**St. John Lucas**

## **Reckless Rapture:**

The Rapture: From the Ground Up Richard L. Guthrie, 2014-04 The Pre Tribulational Rapture theory of the end times is the most prevalent and well known end time scenario of the Bible It is well entrenched and established in most fundamental churches The Pre Tribulational Rapture has been popularized by the Left Behind book and movie series However consider the following What if the blessed hope was not a promise of the Rapture What if the wrath the Church was not appointed to had nothing to do with the Tribulation What if the Rapture is not and cannot be an imminent event What if the Antichrist will not and cannot rule over the entire world What if the Church is not missing during any portion of the book of Revelation What if the falling away in 2 Thessalonians 2:3 is only a reference to the end time apostasy of the Church predicted by Jesus What if only unbelievers enter into the Millennial Kingdom What if Enoch is no more a representation of a Pre Tribulational Rapture than Elijah is a representation of a Post Tribulational Rapture What if the time at which both the Rapture and the Second Coming will occur is unknown What if Jesus Paul and Daniel presented the exact same end time scenario What if a literal interpretation of Scripture reveals a Post Tribulational Rapture In a detailed and thorough analysis of Scripture The Rapture From the Ground Up explores these and many more questions related to the end time events surrounding the Rapture in a step by step approach This eschatological study is unsurpassed in detail for the knowledgeable Bible student and yet remains basic simple and straightforward for the novice Using a literal interpretation of Scripture the Post Tribulational Rapture is the undeniable result of such a diligent and literal study of God's Word

**Emma Lazarus: Selected Poems** Emma Lazarus, 2005-04-07 The first important American Jewish poet Emma Lazarus is remembered above all for her classic sonnet The New Colossus whose phrases Give me your tired your poor have become part of the American language In this new selection of Lazarus's work John Hollander demonstrates that in her relatively brief life she achieved real poetic mastery in a variety of modes In early poems like Phantasies and Symphonic Studies she explored fluently imagined inner landscapes

suggested by the music of Schumann Later her deepening interest in Jewish history and culture was expressed in such powerful poems as 1492 The New Ezekiel and The Guardian of the Red Disk Influenced both by American models among them her poetic mentor Emerson and by the poets whose work she translated including Heinrich Heine and the medieval Hebrew poets Solomon Ibn Gabirol and Judah ha Levi she forged a poetic style of high technical accomplishment and moral passion Long neglected her work is revealed in this volume as an important contribution to American poetry About the American Poets Project Elegantly designed in compact editions printed on acid free paper and textually authoritative the American Poets Project makes available the full range of the American poetic accomplishment selected and introduced by today s most discerning poets and critics A homiletical commentary on the Book of Esther rev.
