The CIM Handbook of Strategic Marketing Colin Egan,Michael Thomas,2010-02-17 The CIM Handbook of Strategic Marketing targets senior executives responsible for shaping and managing the company s strategic direction The strategic dimensions of marketing management are emphasised along with

the critical importance of matching the company's capabilities with genuinely attractive market sectors. The Handbook's strategic perspective and pragmatic outlook pervade the text and underpin its practical foundations. The rise of global competition and continuous innovation have redefined market structures, reshaped industries and given customers unprecedented value and choice. In this era of customer sovereignty there is a tremendous amount of pressure on organizations to adopt the principles of the marketing concept and to develop a much sharper strategic focus. The CIM Handbook of Strategic Marketing is a reference source to guide effective marketing practice. It provides supportive material for managers and employees who are building their marketing competence by attending training programmes and includes contributions from leading academics such as Peter Doyle, Malcolm McDonald, Nigel Piercy. The book amounts to a firm blueprint written by leading marketing thinkers for designing and implementing effective marketing strategies and improving business performance. Colin Egan is Professor of Strategic Management at Leicester Business School. Michael J Thomas is Professor of Marketing at the University of Strathclyde Business School.

The Five Rules for Successful Stock Investing Pat Dorsey, 2011-01-04. The Five Rules for Successful Stock Investing. By resisting both the popular tendency to use gimmicks that oversimplify securities analysis and the academic tendency to use jargon that obfuscates common sense, Pat Dorsey has written a substantial and useful book. His methodology is sound, his examples clear and his approach timeless. Christopher C. Davis, Portfolio Manager and Chairman, Davis Advisors. Over the years, people from around the world have turned to Morningstar for strong, independent and reliable advice. The Five Rules for Successful Stock Investing provides the kind of savvy financial guidance only a company like Morningstar could offer. Based on the philosophy that investing should be fun but not a game, this comprehensive guide will put even the most cautious investors back on the right track by helping them pick the right stocks, find great companies and understand the driving forces behind different industries without paying too much for their investments. Written by Morningstar's Director of Stock Analysis, Pat Dorsey, The Five Rules for Successful Stock Investing includes unparalleled stock research and investment strategies covering a wide range of stock-related topics. Investors will profit from such tips as: How to dig into a financial statement and find hidden gold and deception; How to find great companies that will create shareholder wealth; How to analyze every corner of the market from banks to health care. Informative and highly accessible, The Five Rules for Successful Stock Investing should be required reading for anyone looking for the right investment opportunities in today's ever-changing market.
