Mystery Of Israel An Exposition Of Romans 9 11:

The Mystery of Israel Henry Leopold Ellison, 1966 *Paul and the Resurrection of Israel* Jason A. Staples, 2023-11-23

The gospel promoted by Paul has for many generations stirred passionate debate That gospel proclaimed equal salvific access to Jews and gentiles alike But on what basis In making sense of such a remarkable step forward in religious history Jason Staples reexamines texts that have proven thoroughly resistant to easy comprehension He traces Paul s inclusive theology to a hidden strand of thinking in the earlier story of Israel Postexilic southern Judah he argues did not simply appropriate the identity of the fallen northern kingdom of Israel Instead Judah maintained a notion of Israel as referring both to the north and the ongoing reality of a broad pan Israelite sensibility to which the descendants of both ancient kingdoms belonged Paul s concomitant belief was that northern Israel s exile meant assimilation among the nations effectively a people s death and that its restoration paradoxically required gentile inclusion to resurrect a greater Israel from the dead Acts: An Exegetical Commentary : Volume 4 Craig S. Jews at the end of days in the Christian imagination It explores the depth of Christian ambivalence regarding these Jews from Paul's Epistle to the Romans through late antiquity and the Middle Ages to the Puritans of the seventeenth century Jeremy Cohen contends that few aspects of a religion shed as much light on the character and the self understanding of its adherents as its expectations for the end of time Moreover eschatological beliefs express and mold an outlook toward nonbelievers situating them in an overall scheme of human history and conditioning interaction with them as that history unfolds Cohen's close readings of biblical commentary theological texts and Christian iconography reveal the dual role of the Jews of the last days For rejecting belief and salvation in Jesus Christ they have been linked to the false messiah the Antichrist the agent of Satan and the exemplary embodiment of evil Yet from its inception Christianity has also hinged its hopes for the second coming on the enlightenment and repentance of the Jews for then as Paul prophesized all Israel will be saved In its vast historical scope from the ancient Mediterranean world of early Christianity to seventeenth century England and New England *The Salvation of Israel* offers a nuanced and insightful assessment of Christian attitudes toward Jews rife with inconsistency and complexity thus contributing significantly to our understanding of Jewish Christian relations **Visions**

and Faces of the Tragic Paul M. Blowers, 2020-06-11 Despite the pervasive early Christian repudiation of pagan theatrical art especially prior to Constantine this monograph demonstrates the increasing attention of late ancient Christian authors to the genre of tragedy as a basis to explore the complexities of human finitude suffering and mortality in relation to the wisdom justice and providence of God The book argues that various Christian writers particularly in the post Constantinian era were keenly devoted to the mimesis or imaginative representation of the tragic dimension of creaturely existence more than with simply mimicking the poetics of the classical Greek and Roman tragedians It analyses a whole array of hermeneutical literary and rhetorical manifestations of tragical mimesis in early Christian writing which capitalizing on the elements of tragedy already perceptible in biblical revelation aspired to deepen and edify Christian engagement with multiform evil and with the extreme vicissitudes of historical existence Early Christian tragical mimetics included not only interpreting and often amplifying the Bible's own tragedies for contemporary audiences but also developing models of the Christian self as a tragic self revamping the Christian moral conscience as a tragical conscience and cultivating a distinctively Christian tragical pathos The study culminates in an extended consideration of the theological intelligence and accountability of tragical vision and tragical mimesis in early Christian literary culture and the unique role of the theological virtue of hope in its repertoire of tragical emotions [The Future Restoration of Israel](#) Stanley E. Porter, Alan E. Kurschner, 2023-06-02 This volume is the

most extensive of its kind as a major set of collected essays from a wide range of scholars on the question of the promises of God to Israel These essays put forward the position that unconditional promises were given to Israel which have not been fulfilled in the church or any other entity At the consummation there will be a continuing role for the Jews realized through their national and territorial hope of a restored redeemed Israel This volume contains an eclectic group of contributors who

have reached this position from various approaches to interpretation The essays exhibit both positive argumentation and engagement with supersessionist literature

Reading Romans with Roman Eyes James R. Harrison, 2020-06-22 Paul's letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul's readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God's purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter's argument and its possible significance for contemporary readers

Paul's Letter to the Romans Arland J. Hultgren, 2011-05-16 Building on his own translation from the Greek Hultgren walks readers through Romans verse by verse illuminating the text with helpful comments probing into major puzzles and highlighting the letter's most inspiring features He also demonstrates the forward looking missional character of Paul's epistle written as Hultgren suggests to introduce Roman Christians to the major themes of Paul's theology and to inspire in them both confidence in the soundness of his teaching and support for his planned missionary efforts in Spain

Romans Joseph A. Fitzmyer, 1993 World class biblical scholar author Fitzmyer has written a masterful study on Paul's Epistle to the Romans that will rival the great commentaries on Romans by Martin Luther and Karl Barth Fitzmyer is the author of the popular Anchor Bible commentaries on the Gospel according to Luke

Calvin on the Ropes Douglas R. Shearer, 2009 At the moment there are two powerful trends developing within evangelicalism a pernicious postmodernism that demeans moral and intellectual certainty and presses for accommodation among competing truths a postmodernism that's now institutionalizing itself among many of the so called emerging churches and a resurgent five point Calvinism that casts itself in opposition to postmodernism and therefore appeals to college Christians who are desperately looking for a spiritual and intellectual mooring that will safeguard their beliefs from being swept into a sea of relativism In short the one postmodernism and the relativism it's producing among American intellectuals has led to the other a resurgence of five point Calvinism Calvinism is closely argued tightly bound and scrupulously logical Its logic however is its undoing because it argues Calvinist conclusions from Calvinist premises that don't always line up with the Biblical text The whole edifice rests on a flawed foundation that a careful exegesis of Romans reveals to anyone who is equipped with a little background in pre modern thought

_____ Dr Arnold Fruchtenbaum writes This book is highly recommended to both Dispensational Calvinists and Covenantal Calvinists as well as to Arminians and also to all of those who do not see themselves in any of these categories for an honest evaluation of what the Book of Romans really says

about God's program for salvation and God's program for Israel Arnold Fruchtenbaum Ariel Ministries Douglas Shearer has recently retired from pastoring the church he helped to found in 1982 He and his wife Sita have been married for 45 years and together have raised four children two sons and two daughters Kendra Greg Alan and Margo They are all married and raising families of their own each of them and their spouses dedicated to serving the Lord Puzzling Passages in Paul Anthony C. Thiselton, 2018-10-22 Few Christian writings have had the world changing impact of St Paul's epistles to the churches and yet from the very beginning these works proved themselves to be tricky texts The Second Letter of Peter commenting about them says There are some things in them that are hard to understand 2 Pet 3:16 Indeed To this day many issues of their interpretation remain highly contested In this book Anthony Thiselton grasps the nettle and examines forty puzzling passages from Paul's epistles He considers the various scholarly proposals about their meaning and offers his own reflections in the hope of dispersing fog and shedding light and of expounding a coherent and self-consistent Paul If Sons, Then Heirs Caroline Johnson Hodge, 2007-07-13 Christianity is widely understood to be a universal religion that transcends the particularities of history and culture including differences related to kinship and ethnicity In traditional Pauline scholarship this portrait of Christianity has been justified by the letters of Paul Interpreters claim that Paul eliminates ethnicity or at least separates it from what is important about Christianity This study challenges that perception Through a detailed examination of kinship and ethnic language in Paul's letters Johnson Hodge argues that notions of peoplehood and lineage are not rejected or downplayed by Paul instead they are central to his gospel Paul's chief concern is the status of the gentile peoples who are alienated from the God of Israel Ethnicity defines this theological problem just as it shapes his own evangelizing of the ethnic and religious other According to Paul God has responded to the gentile predicament through Christ Johnson Hodge details how Paul uses the logic of patrilineal descent to construct a myth of origins for gentiles through baptism into Christ the gentiles become descendants of Abraham adopted sons of God and coheirs with Christ Although Jews and gentiles now share a common ancestor they are not collapsed into one group of Christians for example They are separate but related lineages of Abraham Through comparisons with other ancient authors Johnson Hodge shows that Paul is not alone in his strategic use of kinship and ethnic language Because kinship and ethnicity present themselves as natural and fixed yet are also open to negotiation and reworking they are effective tools in organizing people and power shaping self-understanding and defining membership If Sons Then Heirs demonstrates that Paul's thinking is immersed in the story of Israel He speaks not as a Christian theologian but as a first-century Jewish teacher of gentiles responding to concrete situations in these early communities of Christ followers As such Paul does not reject or critique Judaism but responds to God's call to be a light to the nations **Paul and His Letters** F. B. A. Asiedu, 2019-11-20 Paul the apostle and historian Flavius Josephus spent considerable parts of their careers away from Jerusalem They cultivated Roman audiences under very different circumstances Paul with his Letter to the Romans and Josephus with the writings he produced in Rome after the

Jewish War Curiously Paul's last visit to Jerusalem coincided with Josephus's entry into public life a period about which Josephus is deliberately silent In *Paul and His Letters Thinking with Josephus* F B A Asiedu selects themes from Josephus's life to explore Paul's letters and biography that contribute to his uniqueness in Jewish history He highlights for example the need to read Romans 9-11 as aporetic discourse to appreciate Paul as an existential thinker Asiedu considers among other things the authenticity of Paul's letters and offers an alternative to the prevailing scholarly consensus He also maintains that the Pauline collection in the New Testament first took shape in the house of Gaius in Corinth where Paul composed his Letter to the Romans Asiedu also suggests that the traditional view that Luke the physician wrote the Acts of the Apostles is probably a mistake He argues that Titus the Greek the coworker and friend of Barnabas and Paul most likely authored it

Wisdom Commentary: Romans Christian A. Eberhart, 2025-03-15 Can a feminist interpretation of Romans discover anything new In this volume Christian Eberhart pays special attention to the fact that Paul entrusted Phoebe a gentile woman with the task of delivering the letter to Rome There she would have been the person who recited it aloud and by heart in

front of various audiences Yet as the leader of a congregation in Corinth Phoebe had likely also been involved in the process of composing the letter as some passages reveal This multifaceted engagement of a woman gives new meaning to the vision of human society in Romans that celebrates the full participation of women and men Jews and gentiles weak and strong and free and slave
