Reckless Heart:

Reckless Heart Brighton Walsh, 2023-09-08 Turns out the gorgeous stranger I had a one night stand with is not only my sister's best friend but also my new employee Worse I shared a whole lot more with Avery than one mind blowing night I told her my deepest darkest secret Despite my constant worry that she'll let the truth slip to my family I can't stay away from her And when we're tossed together for an out of town trip and forced to share a room with only one bed the chemistry between us finally explodes again I have no problem making her see stars or breaking the bed The trouble is the longer our secret relationship goes on the more I want to keep her But she's eight years my junior the sunshine to my grump and I know her free spirit wants more than the small town of Starlight Cove can offer I have no doubt no one will ever give her more pleasure than I will but I refuse to hold her back Even if that means letting her go when her three month contract is up

Friendship in the Middle Ages and Early Modern Age Albrecht Classen,Marilyn Sandidge,2011-03-29 Although it seems that erotic love generally was the prevailing topic in the medieval world and the Early Modern Age parallel to this the Ciceronian ideal of friendship also dominated the public discourse as this collection of essays demonstrates Following an extensive introduction the individual contributions explore the functions and the character of friendship from Late Antiquity Augustine to the 17th century They show the spectrum of variety in which this topic appeared not only in literature but also
