**The Myth of Soviet Military Supremacy** Tom Gervasi, 1987      **Bulletin of the Atomic Scientists** , 1987-06      *The Evolution of Nuclear Strategy* L. Freedman, 2003-07-18 First published twenty years ago Lawrence Freedman's *Evolution of Nuclear Strategy* was immediately acclaimed as the standard work on the history of attempts to cope militarily and politically with the terrible destructive power of nuclear weapons It has now been rewritten drawing on a wide range of new research and updated to take account of the period following the end of the cold war taking the story to contemporary arguments about missile defence

**The Rise and Fall of the Great Powers** Paul Kennedy, 2010-10-27 About national and international power in the modern or Post Renaissance period Explains how the various powers have risen and fallen over the 5 centuries since the formation of the new monarchies in W Europe

**Professional Journal of the United States Army** , 1986      *Military Review* , 1986      [Soviet Nuclear Weapons Policy](#) William C. Green, 2019-07-11 This research guide is intended primarily for two groups of specialists The first consists of Sovietologists interested in acquiring a more complete knowledge of Soviet strategic and military policy The second includes strategic analysts interested in expanding their expertise to cover Soviet strategy and thinking However it was assembled so as to be useful as well for non specialists interested in investigating Soviet nuclear weapons policy

**Quarterly Review of Military Literature** , 1984      **The Jack Ryan Agenda** William Terdoslavich, 2006-05-02 Who is Jack Ryan Lowly analyst James Bondian secret agent President of the United States All of the above Or is he just Tom Clancy's mouthpiece for what is right and wrong with politics and policy today What impact did Red Storm Rising have on Ronald Reagan's policy for dealing with the Soviet Union Was A Clear and Present Danger a trial balloon for the administration's international war on drugs Did the climax of Debt of Honor foreshadow the actual terrorist plans for 9 11 And how did Jack Ryan a lowly analyst wind up becoming the President of the United States Was it wishful thinking or a choreographed roadmap for the time when the defense of America was placed firmly in the hands of backroom strategists The Jack Ryan Agenda places each of Tom Clancy's Jack Ryan novels from his bestselling debut of *The Hunt for the Red October* to his latest *The Teeth of the Tiger* within the historical context of the U S International situation at the time each book was published The Clinton years are examined as well during this time Clancy occasionally embraced a by any means necessary modus operandi that included Special Forces assassins taking on rogue environmentalists Turning to film The Jack Ryan Agenda explores how the movie versions differ from the Clancy's canon and notes the author's displeasure with the way Hollywood liberals took liberties with his story lines In the bestselling tradition of *The Magic of Harry Potter* *The Biology of Star Trek* and *The Science of Superman* The Jack Ryan Agenda explores this brand name dynamo's work in the context of the real world where patriot games are a clear and present danger and the sum of all fears are executive orders without remorse At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied

,1987 **Knowing the Adversary** Keren Yarhi-Milo,2014-07-21 States are more likely to engage in risky and destabilizing actions such as military buildups and preemptive strikes if they believe their adversaries pose a tangible threat Yet despite the crucial importance of this issue we don t know enough about how states and their leaders draw inferences about their adversaries long term intentions Knowing the Adversary draws on a wealth of historical archival evidence to shed new light on how world leaders and intelligence organizations actually make these assessments Keren Yarhi Milo examines three cases Britain s assessments of Nazi Germany s intentions in the 1930s America s assessments of the Soviet Union s intentions during the Carter administration and the Reagan administration s assessments of Soviet intentions near the end of the Cold War She advances a new theoretical framework called selective attention that emphasizes organizational dynamics personal diplomatic interactions and cognitive and affective factors Yarhi Milo finds that decision makers don t pay as much attention to those aspects of state behavior that major theories of international politics claim they do Instead they tend to determine the intentions of adversaries on the basis of preexisting beliefs theories and personal impressions Yarhi Milo also shows how intelligence organizations rely on very different indicators than decision makers focusing more on changes in the military capabilities of adversaries Knowing the Adversary provides a clearer picture of the historical validity of existing theories and broadens our understanding of the important role that diplomacy plays in international security *Parameters* ,1989

The Rise of Western Power Jonathan Daly,2021-01-14 In this second edition of *The Rise of Western Power* Jonathan Daly retains the broad sweep of his introduction to the history of Western civilization as well as introducing new material into every chapter enhancing the book s global coverage and engaging with the latest historical debates The West s history is one of extraordinary success no other region empire culture or civilization has left so powerful a mark upon the world Daly charts the West s achievements representative government the free enterprise system modern science and the rule of law as well as its misdeeds two World Wars the Holocaust imperialistic domination and the Atlantic slave trade Taking us through a series of revolutions he explores the contributions of other cultures and civilizations to the West s emergence weaving in historical geographical and cultural factors The new edition also contains more material on themes such as the environment and gender and additional coverage of India China and the Islamic world Daly s engaging narrative is accompanied by timelines maps and further reading suggestions along with a companion website featuring study questions over 100 primary sources and 60 historical maps to enable further study **Soviet Military Power In A Changing World** Susan L Clark,2019-06-04 Many people have been instrumental in helping see this book through to completion First I want to thank Robbin Laird not only for his professional encouragement over the years but especially for his suggestion to do this book in the first place Nor would this effort have been possible or nearly as enjoyable without the support and friendship of Susan McEachern I would also like to thank Jackie Evans for her assistance in helping to prepare the manuscript [Air University Library Index to](#)

Military Periodicals ,1981      *Losing Military Supremacy* Andrei Martyanov,2018-06-04 Martyanov explains why and how the US armed forces have lost the military supremacy they thought they once had and how Russia which supposedly had been defeated in the Cold War succeeded not only in catching up with USA but actually surpassing it in many key domains such as long range cruise missiles diesel electric submarines air defenses electronic warfare air superiority and many others Andrei Martyanov s book is an absolute must read for any person wanting to understand the reality of modern warfare and super power competition THE SAKER While exceptionalism is not unique to America the intensity of their conviction and its global ramifications are This view of its exceptionalism has led the US to grossly misinterpret sometimes deliberately the causative factors of key events of the past two centuries Accordingly the wrong conclusions have been derived and very wrong lessons learned Nowhere has this been more manifest than in American military thought and its actual application of military power Time after time the American military has failed to match lofty declarations about its superiority producing instead a mediocre record of military accomplishments Starting from the Korean War the United States hasn t won a single war against a technologically inferior but mentally tough enemy The technological dimension of American strategy has completely overshadowed any concern with the social cultural operational and even tactical requirements of military and political conflict With a new Cold War with Russia emerging the United States enters a new period of geopolitical turbulence completely unprepared in any meaningful way intellectually economically militarily or culturally to face a reality which was hidden for the last 70 years behind the curtain of never ending Chalabi moments and a strategic delusion concerning Russia whose history the US viewed through a Solzhenitsified caricature kept alive by a powerful neocon lobby which even today dominates US policy makers minds Martyanov s former Soviet military background enables deep insight into the fundamental issues of warfare and military power as a function of national power assessed correctly not through the lens of Wall Street economic indices and a FIRE economy but through the numbers of enclosed technological cycles and culture much of which has been shaped in Russia by continental warfare and which is practically absent in the US      **The Soviet Military And The Communist Party** Roman Kolkowicz,2019-07-11 This book investigates the relationship between the Communist Party and the military establishment in the Soviet Union It indicates that there are several factors influencing the dynamics of that relationship and thus the respective roles of the protagonists
