Gorilla Dreams Sue Hampton,2014-08-07 Mr Eden is a teacher with the magic to make stories live Here he offers his class two very different GORILLA DREAMS First there s the crazy knockabout

humour of Gilbert's story. He's a gentle gorilla who wants to be cool like his classmate Groover the Mover on his skateboard and motorbike. But Gilbert has a secret that could make a fool of him. Secondly, there's Sanyu, one of a troop of silverbacks in Uganda and everything the wildlife books describe except that he loves to dance. He shares his story with a girl called Akello whose life is touched by sadness, poverty and danger but also courage and beauty. The spellbinding Mr Eden is a storyteller but a character too. What does he know of gorilla dreams? Book reviews online. Published Bestsellers website. School Library Journal, 2004. *Bigfoot!* Loren Coleman, 2009-11-24. For years scientists and researchers have studied, speculated about and searched for an enigmatic creature that is legendary in the annals of American folklore. Now learn the truth about BIGFOOT. In this fascinating and comprehensive look at the fact, fiction and fable of the North American Sasquatch, award-winning author Loren Coleman takes readers on a journey into America's biggest mystery: could an unrecognized ape be living in our midst? Drawing on over forty years of investigations, interviews and fieldwork on these incredible beasts, Coleman explores the modern debates about these powerful ape-like creatures: why they have remained a mystery for so long and what we can learn about ourselves from these animals, our nearest cousins. From reports of Bigfoot's existence found in ancient Native American traditions to the controversial Patterson-Gimlin film of a Bigfoot in the wild to today's Internet sites that record the sightings almost as soon as they occur, Coleman uncovers the past, explains the present and considers the future of one of the greatest unsolved mysteries in the natural world. **Motion Pictures, 1912-1939** Library of Congress.
