in Canada highlights from an interdisciplinary perspective the major areas and contexts where violence takes place. Consisting of thirteen contributions the book forms an indispensable guide to the subject. All of the authors are experts in their field, many with international reputations and are drawn from the fields of sociology, political science, history and criminology. The foreword by Ted Robert Gurr, author of *Violence in America*, is followed by an historical analysis of violence on the Canadian western frontier. Other scholars describe contemporary violence by and against indigenous peoples, women, children and the elderly in labor related disputes, homicide, police and prison violence, terrorism and discuss government responses and policy implications. Each chapter specifically addresses the sociological and political dimensions of violence. The authors make ample use of statistics and empirical research. Jeffrey Ian Ross's introduction outlines the sociopolitical dynamics of violence and his summary chapter offers directions for future research. When the book was first published in 1995 it was widely praised by scholarly journals and has since become a standard text in the study of violence and modern Canadian cultural studies. The book is all the more valuable as its new introduction places its findings in the context of research that has been produced since the original publication. *Violence in Canada* will be of interest to sociologists, criminologists and political scientists. Jeffrey Ian Ross is an associate professor in the Division of Criminology, Criminal Justice and Social Policy and fellow with the Center for Comparative and International Law, University of Baltimore. His work has appeared in many academic journals and chapters in academic texts as well as articles in popular magazines in Canada and the United States. He is the author, co-author, editor or co-editor of eight books. Ted Robert Gurr is Distinguished University Professor at the University of Maryland. Among his books are *Why Men Rebel* and *Violence in America*. **Canadian Corporate Elite** Wallace Clement, 1975-01-15 **Man's Impact on the Western Canadian Landscape** J.G. Nelson, 1976-01-01 Cultural Diversity and Canadian Education John Mallea, 1984-04-15 This thorough study will be of assistance to those seeking to understand the role of education in contemporary Canada. Education policy and practice regarding language and culture are highlighted as is the crucially important question of cultural transmission. *Approaches to Canadian Economic History* Easterbrook, Watkins, 1967-01-15 Focusing mainly on the staple theory, this collection of essays clearly shows the impact the great staple trades from cod and fur to newsprint and oil had upon Canadian history. Other significant frames of reference, the role of government, the development of commercial agriculture, the climate of enterprise and capital formation are also represented. Fear's Folly/(Les demi-civilises) Jean-Charles Harvey, 1982-01-15 Superbly rendered by the late John Glassco, Harvey's controversial work is presented in its true cultural and social setting. First published in 1934, this novel satirizing the bourgeois elite and the suffocating rule of the Catholic clergy created a furor in Quebec. **A History of Journalism in Canada** W.H. Kesterton, 1967-01-01 **Eskimo of the Canadian Arctic** Vallee Valentine, Frank Gerald Vallee, 1971 **Historical Essays on the Prairie Provinces** Donald Swainson, 1970-01-01 Ontario Since Confederation Edgar-Andre Montigny, Lori Chambers, 2000-12-15 *Ontario Since Confederation* contains
