**Reclaiming the Land** Rusty Kuhn, 2013-11 It doesn't take the most spiritually discerning person among us to see that we stand in desperate need of revival within our land We see churches in drastic decline leading to moral decay and opening wide the door for the devourer to enter in and destroy our families and community The sole purpose of this book is to see the Church of the Lord Jesus Christ rise to its full potential call by seeking the face of God and see this land reclaimed in the name and for the glory of Jesus Christ In Reclaiming the Land Pastor Rusty Kuhn has clearly outlined God's formula for revival that God has given in II Chronicles 7:14 Reclaiming the Land unfolds the biblical principle that if you plan and promote your agenda bestowing glory and honor upon yourself rather than Jesus the hand of God's blessings will not fall However as demonstrated in this book through the principles of God's Word if we choose to pursue God's way for His glory His promise will be kept Then I will hear from heaven will forgive their sin and will heal their land In Reclaiming the Land you will discover the prayer that God heard the signs of the need of revival the knowledge that we are saved with a holy calling the need of humility for His honor the power of prayer the blessings of seeking His face the need of honoring his presence and the end result of doing things God's way

**Domesticated Glory** Gale Heide, 2010-09-01 Domesticated Glory critically examines the marriage between Evangelicalism and American politics The study begins by engaging popular political pundits who wish to transform Christianity into an arm of the state It then moves to examine some of the theological foundations proposed as support for the church's propping up of American political ideology Finally the study provides a more robust politics of the church by outlining how the church might act as a politics in itself Thus the church may gain a political voice as church in such a way as to make the world know it stands in need of

redemption This is a far cry from the liberal attempt of the Social Gospel and many modern evangelicals to transform the world into a pseudo church by cultural or social control Unlike attempts to engage culture on its own terms in the political arena or to escape politics by avoiding any public testimony to the Gospel this study lays out a way for the church to act as church in the public square witnessing to a Gospel concerned primarily about the universe s King and His future Kingdom
