

# MYTHENEAE AWAKENS

The background of the entire cover is a vibrant, painterly illustration. The sky is a mix of deep blues, purples, and oranges, suggesting a sunset or sunrise. A large, bright, glowing orb (the sun or moon) is partially obscured by clouds. Several lightning bolts flash across the sky. In the upper center, a white, winged creature, possibly a phoenix or a large butterfly, is shown in flight. Below it, a brown, winged creature is also flying. In the lower right, a small, brown, winged creature is perched on a branch. On the ground, a man with long hair and a beard, wearing a red and black robe, sits under a large, leafy green tree. He is holding a long, thin, golden object. In the foreground, a woman with long red hair, wearing a red and black dress, stands with her arms raised in a gesture of surprise or awe.
