G-Man (Pulitzer Prize Winner) Beverly Gage, 2022-11-22 Winner of the 2023 Pulitzer Prize in Biography Winner of the 2022 National Book Critics Circle Award in Biography the 2023 Bancroft Prize in American History and Diplomacy and the 43rd LA Times Book Prize in Biography Finalist for the 2023 PEN Jacqueline Bograd Weld Award for Biography Named a Best Book of 2022 by The Atlantic The Washington Post and Smithsonian Magazine and a New York Times Top 100 Notable Books of 2022 Masterful This book is an enduring formidable accomplishment a monument to the power of biography that now becomes the definitive work The Washington Post A nuanced portrait in a league with the best of Ron Chernow and David McCullough The Wall Street Journal A major new biography of J Edgar Hoover that draws from never before seen sources to create a groundbreaking portrait of a colossus who dominated half a century of American history and planted the seeds for much of today's conservative political landscape We remember him as a bulldog squat frame bulging wide set eyes fearsome jowls but in 1924 when he became director of the FBI he had been the trim dazzling wunderkind of the administrative state buzzing with energy and big ideas for reform He transformed a failing law enforcement backwater riddled with scandal into a modern machine He believed in the power of the federal government to do great things for the nation and its citizens He also believed that certain people many of them communists or racial minorities or both did not deserve to be included in that American project Hoover rose to power and then stayed there decade after decade using the tools of state to create a personal fiefdom unrivaled in U S history Beverly Gage's monumental work explores the full sweep of Hoover's life and career from his birth in 1895 to a modest Washington civil service family through his death in 1972 In her nuanced and definitive portrait Gage shows how Hoover was more than a one dimensional tyrant and schemer who strong armed the rest of the country into submission As FBI director from 1924 through his death in 1972 he was a confidant counselor and adversary to eight U S presidents four Republicans and four Democrats Franklin Roosevelt and Lyndon Johnson did the most to empower him yet his closest friend among the eight was fellow anticommunist warrior Richard Nixon Hoover was not above blackmail and intimidation but he also embodied conservative values ranging from anticommunism to white supremacy to a crusading and politicized interpretation of Christianity This garnered him the admiration of millions of Americans He stayed in office for so long because many people from the highest reaches of government down to the grassroots wanted him there and supported what he was doing thus creating the template that the political right has followed to transform its party G Man places Hoover back where he once stood in American political history not at the fringes but at the center and uses his story to explain the trajectories of governance policing race ideology political culture and federal power as they evolved over the course of the 20th century "Don't Shoot, G-Men!" Michael Newton, 2021-09-27 Between 1933 and 1939 the FBI pursued an aggressive highly publicized nationwide campaign against a succession of Depression era public enemies including John Dillinger George Baby Face Nelson Charles Arthur Pretty Boy Floyd George

Machine Gun Kelly, Alvin Karpis, Bonnie Parker and Clyde Barrow and the Ma Barker Gang. Bureau Director J. Edgar Hoover's successes in this crusade made him the hero of law and order in the public mind. This historical analysis reveals the agency's often illegal tactics including torture, frame ups and summary executions later expanded throughout Hoover's 48 year reign in Washington D.C. and exposed only after his death some say murder in 1972. *Public Enemies* John Walsh, Philip Lerman, 2010-06-15. The host of America's Most Wanted, John Walsh, has formed a vital partnership with the public, the media and law enforcement that has led to the capture of hundreds of the worst serial killers, kidnappers, pedophiles and rapists of our time. In *Public Enemies* he reveals the cost, the blood, sweat and tears behind the relentless pursuit of hard justice in such infamous cases as Kyle Bell, a lifelong sexual predator whose madness culminated in the slaying of an eleven year old North Dakota girl. Bell was one of the only fugitives AMW had to capture twice and his case stirred more outrage than any other broadcast in AMW's history. Kathleen Soliah, This accused Symbionese Liberation Army terrorist disappeared in 1969 only to resurface twenty five years later as suburban housewife and soccer mom Sara Jane Olson. Her arrest following AMW's profile of Soliah and her former SLA partner James Kilgore incited a stunning controversy. Rafael Resendez Ramirez aka The Railroad Killer, A sociopathic drifter he rode the Texas rails stopping only to rape and kill. His case was first brought to the public eye by AMW and it was a secret call to the program's hot line that ultimately led to his surrender. In those and other gripping true crime profiles John Walsh exposes the behind the scenes drama of the groundbreaking show and what actually unfolds between the crimes and the captures, the vital leads from strangers, the dangerous manhunts, the developments cut from the AMW broadcasts and the dogged investigations by authorities. He divulges stunning lapses in the judicial process that release monsters to the streets time and again. He takes readers inside the hearts and souls of the grieving families and gives eyewitness accounts of the dramatic final moments when fugitives are finally taken down. An outspoken and unstoppable crusader John Walsh ignites *Public Enemies* with righteous anger and gut level emotion. But his heartfelt motto echoes throughout: I truly believe with all my heart and soul that together we can make a difference. It's a conviction Walsh offers as inspiration to the innocents affected by crime and to all who feel powerless in the face of unfathomable evil.

Gangster Hunters John Oller, 2024-11-26. The enthralling can't put down account of the birth of the modern FBI. J. Edgar Hoover was the face of the FBI. But the federal agents in the field relentlessly chasing the most notorious gangsters of the 1930s with their own lives on the line truly transformed the Bureau. In 1932 the FBI lacked jurisdiction over murder cases, bank robberies and kidnappings. Relegated to the sidelines, agents spent their days at their desks. But all of that changed during the War on Crime. Hunting down infamous public enemies in tense, frequently blood-soaked shootouts, the Bureau was thrust onto the front pages for the first time. Young agents fresh out of law school and anticipating a quiet white collar job faced off with murderous felons who were heavily armed, clad in bulletproof vests and owned cars that outraced the best vehicles the Bureau had. But the federal men were fiercely devoted to the Bureau, to each other and to bringing America's

most wanted criminals to justice The G men crisscrossed the United States in pursuit of John Dillinger Bonnie and Clyde Ma Barker s criminal family Baby Face Nelson and Pretty Boy Floyd But the green FBI agents were always one step behind and a moment too late the criminals evading elaborate stakeouts and dramatic ambushes Facing mounting criticism with bodies left in their wake the agents had to learn to adapt After all more than their reputations were at stake Through incredible primary source research John Oller transports readers right to the most harrowing and consequential raids of the 1930s with fast paced action that shows the lengths both sides would go to win Public Enemies James Mottram,1998 James Mottram traces the history of the gangster film genre providing background information on key actors directors and crew whilst discussing and examining a range of films from the 1930s through to films like Pulp Fiction and Goodfellas **Encyclopedia of Law Enforcement** Larry E Sullivan,2005 Vols 1 and 2 cover U S law enforcement Vol 3 contains articles on individual foreign nations together with topical articles on international law enforcement The Cumulative Book Index ,1980 A world list of books in the English language *Warren G. Drama, Oratory and Thucydides in Fifth-Century Athens Sophie Mills,2020-03-09 This study centres on the rhetoric of the Athenian empire Thucydides account of the Peloponnesian War and the notable discrepancies between his assessment of Athens and that found in tragedy funeral orations and public art Mills explores the contradiction between Athenian actions and their self representation arguing that Thucydides highly critical cynical approach to the Athenian empire does not reflect how the average Athenian saw his city s power The popular education of the Athenians as presented to them in funeral speeches drama and public art told a very different story from that presented by Thucydides history and it was far more palatable to ordinary Athenians since it offered them a highly flattering portrayal of their city and by extension each individual who made up that city *Drama Oratory and Thucydides in Fifth Century Athens Teaching Imperial Lessons* offers a fascinating insight into Athenian self representation and will be of interest to anyone working on classical Athens the Greek polis and classical historiography **Books in Print Supplement** ,2002 *Icons of Crime Fighting* Jeff
