**Invisible Eden** Maria Flook,2004-06-01 A literary investigation by one of the most powerful American writers at work today Annie Proulx of a story that riveted the nation how an accomplished world traveled fashion writer who had retreated to a simpler life as a single mother on Cape Cod became the victim of a brutal still unsolved murder On the surface Christa Worthington s life had the appearance of privilege and comfort She was the granddaughter of prominent New Yorkers Her sparkling journalism earned the fashion world s respect But she had turned her back on a glamorous career and begun living in the remote Cape Cod town where she had summered as a child When she was found murdered in Truro Massachusetts just after New Year s Day in 2002 her toddler daughter clinging to her side her violent death brought to the surface the many unspoken mysteries of her life Invisible Eden is the deeply felt story of a career woman s attempt to start over and reinvent her life away from the fashion circles of New York and Paris only to have an out of wedlock child with a local fisherman forge a life as a single mother and meet a violent end Brilliantly portraying Christa s hunger for belonging and her struggle for survival as a first time mother Flook searingly evokes her search for a safe haven her many tumultuous relationships and the evidence linking family strangers lovers suspects and innocents to the tragedy that both shocked a seaside town on Cape Cod and horrified the nation Flook intricately maps Christa s charged life before her death and follows the first year of the murder investigation with the help of the district attorney who is in an election battle even as he searches for the killer At the same time Invisible Eden captures the Cape s haunted landscape class stratifications and never ending battles between its weathy summer residents and its hardscrabble working families who together form a backdrop for a powerful chronicle of love and murder An edgy and compelling portrait of a woman s tragic journey Invisible Eden is a mesmerizing true story

**Sea Room** Maria Flook,2012-01-01 Sea Room is a navigational term meaning adequate space at sea in which to maneuver a ship The term seems an incongruity that something so open and deep should require such precise and careful charting In these most specific and powerful poems the poet maps areas of obsessive love phobic illness godlessness the prism of sexuality and romantic instinct in which all things are reflected distorted There s a playful terror in Maria Flook s poems Her animated word is full of signs and signals she always finds the telling analogue or makes the figure which reveals illuminated everyday perceptions Dreams have cruel motives Sleep worries both the decent and the wicked who keep odd hours so I walked out The poems search for reprieve or a calm in wronged lives Any accusations are fully explored recalled in forgiveness or apology for relationships long over

**Contemporary American Poetry** Lloyd M. Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983

**A Queen of Thieves and Chaos** K.A. Tucker,2023-09-05 You betrayed your brother to steal a broken crown The kingdom stands on the brink of chaos Atticus grip on the realm is faltering and as threats arise ever closer to home he is driven to increasingly desperate acts to hold onto power With Islor s fate now in the balance Zander stands to defend the Rift from the oncoming Ybarisan

army With the king's forces scattered he must risk unlikely new alliances And behind the walls of Ulysede secrets wait for its new queen Romeria knows that the paths of the hidden city will lead her to answers But will they be enough to save the realm or is their fate already sealed

**Lux** Maria Flook,2024-09-24 A searing poignant darkly comic novel set on Cape Cod by the author of the bestselling true crime story *Invisible Eden* Young Alden Warren's husband has vanished without a trace Her daily routine working for the National Park Service at the Cape Cod National Seashore volunteering to take care of a cantankerous old activist she met through Meals on Wheels monitoring bird migration counts and applying for a foster baby provides many distractions and obstacles but she's got bigger troubles as Miss Bride Interrupted Alden is avidly courted but holds out emotionally until Lux Davis a handsome landscape worker and her husband's undetected killer tracks her down Lux is smitten with Alden but his immediate problem unknown to her is how to dispose of the body Lux and Alden bond strongly in the face of their mutual demons past and current creating a charged and magical love story In the meantime his secret is on the verge of being discovered as the law closes in behind him Maria Flook finds valiant people within the working class population of an off season resort community Although unsteady and disenfranchised her characters emerge intact buoyed by their love for one another and for the natural world and portrayed by Flook with her signature mixture of high poetic seriousness and a ribald picaresque sensibility *The New Yorker*

**Don't Say a Word!** Elizabeth Roper Marcus,2025-07-30 Edna and Leo a perpetually warring tyrannical pair in their 80s begin wintering in Mexico where they abandon their usual prudence to embrace adventure and a bevy of sketchy new friends Soon Edna adopts a pair of shyster builders whom she trusts over her own architect daughter Elizabeth and a farcical house results Blithely indifferent to the calamities that result the pair refuse all help from their too compliant only child Later following her mother's sudden death Elizabeth's wise principled father attempts to fill his late wife's shoes with a string of loopy live in housekeepers with privileges he hopes Before it is over the Mexican escapade will bring down the kind of disasters commonly found in pulp fiction Why can't Elizabeth stop any of this from happening No matter the madness she cannot confront her parents any more than she ever could In the end the surprising way in which they come undone reveals just what they spent their lives trying to hide thereby setting her free Though unique in its loony details *Don't Say A Word* will resonate with beleaguered adult children everywhere who will recognize the special misery of watching helpless as stubborn diminished parents careen precariously toward the end of life
