*The Power of Choice* Mira Skylark,AI,2025-02-28 The Power of Choice explores the pivotal role of personal

agency and conscious decisions in addiction recovery offering a beacon of hope beyond mere abstinence. It argues that understanding the psychology of addiction including co-occurring disorders and the neurobiology involved is crucial. The book uniquely emphasizes free will as a cornerstone of lasting sobriety, challenging deterministic views and empowering readers to reclaim control. Did you know that personal choices when consistently reinforced can override genetic predispositions and environmental factors? This perspective reframes addiction, highlighting the individual's capacity for change and resilience. This self-help guide presents information through a structured transformative journey. Beginning with foundational concepts in addiction science and decision-making psychology, it progresses to actionable strategies for self-awareness, coping mechanisms, and supportive social networks. The book culminates in practical guidance on relapse prevention and long-term goal setting. By integrating mindfulness, cognitive-behavioral strategies, and motivational interviewing, The Power of Choice provides a unified framework for fostering personal choice and a purpose-driven life.

Recovering from Workplace PTSD (Third Edition) Kevin William Grant, 2021-01-29. Stress, anxiety, depression, trauma, bullying, and burnout have all become accepted realities of the modern workplace. This book will unpack contemporary workplace realities, educate you about PTSD, and help you build your personalized recovery plan for transformation and recovery. This recovery program has seven core purposes: Validate your current situation. This recovery program begins by validating your experiences and breaking through any denial you may be experiencing by examining all the ways you could be traumatized at work. Identify your realities. Once you understand how you've been traumatized, you'll learn about how PTSD develops and how to break through the defenses that protect you from the painful experiences you're facing. Understand workplace PTSD. Armed with a deeper understanding of what PTSD is, how it develops, and how you react to trauma, you will be able to identify the support you'll need to heal and recover. Build your recovery team and develop your action plan. Useful tools and techniques will help you connect with and build your team of support professionals and advocates. Once you begin working with your team, you'll start the recovery process by acquiring a set of skills and techniques to help you weather the storm and begin healing. Grieve, mourn, and let go. Recovery will take you on a journey of grieving, mourning, and letting go, which will transport you to a new sense of calm and acceptance. I'll break down this journey into the stages you'll travel through to get to the other side. Come to terms with and recover from the impact of the COVID-19 Pandemic. The COVID-19 global Pandemic has left a lasting impact on all our lives. I will review the Pandemic's mental health, physical health, and social implications with tools and techniques that will help you manage the trauma and stress the Pandemic brings.
