Fernandez, 2017-05-05 When religious diversity is our reality radical hospitality to people of other faiths is not a luxury but a necessity More than necessary for our survival radical hospitality to religious diversity is necessary if we are to thrive as a global society By no means does the practice of hospitality in a multifaith world require that we be oblivious of our differences On the contrary it demands a respectful embrace of our differences because that s who we are Neither does radical hospitality require that we water down our commitment because faithfulness and openness are not contradictory. We must be able to say with burning passion that we are open to the claims of other faiths because we are faithful to our religious heritage The essays in this book do not offer simply theological exhortations they offer specific ways of how we can become religiously competent citizens in a multifaith world Let's take the bold steps of radical openness with this book on our side Reclaiming the Spiritual in Art Dawn Perlmutter, Debra Koppman, 2016-02-24 From Walt Disney

suggests some of its influence in history and then explores aspects of the text's meaning for readers today Key themes include What is the meaning of life How can human beings find truth How can they discover who they really are How can they live together in peace How can they live more fully in God's presence in this world and be united with God in the world to come The scholars who have written these chapters are all experts on their respective topics but they wear their learning lightly Anyone wishing to discover the riches of Christian spirituality will find this the ideal introduction and should be able to progress to a deeper understanding of the texts themselves Body Parts Michelle Voss Roberts, 2017-12-01 Christians have traditionally claimed that humans are created in the image of God imago Dei but they have consistently defined that image in ways that exclude people from full humanity The most well known definition locates the image in the rational soul which is constructed in such a way that women children and many persons with disabilities are found deficient Body Parts claims the importance of embodiment difference and limitation not only as descriptions of the human condition but also as part of the Journey to Jerusalem Mark A. Whitehead, Evelyn Eaton Whitehead, 2009 Eros is the passionate energy that makes us one with the beautiful other with a leper with the world of nature waiting to be embraced and cared for with our neighbor the stranger with God The Whiteheads explore this vital energy of love as the gift of a Creator madly in love with his creation a God who would bring us to life in abundance if we only say Yes They discuss Eros in the movements of our sexuality as well as in our arousals of compassion and care They examine the Eros of pleasure and of generosity They honor the Eros of hope of anger of suffering They reveal that Eros has a Source far deeper than lust and is a pathway to a passionate God Holy Eros recovers this fundamental energy of love as a powerful resource in the revitalization of Christian spirituality Unlike most books on the topic it eschews easy clichs Its reader benefit is to understand and appreciate an energy that can heal as well as hinder and to tap into its positive force

Thompson, 2019-10-29 Nothing that God created is the source of our human God temptation To the contrary The human body is the crown of God's creation consummated by his declaration that it was good That God's people are unable to view the body without sinning is not an indictment of the body itself but of the immaturity of the post modern evangelical mind We live in a culture whose inhabitants spend billions of dollars a year to see each other naked on internet sites and in pornographic films yet are often uncomfortable changing in front of each other in locker rooms or even being seen in a swimsuit on the beach Could it be that we have so profoundly fused the image of the exposed body with sexual gratification that there is no context left for it to be laid bare without evoking either shame or arousal In That Famous Fig Leaf Chad Thompson explores the spiritual implications of the physical body and surprisingly uncovers a new kind of freedom from sexual addiction along the way Chad critiques the Christian purity movement for conflating purity with prudery and reveals that changing how we esteem our bodies has the power to heal the hypersexualized body consciousness of our culture Katharine Drexel Cheryl C. honors for creating in Midsummer's Night Dream the highest standards of music poetry suggests how Scribe and Meyerbeer s Robert the Devil paints a mental image of art s eternal flames where poet and musician share equal space in the development of music tragedy reveals how the poetic deficiencies in the libretto to Schubert's Alfonso and Estrella are too easily overlooked because of the music s melodic and lyrical supremacy and offers in contrast Auber s Mute from Portici a remarkable text by many historically picturesque musical motives that are universal and nationalistic at the same time Finally Liszt offers an early gender study in music in his essay about Bellini s Montague and Capulet as well as its impact on nineteenth century audiences a look at Boieldieu s White Lady as a sublime depiction of literary music and Donizetti s Favorite as colored with a special type of imagery a laterna magica in Liszt's hand The beloved soprano Pauline Viardot Garcia receives special attention in an essay devoted entirely to her and Liszt proffers a critique of entr acte music as a pointless tradition that dethrones music and insults the artist and composer by making music a palate cleanser This volume includes a detailed discussion about what it meant to be patronized by Liszt and how his support financial literary and musical helped shape many a music career It also offers commentary on how gender in opera was sometimes obscured not only for dramatic interest but also as part of the process of outlining a nation s identity as well as a thorough study of Liszt s concepts of Gestalt theory the Archetype and his musical Weltanschauung his musical world view all revealing his contribution to 19th century music philosophy as it relates to opera Finally a historical review of entr acte music is presented how it began and how it developed to clarify Liszt's stance against it making this volume a necessary read for music historians serious musicians and music connoisseurs alike **Everyday Divine** Mary DeTurris Poust, 2014-05-14 Many people today are looking for opportunities to bring the spiritual into their everyday lives in non traditional ways Their days are so busy they can t imagine how they can fit in time to kneel or sit in prayer on a regular basis As a result they fly from one activity to the next at breakneck speed always looking forward to some nonexistent time in the future when things will slow down long enough to allow them to breathe center themselves and pray Everyday Divine A Catholic Guide to Active Spirituality helps busy readers explore different ways to achieve a place of stillness and peace while remaining very much in the world In fact the day to day activities of life become the pathway to prayer even the prayer itself Drawing on Catholic tradition from the Desert Fathers and Mothers to ancient monastics to modern day saints and sages Everyday Divine looks at how we can adapt these ancient practices for modern times quoting holy men and women on various methods and offering practical instructions and suggestions to help people put them into practice Readers learn how to find spiritual peace while immersed in everyday activities such as Housework and chores Workouts and exercise Cooking eating and fasting Listening to music Traveling and making pilgrimages Living among the noise of daily life The book also includes personal stories from the author and others and will weave in practices from specific spiritualities such as Franciscan Benedictine and Trappist to show how these practices fit into the bigger Catholic picture **Reclaiming Spirit in the Black Faith Tradition** D.
