The Biblical Doctrine of Separation Martin Waldenvik, This book deals with the doctrine of separation that we in the whole of Scripture can read about And since it is Scripture that commands us to separate and since we today have such disdain toward Scripture it deals very much with Scripture itself Scripture does self attestate itself it self authenticate itself and through its history it has been seen as God s perfect Word inerrant and infallible All of this is today attacked by the world but also by Christendom Nothing is more important than our view of Scripture and few things are more important in the life of the Christian than to separate himself from the world and unto the Lord This is an important book for every Christian it deals with Scripture and obedience So many today in Christendom say that Scripture contains words from both God and man this lie is one of the most pernicious that exists within Christendom and this is repudiated in this book It calls for the Christian to separate himself from the world from error from false Christians and to separate himself unto the Lord to be obedient to what God has revealed in Scripture which is God s perfect Word given to man

Application Commentary of the Gospel of Matthew John M. Strohman, J.D.,2014-12-16 The Application Commentary of the Gospel of Matthew is a verse by verse examination of the

Gospel of Matthew and should be seriously considered for application in personal family devotions group Bible studies and Sunday school classes It is designed to build up and equip the Christian new believer or lifelong in understanding and living out God's Word Each section concludes with a portion called Summary and Application which discusses how to apply the scripture studied to daily life James summed up this concept when he wrote But prove yourselves doers of the word and not merely hearers who delude themselves James 1:22 World Religions and Cults Volume 1 Bodie Hodge, Roger

Patterson, 2015-08-13 Religions in today's culture seem to be multiplying Have you ever wondered why certain religions believe and practice what they do Or how they view the Bible This volume delves into these and other engaging questions such as How can a Christian witness to people in these religions Do these other religions believe in creation and a Creator How do we deal with these religions from a biblical authority perspective Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way And there is a common factor every time man's fallible opinions In one way or another the Bible gets demoted reinterpreted or completely ignored Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted This book is a must for laymen church leaders teachers and students to understand the trends in our culture and around the world where certain religions dominate helping you discern truth and guard your faith When you understand a religion's origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions

Education Is Discipleship: So Who's Really Discipling Your Kids? Dr. Christy Anderson, 2016-06-05 This book demonstrates how and why biblical discipleship has been abandoned by a significant majority of Christian parents and church leaders A catastrophic failure to fulfill the Great Commission to make disciples who can effectively pass on the Good News sound doctrine and a biblical worldview to future generations is the result The adoption of secular philosophies of education age segregation the creation of adolescence the formation of youth ministry the adoption of a teen subculture and a fundamental rejection of practical aspects of the doctrine of sola Scriptura are at the heart of the problem Warnings from Christians who wrote on this topic over the past 150 years have now become a manifest reality with devastating results The only way to overcome this discipleship cataclysm is to go back to a biblical philosophy of education both in the home and in the church **Think Biblically (2nd edition)** John MacArthur, Abner Chou, 2025-03-24 23 Essays Demonstrate How God's Voice Guides Every Area of Life from Science and Economics to Marriage and the Arts What we think shapes who we are That's why the Bible tells us Do not be conformed to this world but be transformed by the renewal of your mind Romans 12:2a In a time of differing voices competing for our allegiance we must learn to think biblically so we can distinguish good from evil In this collection of essays John MacArthur and other teachers from the Master's College confront the false worldviews that dominate our postmodern world The authors provide models for cultivating a biblical mindset on worship psychology gender science education history government economics and literature This second edition includes new chapters on

The Forsaken God Martin Waldenvik,2022-12-11 The prophet Jeremiah lived in perilous and strange times just like we do He was elected and sanctified and appointed prophet by God unto the nations foremost to Judah but also to the neighboring nations Jeremiah lived in times of great apostasy just like we do Judah had forsaken the LORD the covenant the Law and God sent Jeremiah to tell the people that if they did not return to the LORD the covenant and the Law that God would have to forsake them and to punish them by Nebuchadnezzar the Chaldean king They would have to return to the LORD and to stop shedding innocent blood stop with their adultery stop with their idolatry For thus saith the LORD to the men of Judah and Jerusalem Break up your fallow ground and sow not among thorns Circumcise yourselves to the LORD and take away the foreskins of your heart ye men of Judah and inhabitants of Jerusalem lest my fury come forth like fire and burn that none can quench it because of the evil of your doings Jer 4 3 4 Judah did not hearken to the LORD they did not return to the LORD they did not stop with the shedding of innocent blood they did not stop with their idolatry they did not stop with their adultery so the LORD punishes them as promised by carrying them away to Babylon for seventy years When reading the book of Jeremiah it is very clear that his message is very timeless one could believe that Jeremiah could stand here in contemporary Christianity in the end of 2022 and preach the same message it would fit right in We have forsaken the LORD and we have forsaken his Word This is our greatest sin and if we do not repent and return to the LORD and his Word the same fate will befall us At least in Sweden has contemporary Christianity shown its contempt for God s Word and a great apostasy is lingering showing its face everywhere God s Word is denied the order of creation is denied no clear teaching is at all on the horizon And they laugh to scorn any message of doom and judgment I have therefore written this book hoping to wake up a disobedient Christianity

The Fake Commission - 2017 Update John M. Strohmman, J.D.,2014-12-16 THE FAKE COMMISSION is a serious examination of the Great Commission We live in a day where felt needs are elevated over Biblical theology among many Christians ministries and churches The purpose of this book is to challenge and encourage the serious Christian and the church Without a correct focus on evangelism and missions one risks a life of self deception regarding what real Christian service is This book does no belabor imprecise terms like balance or moderation when discussing evangelism and good works it seeks to be Biblical When our lives are done it is the truly Spirit led obedient believer who will hear Well done good and faithful slave You were faithful with a few things I will put you in charge of many things enter into the joy of your master Matthew 25 21
