Mystery Tales Mystery Tales,1946 **Crimes of Cymru: Classic Mystery Tales of Wales** Martin

Edwards,2024-08-06 Ahoy my lad he bellowed back I didn't expect you so early Come for a dip The water's fine Everything is Then it happened Mystery and murder run amok amidst ominous peaks and icy lakes In hushed valleys venom flows through villages harboring grievances that span generations The landscapes and locales of Wales Cymru in the Welsh language have fired the imagination of some of the greatest writers in the field of crime and mystery fiction Presenting fourteen short stories first published in 1909 through the 1980s this new anthology celebrates a selection of beloved Welsh authors Cardiff's Roald Dahl and Abergavenny's Ethel Lina White as well as lesser known yet highly skilled writers including Cledwyn Hughes and Jack Griffith Alongside these home grown tales this collection also includes a handful of gems inspired by or set in the cities and wilds of Wales by treasured authors with an affinity for the country such as Christianna Brand Ianthe Jerrold and Michael Gilbert *Original Fairy Tales for Children* José Tiberius,2016-10-01 The book of short tales for kids is a collection of personalized and original bedtime fairy tales All the brief tales online are love stories for kids Personalized short moral story for kids Story fable or tale with talking animals to stimulate the fantasy of children This little collection of short tales online for kids contains an assortment of personalized and original fairy tales for an adequate preparation of children at bedtime usually based on true stories They are stories for little boys and girls from 2 to 7 years old approximately that's why the style of the spoken tales is very simple on occasions with very short sentences and quite elemental ideas A common characteristic to all the collection of short stories for kids in this book is to contain love stories or tales Love is the context or background that gives cohesion to all the stories its interpretation and its assimilation it is even a tool necessary to understand the baddies Children detect if the tales and legends are told or read to them by people or if they are reproduced by other means They appreciate the effort and they understand that it is not always possible to give them all the desirable time An important element is that the boys and girls should have the opportunity to choose the spoken tale or bedtime story or at least their opinion should always be taken into account *Mystery Tales for Boys and Girls* Elva S. Smith,1967 The Horror Comics William Schoell,2014-07-09 From the Golden Age of the 1940s through the Silver Age of the 60s up until the early 80s the end of the Bronze Age Included are the earliest series like American Comics Group's Adventures into the Unknown and Prize Comics' Frankenstein and the controversial and gory comics of the 40s such as EC's infamous and influential Tales from the Crypt The resurgence of monster horror titles during the 60s is explored along with the return of horror anthologies like Dell Comics' Ghost Stories and Charlton's Ghostly Tales from the Haunted House The explosion of horror titles following the relaxation of the comics code in the 70s is fully documented with chapters on Marvel's prodigious output The Tomb of Dracula Werewolf by Night and others DC's anthologies Witching Hour and Ghosts and titles such as Swamp Thing as well as the notable contributions of firms like Gold Key and Atlas This book examines how horror comics
