Essentials of Community Corrections Robert D. Hanser, 2018-01-03 *Essentials of Community Corrections* offers students a concise and practical perspective on community corrections while emphasizing successful offender reentry through strong community partnerships Author Robert D Hanser draws on his expertise with offender treatment planning special needs populations and the comparative criminal justice fields to present a complete introduction to community corrections today A variety of practical pedagogical tools offer students insights into the daily lives of those working in the field encouraging students to start thinking like practitioners Key Features What Would You Do assignments give students the chance to apply what they have learned by analyzing real world scenarios to determine the best course of action for common challenges in community

supervision Applied Theory inserts throughout the book provide a focused application of a specific theory to particular issues in community corrections Cross National Perspective boxes demonstrate common themes in community corrections around the world as well as different approaches used in other countries Applied Exercises encourage students to reflect on their understanding of each chapter's content and to demonstrate their competence in using the information techniques and processes that they have learned Food for Thought features at the end of each chapter guide students through a recent research study related to community corrections and include follow up questions to help students think critically Sharing Your Opinion questions at the end of each chapter empower students to express their own views on the issues covered in the text The free open access Student Study site features carefully selected video links access to SAGE journal articles and more

Instructors American Corrections Matt DeLisi, Peter John Conis, 2013 **Socio-Political Risk Management** Kurt J. Engemann, Cathryn F. Lavery, Jeanne M. Sheehan, 2023-04-27 Managing risk necessitates an understanding of both how to avoid detrimental outcomes and to reap beneficial results Organizations are regularly confronted with complex decisions involving risk and the impending consequences of the negative impact of its manifestation However the positive aspects of embracing risk should also be sufficiently evaluated to obtain a full assessment of opportunities Socio Political Risk Management Assessing and Managing Global Insecurity covers a range of viewpoints and issues which can be applied to various organizational agency structures These perspectives examine how social and political risk can impact an agency and what recommendations are made to adapt mitigate and strengthen the organization against political risk Accessibility to personnel and agencies via social media the internet and public exposure compounded with political and social societal shifts have led many agencies in a constant spin to assuage and sustain viability and relevance publicly Socio Political Risk Management Assessing and Managing Global Insecurity serves the readers by raising awareness and the necessity to control social and political risks in their organizations This volume explores pathways for those in differing organizational structures to find common threads pertaining to social and political risks An important goal of the work is also to develop a framework for managing and exploiting risk that can be applied at the organizational level *Federal Probation*, 1996 *The Politics of Crime Control* Professor Kevin Martin Stenson, David Cowell, 1991-10-23 What is meant by crime crime prevention and crime control Who defines the acts which are deemed as criminal Who devises the sanctions and who acts as agents of social control This timely and challenging book brings together a group of leading international criminologists from all sides of the political spectrum They first examine the formation and implementation of official crime prevention and control policies In the second part they look at a range of critical perspectives which explore the definition of crime and discuss proposals for its prevention and control **Basic Sources in Criminal Justice** Marjorie Kravitz, 1978 Basic Sources in Criminal Justice is presented as an aid to criminal justice researchers practitioners and administrators to all who seek to identify sources of criminal justice information Professionals and researchers in such diverse fields as urban planning social work and library

science will also find this compilation helpful in locating information and sources of information For agencies interested in developing criminal justice libraries or resource material this publication should have special value The citations in this bibliography have been selected from the data base of the National Criminal Justice Reference Service and are not intended to be an all inclusive source list Rather it is hoped that this selected bibliography will provide some standard reference sources which in turn may lead the reader to other sources This bibliography is organized into topical areas with two exceptions all commission reports are grouped together in one section and all reference tools are assembled in one section The latter category includes dictionaries indexes laws and sources of statistical information The topical areas include a variety of materials some of which are considered classics in their respective fields The Culture of Control David Garland, 2024-05-31 The past 30 years have seen vast changes in our attitudes toward crime More and more of us live in gated communities prison populations have skyrocketed and issues such as racial profiling community policing and zero tolerance policies dominate the headlines How is it that our response to crime and our sense of criminal justice has come to be so dramatically reconfigured David Garland charts the changes in crime and criminal justice in America and Britain over the past twenty five years showing how they have been shaped by two underlying social forces the distinctive social organization of late modernity and the neoconservative politics that came to dominate the United States and the United Kingdom in the 1980s Garland explains how the new policies of crime and punishment welfare and security and the changing class race and gender relations that underpin them are linked to the fundamental problems of governing contemporary societies as states corporations and private citizens grapple with a volatile economy and a culture that combines expanded personal freedom with relaxed social controls It is the risky unfixed character of modern life that underlies our accelerating concern with control and crime control in particular It is not just crime that has changed society has changed as well and this transformation has reshaped criminological thought public policy and the cultural meaning of crime and criminals David Garland's The Culture of Control offers a brilliant guide to this process and its still reverberating consequences

Probation And Parole Crime Control In The Community: Bestsellers in 2023 The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the fascinating narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Probation And Parole Crime Control In The Community : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
