This astonishingly rich, almost encyclopedic biography is a must-have for any serious fan of Prince.

*THE QUINTESSENTIAL QUADRIPLÉGIC: FROM NEW HORIZONS TO LAS VEGAS TWICE!* Francis Nicholas

Driscoll, 2023-01-28 Living with a severe spinal injury and paralysis is a difficult challenge. However, I didn't allow it to define my life. I've always loved music and music production, especially hip-hop. I was determined not to let even a devastating life change sink my dreams and passion. After my injury, I spent time in a fantastic place called New Horizons, an independent living facility that helps people with disabilities learn to live their own lives with a minimum amount of assistance. It changed my life. I was able to purchase my own home and build a recording studio under that same roof, allowing me to follow my music passion. That move opened the door to meeting many hip-hop superstars along with other huge names in the music industry. Eventually, I even began producing my own music, recorded my own albums, and I've even done live DJ performances. Every day is a challenge, and I've experienced setbacks along the way. Follow me through a star-studded romp in the Las Vegas night life and the music industry as I tell my story of personal triumph and perseverance. Never let life's dark side steal your dreams. This is the story of Professional Musician, Studio Engineer, Filmmaker, and now NFT Creator Francis Nicholas.

Driscoll, The Quintessential Quadriplegic **Prince: A Sign o' the Times** John McKie, 2025-09-18 There are pop stars, and then there is Prince. In this kaleidoscopic freewheeling biography, John McKie examines the remarkable life and career of one of the most mysterious figures in music through the prism of the record most widely considered his masterpiece: 1987's *Sign o' the Times*. Drawing on more than 200 interviews with friends, ex-girlfriends, bandmates, recording engineers, bodyguards, personal assistants, wardrobe designers, and hairdressers, accomplished music writer John McKie examines the life of this musical polymath with the help of many of the people who knew him best. Family members and friends discuss his childhood when he learned to master several instruments; there is new information on how he made the soundtrack to *Purple Rain*, the full story about why he decided to stop using his name, the now-legendary Super Bowl half-time show, and that guitar solo at the Rock n Roll Hall of Fame which has been viewed on YouTube 100 million times. McKie also dives into the personality of the man: what made him laugh, the way he hired and fired colleagues, what he was like to live with, how his relentless drive to make music led to him recording for hours without sleep, how he changed his car stereo to road-test his new hits, and even booked his guitar and album sleeves their own seats on flights. *Prince: A Sign o' the Times* is the most comprehensive book ever written about one of the most enigmatic and talented pop stars of all time.
