happens when the gods disagree They send the mightiest of heroes to fight a war But which hero will you be and who will you side with Greece's King Menelaus or Paris a prince from the city of Troy If the gods favor you you just may survive the fighting Full page illustrations interactive stories and multiple endings transport you back to ancient Greece and into thick of battle as the Trojan War rages on *Jesus and the Trojan War* Michael Horan,2016-06-14 Jesus and the Trojan War looks at ways in which stories are presented and understood and how story tellers and their listeners may wittingly or unwittingly confuse fact with fiction This book explores the parallels between four stories the Trojan war Moses King Arthur and Jesus and the way their sources relate to their histories and contemporary relevance *The Trojan War* Barry Strauss,2007-08-21 Based on the latest archeological research and written by a leading expert on ancient military history the true story of the most famous battle in history is every bit as compelling as Homer's epic account and confirms many of its details **The Mythology of the Trojan War** Charles River Editors,2017-02-08 Includes pictures Analyzes the mythology and the history of the Iliad Odyssey and war Includes online resources and a bibliography for further reading Like leaves on trees the race of man is found Now green in youth now withering on the ground Another race the following spring supplies They fall successive and successive rise The Iliad Perhaps the most famous epic poems ever written the Iliad and the Odyssey have been read for nearly 3 000 years making them some of the oldest written works in the Western world The poems made characters like Paris Helen Odysseus Achilles Hector and Ajax instantly recognizable and they also influenced other ancient poets like Virgil whose Aeneid is clearly modeled after them The epic poems also literally put Troy on the map motivating Heinrich Schliemann to search for and ultimately find the city of Troy in the 19th century Believed to be penned around the 8th century BCE or 7th century BCE the Iliad and the Odyssey served as both entertainment and a moral guidebook of sorts for the ancient Greeks as well as the foundation for Western literature Although there is some scholarly debate regarding the epic's authorship it is generally attributed to Homer Given that he lived nearly 2800 years ago not much is actually known about Homer even his birthplace is debated but due to the dialect of Greek in which the works attributed to him were written it is generally believed that he lived in Ionia The only other aspect of Homer's life that is generally agreed upon is that he was a blind poet possibly also a bard That naturally raises the question of how he wrote his epic poetry but scholars assume he probably dictated them to a scribe as the format suggests they were comprised from various shorter forms of oral poetry Even people who don't know much about ancient Greek mythology can probably still name Achilles the Trojan Horse and a number of other gods that play a part in the story of the Trojan War The enduring nature of this story led to many great people claiming descent from one of the characters found within it for example Alexander the Great was said to have slept with a copy of Homer's Iliad every night during his campaigns a description of the legendary war that describes the epitome of pre hoplite warfare and is still taught at military academies around the world today The entire story from its fickle beginnings to its catastrophic end has made its way to modern readers via surviving sources which when combined form a

biopsy of ancient Greek myth and many of its finest elements Most people could be forgiven for mistakenly believing that the Iliad encompasses the entire story of the Trojan War but the Iliad tells the story of just four days in the ninth year of the war In many ways the Iliad is the story of Achilles s wrath which actually serves as a subtitle in some editions but in order to gain an idea of the full story of what occurred at Troy between ancient heroes Achilles Hector Menelaus and Paris among others readers must collate sources often fragmentary stretching from the 8th century BCE to Roman sources in the 1st century CE Indeed piecing the story together is one of the intentions of this epic poem Another intention of the Iliad is to highlight the nature of the story as a work of mythology not history Although there are certainly historical elements in the story as well as certain seminal moments that affected cult activity in ancient Greece emphasis is placed on the narrative methods that make it an enduring and iconic mixture of myth legend and folklore Since the story of the Trojan War permeates so many of the ancient myths recounted in literature and theater from the Archaic Period onward it is always important to understand that the Trojan War itself was a nexus in ancient Greek mythological thought

The Trojan Horse Justine Fontes,Ron Fontes,2017-01-01 For ten years the battle raged Thousands of ancient Greece s best warriors battled their enemies the Trojans in a desperate attempt to win back King Meneleus s beautiful wife Helen After a decade of fighting and thousands dead the Greek forces suddenly fell back Cautiously the Trojans ventured out of the city walls where they discovered a giant wooden horse and a messenger Should they accept this peace offering Or is the gift horse too good to be true

The Trojan Horse Ron Fontes,Justine Fontes,2006-09-01 In graphic novel format tells how Greek goddesses began the Trojan War and how it was ended by the Greeks with an ingenious plan

The Trojan War Enthralling History,2021-11-07 *In Search of the Trojan War* Michael Wood,1998 For 3 000 years tales of Troy and its heroes Achilles and Hector Paris and the legendary beauty Helen have fired the human imagination With *In Search of the Trojan War* Michael Wood brings vividly to life the legend and lore of the Heroic Age in an archaeological adventure that sifts through the myths and speculation to provide a privileged view of the riches and the reality of ancient Troy This edition includes a new preface a new final chapter and an addendum to the bibliography that take account of dramatic new developments in the search for Troy with the rediscovery in Moscow of the so called Jewels of Helen and the re excavation of the site of Troy which began in 1988 and is yielding new evidence about the historical city

Trojan War , Ian Johnston provides a summary of various accounts of events surrounding the Trojan War According to Greek legend the Trojan War occurred around 1200 B C when the Greeks attacked and defeated the ancient city of Troy in Asia Minor

The Trojan War in Ancient Art Susan Woodford,1993 The legendary characters of the Trojan War captured the imaginations not only of Greek and Roman writers but of countless visual artists as well A vibrant retelling of the Trojan myths this handsomely illustrated book brings to life for today s readers both visual and literary traditions

The Tradition of the Trojan War in Homer and the Epic Cycle Jonathan S. Burgess,2004-01-21 Burgess challenges Homer s authority on the history and legends of the Trojan War placing the Iliad and
