**Mystery of the Lost Ring (with Two Hearts)** Robyn Supraner,1982 Two best friends make each other gifts but one of the gifts mysteriously disappears      **The Mystery of the Lost Ring** Janis Hennessey,2018-04-10 Darcy Delilah and DJ call themselves the 3D Detectives because their names begin with D They enjoy working together like sleuths to solve mysteries Can the 3Ds find Darcy s great grandmother s wedding ring before she has to confess to her mother she lost it It s up to the 3Ds to figure out where the old ring is and how to get it back How far will the 3Ds go to get that ring      *The Shapeshifter's Secret* Heather Ostler,2023-02-02 Like any sixteen year old Julia s used to dealing with problems From her overprotective father to her absent mother to a teacher who definitely has it in for her But everything changes when Julia s reactions become oddly vicious and angry more animal than human This action packed adventure has it all humor romance and a plot that will keep you guessing to the very last page      *Godey's Lady's Book* ,1876      **The Charlie Holmes and Rascal Mysteries** Susan E. Rolle,2022-08-19 Charlie and Rascal Holmes are anything but normal cats As the beloved fur companions of Master Sherlock and Mistress Charlotte Holmes the little pals have become quite aware of what is occurring in the lives of the people they love Charlie and Rascal want nothing more than to become detectives themselves and spend their days imagining what they would do if their dreams actually came true One day when Mistress Holmes discovers her favorite ring is missing and suspects it has been stolen she admits other jewelry has mysteriously disappeared in the past few weeks When Sherlock offers to investigate he has no idea that Charlie and Rascal also want to join the search As soon as their Master and Mistress leave for a party the curious kitties set out on a quest for answers When they re successful they decide being detectives is their natural calling in life Thus begins the career of two master detectives Their earliest cases are some of their most exciting      **Textile Legend Unravels** Dr. Rajaram Jaipuria, The story of my life essentially focuses on how politics destroyed an assiduously built industrial empire how I fought a long but unsuccessful legal battle for getting my textile mills back and how I eventually succeeded in reinventing life in the very industry I always loved The origin of the House of Jaipurias dates back to 1914 when my father Seth Mungturamji Jaipuria left our native town of Nawalgarh in Rajasthan to travel to Kolkata earlier Calcutta which was then India s industrial and commercial hub and had been its official capital till 1911 Delhi then acquired that privilege I have tried to explain the evolution of the Jaipuria Group as well as of the Indian textile industry in as lucid a manner as I could I hope the young entrepreneurs as well as the students of management apart from the public at large would find my narrative educative and if I may say so inspiring I hope this book would not only help the younger generation understand India s industrial history and the roots of its own entrepreneurial abilities but would also inspire some of the few remaining entrepreneurs of my generation to record their life histories and share their rich experience besides warning present and future governments about the dangers of unnecessary meddling in affairs of industry and trade      *The Postcode of Love* Richard Paul, Have you ever embarked on a grand gesture meticulously planned

to impress only to find yourself lost in a desolate wasteland If the answer is no then consider yourself lucky If the answer is yes then you ll probably find yourself nodding along with Richard the protagonist of this tale Richard a man with good intentions and a penchant for overthinking decides to whisk his girlfriend Emily away on a romantic adventure for her birthday His grand plan To create a postcode from Emily s initials and favorite things hoping it will lead them to a magical destination Unfortunately Richard s GPS seems to have a mind of its own and he soon finds himself leading Emily to a desolate wasteland miles away from the picturesque location he envisioned What follows is a series of misadventures chaotic encounters and heartwarming moments Richard s attempts to salvage the situation are often comical but his genuine love for Emily shines through They find themselves lost in a literal wasteland but also in a figurative sense navigating the complexities of their relationship This book is a journey of self discovery a celebration of love and a reminder that even the most carefully planned adventures can lead to the most unexpected and often hilarious results **Primary Maths in**
