 Word** Erasmo Leiva-Merikakis, 2013-01-25 To the unstudied eye St Matthew s gospel can seem a terse narrative almost a
 historical document and not the tremendously spiritual and doctrinal storehouse that it is In his third volume of meditations
 on Matthew chapters 19-25 Erasmo Leiva continues to show Matthew s prose to be not terse so much as economical
 astoundingly so given its depth The lay reader can derive great profit from reading this Each short meditation comments on a
 verse or two pointing to some facet of the text not immediately apparent but rich with meaning Leiva s work is scholarly but
 eminently approachable by the lay reader The tone is very much of taste and see how good the Lord is and an invitation of
 friend come up higher The goal of the book is to help the reader experience the heat of the divine heart and the light of the
 divine Word Leiva comments on the Greek text demonstrating nuances in the text that defy translation He uses numerous

 edition of this work *Marranismo e inscripci n o el abandono de la conciencia desdichada* are the basis for *Against Abstraction*
 supplemented with an interview conducted for the Chilean journal *Papel m quina* In these landmark conversations Moreiras

describes how though he was initially committed to Latin American literary studies he eventually transitioned to become an eminent scholar of critical theory existential philosophy and ultimately infrapolitics and posthegemony Blending intellectual autobiography with a survey of Hispanism as practiced in universities in the United States including the schisms in Latin American subaltern studies that eventually led to Moreiras's departure from Duke University these narratives read like a picaresque and a polemic on the symbolic power of scholars Drawing on the concept of marranism originally a term for Iberian Jews and Muslims forced to convert to Christianity during the Middle Ages to consider the situations and allegiances he has navigated over the years Moreiras has produced a multifaceted self portrait that will surely spark further discourse
