liberation and resistance Many activist projects and resistance groups fall apart because people treat each other poorly trying desperately to live out the cultural myths about dating and relationships that we are fed from an early age How do we divest from the idea that one romantic partner will be the solution to all our problems How do we bring our best thinking about freedom and justice into step with our desires for healing and connection Love in a F cked Up World is a resounding call to action and a practical manifesto for how to combat cultural scripts and take our relationships into our own hands preparing us for the work of changing the world
