Introduction to Sweden Gilad James, PhD, Sweden is a Nordic country located in Northern Europe Its capital and largest city is Stockholm Sweden has a population of approximately 10 million people and its official language is Swedish The country is known for its high standard of living social welfare system and progressive values Sweden is recognized as being one of the most equal societies globally with a strong emphasis on gender equality and LGBT rights The Swedish economy is primarily dependent on exports and its industries include automotive telecommunications pharmaceutical and life sciences Sweden is also famous for its cultural and natural attractions including historic architecture museums and parks Sweden has a rich cultural heritage that dates back to prehistoric times The Viking Age which lasted from the 8th to the 11th century greatly influenced the country's culture and identity Sweden became a sovereign state in the 16th century and enjoyed a period of dominance in the Baltic region In the 20th century Sweden became a modern welfare state with a highly developed healthcare and education system Sweden is also famous for its cuisine including traditional dishes like meatballs herring and potatoes as well as modern cuisine influenced by international trends Overall Sweden is a prosperous innovative and culturally diverse country that has made significant contributions to the world

Conferences and Conventions Tony Rogers, 2013 Conferences and Conventions a global industry is illustrated with case studies and examples from around the world including Great Britain Germany Philippines United States and Australia It also

provides reflective questions at the end of each chapter so that readers can test their knowledge and reflect on the issues raised. The text looks at the following specific issues: the origins of the conference industry; business tourism and leisure tourism; the buyers and the suppliers; marketing and branding; the design of conference facilities; and employment and people. Provided by publisher.

Business Events Rob Davidson, 2018-12-07. The dynamic and fast expanding business events sector plays a vital role in the professional lives of hundreds of millions of people worldwide by providing settings in which they can meet for the purposes of negotiation, deliberation, motivation, the dissemination of knowledge and the celebration of their greatest career related achievements. This book provides a sound practical and theoretical context for the study of this subject by covering in depth all categories of business related events including corporate meetings, association conferences, political events, incentive travel, exhibitions, corporate hospitality, awards ceremonies and SMERF (social, military, educational, religious and fraternal) gatherings. This new edition has been extensively revised and updated to reflect recent developments in business events including five new chapters on business events, destination marketing, knowledge sustainability, ethics and technology. New 'It's my job voice' boxes offering practical insights from people employed in the business events industry. A wide range of new case studies illustrating business events throughout the world including emerging business events destinations such as Russia and the Middle East. Written in an accessible yet analytical manner. *Business Events* is essential reading for all students of events, tourism and hospitality management.
