meditator Dena's access to her past lives brings a clearer awareness and purpose to her present life and also overcomes any fear of death. The memories are triggered when Dena meets a new person or visits a new place in her current life. The memories bring remembrances of past suffering but also recollections of spiritual teachers and wise guidance. She has not used and does not advocate past life regressions or hypnosis as a way to prompt memories to return. Dena has decided to share her story despite being a very private person in hopes that it can provide comfort and awaken the inner knowing of your own ongoing journey through time.

Memories from Cherry Harvest Amy Wachspress, 2012-06-08 Three generations of women struggle with oppression in this prize-winning historical saga from a natural born storyteller Julia Alvarez. When I remember Russia I ache with longing for the village of my birth where the beloved grandparents magically produced candy in a handshake and told stories of long ago when God spoke to humans and enchantments filled the world. Two Jewish sisters born in Russia shortly before the Communist Revolution are forced to flee the pogroms and persecution and travel with their parents to British-occupied Palestine. The girls' parents befriend a widower with two children and join forces creating a blended family. When the girls are teenagers World War II tears the family apart, sending the girls separately to France and America. Their lives unfold in tandem: babies are born, friendships forged, and cherry pies baked despite the brutal backdrop of the Holocaust. As the family grows into the next generation, one of the daughters, an artist drawn to a bohemian lifestyle, surrounds herself with a multicultural circle of friends, the likes of which her ancestors could not have imagined. Subsequently, the artist's turns her passion to providing aid to Salvadoran refugees fleeing the death squads in their homeland, just as her own grandmother once fled the pogroms of Russia. As she follows her vocation of reversing the damage that torturers inflict on their victims, she must also overcome a past life trauma that haunts her very core. A winner of the Fabri Literary Prize, *Memories from Cherry Harvest* spans seventy years and five continents, explores the physics of memory, and shows how the tenacity of good can ultimately withstand and overcome the memory of tragedy. Like Julia Alvarez's *In the Time of the Butterflies* and Doris Lessing's *Martha Quest* novels, this story about fighting the injustices of the 20th century will engage readers of politically charged fiction. *Library Journal*

Narrative of a forced journey through Spain and France, as a prisoner of war, in the years 1810 to 1814 Major-General Lord Andrew Thomas Blayney, 2011-03-30 Major General Lord Andrew Thomas Blayney, although previously a successful commander of his own regiment, the 89th Regiment of Foot of the British, through out the early stages of the Peninsular war, he is best known for his narrative of events after his capture by Polish forces fighting under the flag of Napoleonic France. Blayney was the leader of an ill-fated Anglo-Spanish force which was assigned the task of attacking from Cadiz toward

Malaga culminating the battle of Fuengirola on 15th October 1810 Outnumbering his Polish foes by a huge margin a series of unfortunate accidents on the allied side and brave and heroic resistance on the Polish side led to a debacle and his capture It should be noted that this was far from the only amphibious disaster led by the British in the Peninsular Wars that should throw further perspective on the victories of the main British army under Wellington Blayney's narrative along with some idiosyncratic spelling recounts his journey from Andalusia to Verdun in the north east of France During his journey from one outpost to another as a paroled prisoner he meets a number of famed French generals as befitted his rank such as Sbastiani Kellermann Belliard and even Marshal Bessieres who treat him on the whole well He winds his way through the countryside and he tells many tales of the people and surroundings that he finds himself somewhat forcibly journeying through The main strength of the narrative is the author's eye to detail and his flair for recounting a tale along with the real rarity of accounts from the point of view of an English prisoner of war Published in two volumes this is the first volume
