William Ward,Alfred Rayney Waller,1916 *A Companion to Charles Dickens* David Paroissien,2008-04-15 A Companion to Charles Dickens concentrates on the historical ideological and social forces that defined Dickens s world Puts Dickens s work into its literary historical and social contexts Traces the development of Dickens s career as a journalist and novelist Includes original essays by leading Dickensian scholars on each of Dickens s fifteen novels Explores a broad range of topics including criticisms of his novels the use of history and law in his fiction language and the effect of political and social reform Examines Dickens s legacy and surveys the mass of secondary materials that has been generated in response and reverence to his writing

**Charles Dickens Resurrectionist** Andrew Sanders,1982-09-30 *Official Index to the Times* ,1914 Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement [Dickens and Crime](#) Philip Collins,2016-01-19 One of the best social commentators on Dickens models of historical scholarship Gertrude Himmelfarb

Distinguished Professor of History City University of New York This classic of Dickens criticism now in its third edition provides a fascinating insight into Dickens's thinking and writing on crime Extraordinary in character as well as literary skill he displayed a shrewd insight into the criminal character whilst demanding tough penalties for those who broke the law At one stage attracted to a career as a metropolitan magistrate Dickens turned instead to fiction and discovered there an outlet for his enduring fascination with the darker side of human nature Thieves cheats and murderers people the pages of his novels few of which are without some serious crime But the treatment of crime for Dickens was far more than an authorial device it was a focal point for his deep concern with social problems and played a vital role in his attempt to understand these ills Dickens and Crime continues to be one of the most significant and illuminating studies into Dickens's creative imagination and its reappearance in print will be warmly welcomed by scholars and general readers alike Dickens' Novels as Poetry Jeremy Tambling, 2014-11-13 Focusing on the language style and poetry of Dickens novels this study breaks new ground in reading Dickens novels as a unique form of poetry Dickens writing disallows the statement of single unambiguous truths and shows unconscious processes burrowing within language disrupting received ideas and modes of living Arguing that Dickens within nineteenth century modernity sees language as always double Tambling draws on a wide range of Victorian texts and current critical theory to explore Dickens interest in literature and popular song and what happens in jokes in caricature in word play and punning and in naming Working from Dickens earliest writings to the latest deftly combining theory with close analysis of texts the book examines Dickens key novels such as Pickwick Papers Martin Chuzzlewit Dombey and Son Bleak House Little Dorrit Great Expectations and Our Mutual Friend It considers Dickens as constructing an urban poetry alert to language coming from sources beyond the individual and relating that to the dream life of characters who both can and cannot awake to fuller different consciousness Drawing on Walter Benjamin Lacan and Derrida Tambling shows how Dickens writes a new and comic poetry of the city and that the language constitutes an unconscious and secret autobiography This volume takes Dickens scholarship in exciting new directions and will be of interest to all readers of nineteenth century literary and cultural studies and more widely to all readers of literature

**Dickens, Family, Authorship** Lynn Cain, 2017-05-15 Drawing on a wide range of Dickens's writings including all of his novels and a selection of his letters journalism and shorter fiction Dickens Family Authorship provides a provocative account of the evolution of an author from whose psychological honesty and imaginative generosity emerged precocious fictional portents of Freudian and post Freudian theory The decade 1843 1853 was pivotal in Dickens's career A phase of feverish activity on both personal and professional fronts it included the irrevocable souring of his relations with his parents the peripatetic residence in continental Europe and a massive proliferation of writing and editing activities including the aborted autobiography It was a period of astounding creativity which consolidated Dickens's authorial and financial stature It was also one tainted by loss the deaths of his father sister and daughter and the alarming desertion of his early facility for

composition Lynn Cain's substantial study of the four novels produced during this turbulent decade Martin Chuzzlewit Dombey and Son David Copperfield and Bleak House traces the evolution of Dickens's creative imagination to discover in the modulating fictional representation of family relationships a paradigm for his authorial development Closely argued readings demonstrate a reorientation from a patriarchal to a maternal dynamic which signals a radical shift in Dickens's creative technique Interweaving critical analysis of the four novels with biography and the linguistic and psychoanalytic writings of modern theorists especially Kristeva and Lacan Lynn Cain explores the connection between Dickens's susceptibility to depression during this period and his increasingly self-conscious exploitation of his own mental states in his fiction

Charles Dickens in Love Robert Garnett, 2021-08-31 Using hundreds of primary sources Charles Dickens in Love narrates the story of the most intense romances of Charles Dickens' life and shows how his novels both testify to his own strongest affections and serve as memorials to the young women he loved all too well if not always wisely When Charles Dickens died in 1870 he was the best known man in the English speaking world the preeminent Victorian celebrity universally mourned as both a noble spirit and the greatest of novelists Yet the first person named in his will was an unknown woman named Ellen Ternan only a handful of people had any idea who she was Of his romance with Ellen Dickens had written it belongs to my life and probably will only die out of the same with the proprietor and so it was She remained the most important person in his life until his death She was not the first woman who had fired his imagination As a young man he had fallen deeply in love with a woman who pervaded every chink and crevice of his mind for three years Maria Beadnell When she eventually jilted him he vowed that I never can love any human creature but yourself A few years later he was stunned by the sudden death of his young sister in law Mary Scott Hogarth and worshiped her memory for the rest of his life I solemnly believe that so perfect a creature never breathed he declared and he died over thirty years later still wearing her ring Charles Dickens has no rival as the most fertile creative imagination since William Shakespeare and no one influenced his imagination more powerfully than these three women his muses and teachers in the school of love *The Bellman*, 1918 **The Living Age**, 1917 *My Remarkable Uncle* Stephen Leacock, 2010-08-03 This celebrated collection of sketches sparkles with Stephen Leacock's humour and shines with the warmth of his wit The comical E P star of the title essay My Remarkable Uncle is a classic Leacock character He is president of a railway with a letterhead but no rails and he heads a bank that boasts credit but no cash whatsoever all of which trouble E P not in the least My Remarkable Uncle a wonderful smorgasbord of mirth served up by a master of comedy includes several essays a short story a political parable and personal reflections on a dizzying array of subjects Here in rich abundance are the inspired nonsense and the unerring eye for human folly that have made Stephen Leacock Canada's most celebrated humorist **Quarterly Guide for Readers** Finsbury (England). Public Library, 1914 **Dreams of Authority** Ronald R. Thomas, 1990 *The Publishers Weekly*, 1915 **The Cambridge History of English Literature** Sir Adolphus William Ward, Alfred Rayney Waller, 1917 Notes and Queries, 1920

"Aberdeen Journal" Notes and Queries ,1910
