Intergalactic Tribunal Terry L. Brown, 2010-05-28 Planet Ship Earth has had many mythical stories Intergalactic Tribunal is about the greatest one ever conceived developed and implemented This powerful story grabbed the inhabitants of earth and sky and convinced them that to believe is to know As a result they remain in perpetual ignorance never seeking to know The main character of this Intergalactic Gospel Fiction is the only son of a man made God who created the universe in which he resides He has no mate male of female Everyone who wishes to live forever in bliss must pledge their lives to this Man Made God via the worship of his only begotten son Those that are not afraid to think will find the content of this book intriguing and thought provoking Theyll realize that outrageous thoughts they have had are shared by others Theyll be relieved to know they are not alone in this confusion called human society Technological components are unprecedented trailblazing and surprising For example the technology that implanted hostile entities into the blood stream to be manifested by the pressing of certain fingers coughing and spitting War Theatres will add this to their think tank data banks globally Its scary to think of the effect this would have in the hands of so called terrorists This book can be viewed as a self help educational reference tool a thought provoker or just a fun book to read There are elements of interest for all matured minds beings that are searching for clarity and those exploring beyond the matrix of illusion The fact that man created God so God could make him is evident It is not hard to create a belief system complete with a god of your design and giving him or her all the powers you can imagine This and other thought provoking questions are asked and answered I am very much aware that this book will not change anyone My hope is that readers will be motivated enough to investigate its content to see if there be anything that might enhance their lives or that of someone they know and care about I hope Intergalactic Tribunal will provide food for thoughts to the degree that readers will discuss it among their families friends and associates I trust all will find something of value I invite you all to engage the process of thinking to arrive at decisions which impact your lives Refuse to be a slave to anyones belief Seek to Know Always The Front Porch Revolution Robert H. Lengel, 2018-06-07 A piece of music is more than the sum and sequence of its notes. The spaces between the notes the rests or silences are just as

essential Without those spaces the notes do not properly relate to each other and even the most profound composition degrades into mere noise Front porches metaphorically represent those rest spaces in our lives and they are vanishing Without them we are denying ourselves access to our music and possibility and the evidence is clear at all levels of interaction The social and political discourse in this country has of late eroded into noise and acrimony dialogue having been abandoned for weaponized partisan monologues Diatribes and rhetoric are gleefully accelerated like charged particles online and on competing TV news and talk radio shows In fact this dynamic is experienced in meetings of any scale where diverse perspectives clash around topics we care about But ask yourself what is being accomplished beyond gridlock frayed relationships and destructive polarization We need to meet in new ways The Front Porch Revolution is about the need to reassert true conversation and dialogue and reaffirm an earnest commitment to genuine communication If anything is to be accomplished and there is much that needs to be accomplished we must be able to hear ourselves think and be present with our personal stories that give context to that thinking This is more likely to happen on front porches than on the floor of Congress in board rooms in classrooms or on Facebook or Twitter Viewing the world from the front porch invites a new way of thinking about our communication challenges leadership and what we have become in the absence of front porches Based on decades of research and first hand experience at the Center for Professional Excellence at the University of Texas at San Antonio The Front Porch Revolution maps out a lucid thoughtful and hopeful path forward to possibility Marsh,2001-08 Innards drives full throttle through the dangerous curves of love loss life and death with courage and tension gas pedal deliberately mashed to the floor teetering ever so gracefully somewhere between pure bliss and intimate rupture

The Genesis Mekael,2007-08-27 The Genesis is such a special collection because from the moment that our Poet penned his first poem Realization Mekael came to understand what his lifes purpose and gift was His purpose to help save and change the lives of todays youth by use of his gift as a writer When asked to summarize his collection Mekael stated strongly My mission is to affect the rate of illiteracy in our country and in order to do that we must affect change in our children bolstering in them a love for reading which will positively affect their ability to write I want our young people to know and understand that reading and writing doesnt deduct from their ability to be cool but rather it enhances their ability to re define the term cool When asked about the level of dedication and attention to detail that the production process requires Mekael stated the following As I started the process of choosing and compiling the pieces that would ultimately comprise this collection I was both proud and amazed to see and count that I had created nearly 600 poems up to that point This undoubtedly made the pre production process slightly taxing because I had to force myself to choose 80 pieces of poetry that would best define me as a writer and me as an artist and so I prayed about it and simply chose The Genesis will strongly impact some because of the poignancy of the some of the subject matter contained within some of the pieces This collection will also generate some strong dialog and discussion for change and creativity Mary's Salvation Steve

Taylor, 2023-12-05 Discover the Chronicles of Mary Magdalene as you ve never seen them before In Mary's Salvation the first installment of an epic saga Mary Magdalene reveals secret scrolls that become the cornerstone of the first Christian assemblies This hidden knowledge turns more than just water into wine it transforms human consciousness Can you imagine a world prior to the teachings of Jesus and Mary This book promises a unique window into that divine transformation Ever wondered what was so captivating about the teachings of Jesus and Mary Magdalene that they sparked a spiritual revolution Mary's Salvation offers more than just stories it provides an intimate look at divine strategies existential battles and a celestial plan that was millennia in the making This isn t your average Sunday school story this is a gripping tale filled with suspense divine interventions and earth shattering revelations Jesus crucifixion didn t just end in death it ushered in a new era for mankind The real story however is in the scrolls penned by Mary Magdalene explaining how His sacrifice altered our very understanding of spirituality morality and human potential This perspective shattering revelation can only be found in Mary's Salvation a book that promises to shake the very foundations of your belief system Mary's Salvation is a profound journey into the Chronicles of Mary Magdalene revealing secret scrolls that became foundational to early Christian assemblies This narrative offers an unparalleled glimpse into the transformative teachings of Jesus and Mary showcasing how they sparked a spiritual revolution and reshaped human consciousness Delve into a world of divine strategies existential battles and a celestial plan millennia in the making This book transcends conventional narratives offering a gripping tale filled with suspense divine interventions and earth shattering revelations that challenge the very foundations of belief systems Mary's Salvation is a profound journey into the Chronicles of Mary Magdalene revealing secret scrolls that became foundational to early Christian assemblies This narrative offers an unparalleled glimpse into the transformative teachings of Jesus and Mary showcasing how they sparked a spiritual revolution and reshaped human consciousness Delve into a world of divine strategies existential battles and a celestial plan millennia in the making This book transcends conventional narratives offering a gripping tale filled with suspense divine interventions and earth shattering revelations that challenge the very foundations of belief systems Are you ready to challenge what you thought you knew They Walked in the Spirit Douglas M. Strong, 1997-01-01 Many believe that American Protestantism has long been divided into two groups those concerned with the impact of religion in the public sphere and those concerned with private faith individual morality and personal evangelism Douglas Strong provides examples of people over the last 150 years who bridged the apparent chasm between these two groups and were able to nurture a deep personal piety while simultaneously working to transform society

Black Poncho Didiam, 2005-09 Adam Ruston suddenly quits the comforts of normal life to travel deep into two dark and mysterious worlds One is the untamed jungle in the depths of Bolivia the other is the confused labyrinth of his own conscience Together with a small group of international backpackers Adam quickly finds himself lost in a mystical world As the travelers and their courageous guides struggle to save the life of one of their companions Adam realizes his sanity is at
