Recollections of Anaïs Nin Benjamin Franklin, 1996 Recollections of Ana s Nin presents Nin through the eyes of twenty six people who knew her She is the unconventional distant aunt the thoughtful friend the owner of a strangely disarming voice the author eager for attention yet hypersensitive to criticism the generous advisor to a literary magazine the adulteress the beautiful septuagenarian the recommender of books the contributors elaborate on these and many other perceptions of Nin Readers of this book will meet one of the most enigmatic literary women of the twentieth century Multicultural Writers from Antiquity to 1945 Alba Amoia, Bettina L. Knapp, 2001-10-30 The final decades of the 20th century have seen an explosion of interest in multiculturalism But multiculturalism is more than an awareness of the different cultures comprising contemporary societies For centuries people from around the world have come in contact with cultures other than their own and their exposure to multiple cultures has fostered their creativity and ability to make lasting contributions to civilization The effects of multiculturalism are especially apparent in literature since writers tend to be particularly aware of their environments and record their experiences This reference includes alphabetically arranged entries for more than 100 world writers from antiquity to 1945 who were significantly influenced by cultures other than their own Included are entries for major canonical Ancient and Modern writers of the Western and Eastern worlds Each entry is written by an expert contributor and includes a brief biography a discussion of multicultural themes and contexts a summary of the writer s critical reception and primary and secondary bibliographies By illuminating the shaping influence of multiculturalism on these writers the volume points to the lasting value of multiculturalism in the contemporary world Anaïs Nin Clara Oropeza, 2018-08-06 Ana s Nin A Myth of Her Own traces Nin s literary craft by following the intimacy of self exploration and poetic expression attained in the details of the quotidian transfigured into fiction By digging into the mythic tropes that permeate both her literary diaries and fiction this book demonstrates that Nin constructed a mythic method of her own revealing the extensive possibilities of an opulent feminine psyche Clara Oropeza demonstrates that the literary diary for Nin is a genre that with its traces of trickster archetype among others reveals a mercurial yet particular understanding of an embodied and at times mystical experience of a writer The cogent analysis of Nin s fiction alongside the posthumously published unexpurgated diaries within the backdrop of emerging psychological theories further illuminates Nin s contributions as an experimental and important modernist writer whose daring and poetic voice has not been fully appreciated By extending research on diary writing and anchoring Nin s literary style within modernist traditions this book contributes to the redefinition of what literary modernism was comprised who participated and how it was defined Ana s Nin A Myth of Her Own is unique in its interdisciplinary expansion of literature literary theory mythological studies and depth psychology By considering the ecocritical aspects of Nin s writing this book forges a new paradigm for not only Nin s work but for critical discussions of self life writing as a valid epistemological and aesthetic form This impressive work will be of

great interest to academics and students of Jungian and post Jungian studies literary studies cultural studies mythological studies and women s studies Anais Nin Suzanne Nalbantian, 1997-07-13 This book of essays is the first to probe Anais Nin s achievements as a literary artist With an introduction by the editor Suzanne Nalbantian the collection examines the literary strategies of Nin in their psychoanalytical and stylistic dimensions Various contributors scrutinize Nin s artistry identifying her unique modernist techniques and her poetic vision Others observe the transfer of her psychoanalytical positions to narrative The volume also contains fresh views of Nin by her brother Joaquin Nin Culmell as well as innovative analyses of Great Women Travel Writers Alba Amoia, Bettina Knapp, 2006-06-02 Includes ten contributor s the reception of her works writings on 250 years of women travel writers Travel is a guest an escape a passion Women explorers and travellers are a special breed This book covers 22 courageous women who encircled the globe and boldly crossed international barriers often to encounter the most patriarchal cultures of their time Writing an Icon Anita Jarczok, 2017-02-15 Ana s Nin the diarist novelist and provocateur occupied a singular space in twentieth century culture not only as a literary figure and voice of female sexual liberation but as a celebrity and symbol of shifting social mores in postwar America Before Madonna and her many imitators there was Nin yet until now there has been no major study of Nin as a celebrity figure In Writing an Icon Anita Jarczok reveals how Nin carefully crafted her literary and public personae which she rewrote and restyled to suit her needs and desires When the first volume of her diary was published in 1966 Nin became a celebrity notorious beyond the artistic and literary circles in which she previously had operated Jarczok examines the ways in which the American media appropriated and deconstructed Nin and analyzes the influence of Nin s guiding hand in their construction of her public persona The key to understanding Nin's celebrity in its shifting forms Jarczok contends is the Diary itself the principal vehicle through which her image has been mediated Combining the perspectives of narrative and cultural studies Jarczok traces the trajectory of Nin s celebrity the reception of her writings The result is an innovative investigation of the dynamic relationships of Nin s writing identity public image and consumer culture **Trapeze** Anaïs Nin, 2017-05-15 Ana s Nin made her reputation through publication of her edited diaries and the carefully constructed persona they presented It was not until decades later when the diaries were published in their unexpurgated form that the world began to learn the full details of Nin s fascinating life and the emotional and literary high wire acts she committed both in documenting it and in defying the mores of 1950s America Trapeze begins where the previous volume Mirages left off when Nin met Rupert Pole the young man who became not only her lover but later her husband in a bigamous marriage It marks the start of what Nin came to call her trapeze life swinging between her longtime husband Hugh Guiler in New York and her lover Pole in California a perilous lifestyle she continued until her death in 1977 Today what Nin did seems impossible and what she sought perhaps was impossible to find harmony and completeness within a split existence It is a story of daring and genius love and pain largely unknown until now The Seven Ages of Man James Innes-Smith, 2020-11-05 What does it mean to be a man in the twenty
