Mystery And Wonder Icons Like Miniatures:

Mystery and Wonder T. B. Vilibakova, Jana, 2000 **A Place for Jesus** Scott P. Mages, 2020-07-08 Hope is an endangered virtue in today's chaotic world Yet Christmas provides us with the inspiring reminder that our true hope lies not in the understanding that people can sometimes be good but that God who is good is also faithful and loves us in our unloveliness and graces us in our gracelessness In a unique guide for Christian travelers Scott Mages marries the fascinating story of the figures that surround the infant Jesus in that inescapable seasonal tableau of shepherds and wise men as told through the bible folk tales and art with reflections on the enduring meanings of each While addressing Christian curiosities like why so many manger scenes display Joseph with staff and lantern and where in the scripture we can find the ox and ass who preceded Mary in artists renditions Mages leads others through the history of the figures of the crèche and their lessons while offering a spiritual preparation for Christmas Shared for the curious and pious lovers of odd facts and forgotten legends and seekers of more than the glitz that often passes for Christmas **A Place for Jesus** guides Christians on an inspiring journey to learn and understand the lessons surrounding the figures of the crèche **Wonder, Horror, Mystery** Morgan Meis, Joshua M. Tyree, 2021 **Wonder Horror Mystery** is a dialogue between two friends both notable arts critics that takes the form of a series of letters about movies and religion One of the friends J M Tyree is a film critic creative writer and agnostic while the other Morgan Meis is a philosophy PhD art critic and practicing Catholic The question of cinema is raised here in a spirit of friendly friction that binds the personal with the critical and the spiritual What is film What's it for What does it do Why do we so intensely love or hate films that dare to broach the subjects of the divine and the diabolical These questions stimulate further thoughts about life meaning philosophy absurdity friendship tragedy humor death and God The letters focus on three filmmakers who challenged secular assumptions in the late 20th century and early 21st century through various modes of cinematic re-enchantment Terrence Malick Lars von Trier and Krzysztof Kieślowski The book works backwards in time giving intensive analysis to Malick's *To the Wonder* 2012 Von Trier's *Antichrist* 2009 and Kieślowski's *Dekalog* 1988 respectively in each of the book's three sections Meis and Tyree discuss the filmmakers and films as well as related ideas about philosophy theology and film theory in an accessible but illuminating way The discussion ranges from the shamelessly intellectual to the embarrassingly personal Spoiler alert No conclusions are reached either about God or the movies Nonetheless it is a fun ride **Lost in Wonder** Aidan Nichols, 2011 This book explores the liturgy as the manifestation by cultic signs of Christian revelation the setting of the Liturgy in terms of architectural space iconography and music and the poetic response which the revelation the liturgy carries can produce Nichols makes the case for Christianity's capacity to inspire high culture both in principle and through well chosen historical examples which draw on the best in Catholicism Eastern Orthodoxy and Anglicanism **Lost in Wonder** Aidan Nichols O. The Teachings of Padmasambhava Herbert Guenther, 2023-08-21 This study explores the ideas of the enigmatic and controversial visionary known as Padmasambhava It takes as its starting point a unique and hitherto untouched source Padmasambhava s writings preserved in the rNying ma rgyud bum that remain excluded from the standard editions of the Tibetan Tanjur collections to this day The first chapter explains Padmasambhava s holistic background that reflects an anthropocosmic worldview The second chapter deals with the problem of how this anthropocosmic whole becomes enworlded as samsara and of how the enworlded experiencer disentangles himself from it and regains his original wholeness The third chapter assesses Padmasambhava s psychological insights and their hermeneutical interpretations In this study Herbert Guenther discloses the mind of one of the greatest spiritual geniuses in human history Padamasambhava wanderer mystic and one of the original founders of Tibetan Buddhism Here his teachings step out from obscurity to speak with a wonderful clarity In them is found a surprisingly postmodern portrait of how process dynamics self organize to construct and light up our worlds of experience
