Bartkowski, 2001 In Remaking the Godly Marriage John Bartkowski studies evangelical Protestants and their views on marriage and gender relations and how they are lived within individual families. The author compares elite evangelical prescriptions for godly family living with the day to day practices in conservative Protestant households He asks How serious are the debates over gender and the family that are manifested within contemporary evangelicalism. What are the values that underlie this debate Have these internecine disputes been altered by the emergence of new evangelical movements such as biblical feminism and the Promise Keepers And given the fact that leading evangelicals advance competing visions of godly family life how do conservative religious spouses make sense of their own family relationships and gender identities

Kuby, 2017-08-04 As all of us earthly creations are both wired to seek pleasure and to avoid pain to help us survive but humans are able to transcend both pleasure and pain in order to achieve their higher purpose Pleasure draws us to our happiness goals but the virtues of heroism give us the discipline and sacrifice required for the

challenges in the happiness pursuit We run the good race because of the big picture meaning which each challenge holds for the whole life journey allowing us to prioritize and focus on our highest good Our lifespan stages lead us to the joyful sacrifices of marriage and parenting into future generations as a form of this worldly transcendence of death Many singles duplicate the role of parenting in their work as teachers mentors or spiritual leaders while some singles find their call to serve through religious communities. This book celebrates all calls to joyful service that expand the loving bonds of family to embrace all mankind Same Old, Same New Mike Mason, 2024-04-10 Why is so much of our existence so ordinary Why this immense tract of stuff in our lives that seems to have no lofty purpose In ninety short devotional chapters Mike Mason meditates on this question concluding that in fact everydayness to the extent we embrace it is a source of deep consolation Far from being meaningless the humdrum and the commonplace may actually hold the secret of life Same Old Same New beautifully and provocatively written and full of arresting insights will take your old tired world stand it on end and spin it like a top Mike Mason straddles two worlds the quotidian and the eternal Of course those two worlds aren t separate worlds at all and the reality of that intermingling that co existence of the mundane and the mystical is perhaps the recurrent theme of Mason's writing Ron Reed Founding Artistic Director of Pacific Theatre Learning to Love Others Richard Peace, 2015-04-28 At the heart of Jesus call to us is the call to love others But this can be so difficult For one thing others are not always very lovable for another loving others sometimes gets in the way of our own self interests But if we want to follow Jesus love needs to be our lifestyle and the way we treat others really does matter It's not all sacrifice and pain though To be in loving relationship with others is to be truly alive and it s the source of our greatest joy This study will help you love others the way Jesus desires You ll learn how to study the Bible as you examine and discuss topics such as Loving Others Loving Our Families Fellowship with Others Getting Along with Others Opposition from Others Sharing Our Faith with Others Serving Others Each chapter has three main sections Group Study materials for a sixty to ninety minute small group Bible study Study Resources notes and comments for use in both group and personal study Personal Study a series of reflection questions for use by group members on their own during the week Extra help is available at the end of the book in the sections The Art of Leadership tips on how to lead a small group and Small Group Leader's Guide notes on each session The goal of PILGRIMAGE GUIDES is to understand what it means for us to meet and know Jesus Through an examination of the spiritual disciplines of Bible study prayer and worship we experience what it means to be a spiritual pilgrim walking in a new way with God And we look at how this new way changes the way we view others and live our lives in Christ PILGRIMAGE GUIDES Learning to Love God Learning to Love Ourselves Learning to Love Others A Minute of Presence for Women Leigh McLeroy, 2018 Open your eyes to the wonder God has waiting for you In the midst of our busy schedules and the constant distractions our culture offers us it can be difficult to feel God and see the way he s working in our lives He is the creator of the universe the author of salvation the beginning and end of everything that is but that doesn't mean he s far

away The truth is God is revealing himself to us all the time in even the littlest details of our everyday If we can only slow down and open our eyes to see it we can begin to catch glimpses of him wherever we are and whatever our circumstances may be In A Minute of Presence for Women spend a year retreating with God and awaken your heart to his wonder all around Hebrews George H. Guthrie, 1998 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context It gives preachers and teachers the tools ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written Clark E. Barshinger, Andrés Tapia, 1995 Many books describe how to find healing from past sexual abuse But in this book counselors Clark Barshinger and Lojan La Rowe and journalist Andrs Tapia focus on the emotional spiritual and practical challenges faced by the spouse of one who has been abused 15 Tips for a Stronger Marriage Eric Elder, 2014-06-26 15 inspirational tips to help your marriage be the best that it can be Also includes 12 tips on parenting From the introduction by Eric Elder I was sitting with a couple recently to help them plan their wedding when the bride to be asked me to do something impossible she wanted me to talk at her wedding about marriage and what made my marriage to my wife Lana so successful She said she admired our relationship and wanted to learn whatever she could to make her marriage the best that it could be Here's why her request seemed so impossible how could I possibly summarize 23 years worth of thoughts on marriage in such a short message on her wedding day Yet her guestion also inspired me because I loved the idea of being able to pass along to them anything that might be helpful So I began to think of all the tips I had heard before we got married after we got married and throughout our 23 years of marriage I quickly came up with 4 or 5 sermons to share at her wedding In the end I only shared 1 simple message with them based on 3 words which I felt would help them get through anything they might face in the future I ll share those 3 words with you in chapter 6 as they serve as the glue that holds all the other tips together But I still wanted to share with this couple all the other great tips that God had brought to my mind The result is this little book that I m now sharing with you I wish I could say that if you ll just put these 15 tips into practice you ll be guaranteed success in your own marriage but relationships just don t work like that Each one of us is unique and each one of our relationships is unique Yet I still believe each of these tips can be helpful to you in one way or another even if it s just to talk through them with your spouse or spouse to be and then adapt and apply them to your own relationship To make this book easier to read I ve divided it into 7 chapters 6 of which are about marriage with a bonus chapter at the end called 12 Tips On Parenting I wrote this chapter in response to another question by some other friends who asked for my thoughts on that topic Since this book has 7 chapters you might want to read a chapter a day for 7 days or a chapter a week for 7 weeks You might also want to go through this book with a few other couples who are newly married nearly married or just want to strengthen their marriage no matter how long they ve been married Who knows This book may be just what they need to make their marriage not just good but great Any way you do it I pray God will bless you through it both now and for many
