Society's Reckoning: The Odyssey Through Criminal Justice Pasquale De Marco,2025-04-23 In Society s Reckoning The Odyssey Through Criminal Justice we embark on a profound journey into the heart of America s criminal justice system unveiling its imperfections paradoxes and the relentless pursuit of justice This thought provoking book confronts the deep rooted issues that plague our correctional landscape shedding light on the racial and socioeconomic disparities that perpetuate mass incarceration and shatter countless lives Through the eyes of individuals caught in the system s web we witness the human toll exacted by a flawed and often inhumane approach to justice Yet amidst the bleakness Society s Reckoning offers glimmers of hope showcasing stories of resilience redemption and the transformative power of second chances We explore the complexities of policing the challenges of the courtroom and the harsh realities of prison life seeking to understand the system s shortcomings and the urgent need for reform Furthermore we delve into the intricate relationship between mental health and criminal justice uncovering the systemic failures that leave countless individuals without adequate care and support The book also examines the troubling paradox of recidivism exploring the obstacles faced by ex offenders as they strive to rebuild their lives and break the cycle of incarceration Society s Reckoning is more than just an expos of the criminal justice system s flaws it is a clarion call for transformative change It envisions a future where rehabilitation takes precedence over punishment where restorative practices and community engagement are valued and where systemic barriers are dismantled This book is an invitation to engage in critical dialogue to challenge the status quo and to work collectively towards a society where justice prevails for all Society s Reckoning is a powerful narrative that provokes introspection inspires empathy and ignites a passion for building a more just and equitable world If you like this book write a review on google books

THE RECKONING: THE REVENGE OF THE NARCISSIST Brian Phokeerdoss ,2024-04-01 In the quiet corners of our lives where shadows merge with secrets lies fester like wounds left unattended It is here that I found myself entangled an unwitting protagonist in a twisted narrative that defied reason and sanity This book THE RECKONING THE REVENGE OF THE NARCISSIST is my confession my redemption and my warning to

those who dare to peer into the abyss of love gone toxic My two previous books chronicled my tumultuous journey alongside a covert female narcissist In those pages I bared my soul dissecting the intricacies of manipulation gaslighting and emotional erosion I believed that by sharing my experiences I could shield others from similar torment But little did I know that my words would ignite a firestorm *he Reckoning: The Consequences of the 2024 U.S. Presidential Election* Tracy Ambrosio ,
As the sun set over the nation s capital on a brisk autumn evening in 2023 an uneasy silence had settled over the political landscape The air was thick with a palpable sense of tension a calm before the storm that would soon upend the very foundations of American democracy *A Mother's Reckoning: The Unthinkable Loss and the Search for Justice* Pasquale De Marco,2025-08-10 In the depths of despair a mother s journey to confront the unthinkable loss of her children and seek justice for their stolen lives On a night that shattered lives five innocent children were taken from their loving family in an act of unspeakable violence As parents their hearts were shattered into a million pieces their lives forever changed by unimaginable pain In the aftermath of such a tragedy they knew they had to find a way to seek justice for their beloved children They would not let their lives be taken in vain They would fight for them no matter how difficult or painful it might be Their journey has been one of unimaginable heartache They have had to relive the horror of that night countless times both in their minds and in the courtroom They have faced the unimaginable pain of seeing the people who took their children s lives go free But through it all they have never given up hope They have continued to fight for justice and they have found strength in the love and support of their family and friends They know that their children would never have wanted them to give up So they continue to fight in their memory and for all the other innocent victims of violence They will never forget their children and they will never stop seeking justice for them This book is a powerful and deeply personal account of a mother s journey through unimaginable grief and loss It is a story of pain resilience and the enduring power of love It is a must read for anyone who has ever experienced loss or who wants to understand the strength of the human spirit If you like this book write a review *Unbattled Fears: Reckoning the National Security* Sumit Walia,2021-02-16 Strategic thinking has not been part of our national discourse Till the end of 20th century there were a very few public or private think tanks discussing the challenges our nation faced There was no private news channel till 1999 and when they started they went about doing their news business Lack of strategic thinking was apparent during 1962 war with China when we had clear indications of heinous moves and design of China The Indian Army had submitted reports highlighting the Chinese threat but it all fell on deaf ears The Prime Minister of the time thumped the table and said It is not the job of Commander in Chief to tell the Government who will attack India China will never attack us rather China would come to our rescue if needed You should concentrate on Pakistan Rest is history Successive governments did not learn the lesson Strategic and National Security matters were still prerogative of government institutions Till 2000 there were a few government funded or private think tanks United Service Institution of India Indian Direct Selling Association Indian Defence Review etc working on this
