The Oxford Handbook of American Literary Realism Keith Newlin, 2019-08-01 The scholarship devoted to American literary realism has long wrestled with problems of definition is realism a genre with a particular form content and technique Is it a style with a distinctive artistic arrangement of words characters and description Or is it a period usually placed as occurring after the Civil War and concluding somewhere around the onset of World War I This volume aims to widen the scope of study beyond mere definition however by expanding the boundaries of the subject through essays that reconsider and enlarge upon such questions The Oxford Handbook of American Literary Realism aims to take stock of the scholarly work in the area and map out paths for future directions of study The Handbook offers 35 vibrant and original essays of new interpretations of the artistic and political challenges of representing life It is the first book to treat the subject topically and thematically in wide scope with essays that draw upon recent scholarship in literary and cultural studies to offer an authoritative and in depth reassessment of major and minor figures and the contexts that shaped their work Contributors here tease out the workings of a particular concept through a variety of authors and their cultural contexts A set of essays explores realism s genesis and its connection to previous and subsequent movements Others examine the inclusiveness of representation the circulation of texts and the aesthetic representation of science time space and the subjects of medicine the New Woman and the middle class Still others trace the connection to other arts poetry drama illustration photography painting and film and to pedagogic issues in the teaching of realism As a whole this volume forges exciting new paths in the study of realism and writers

American Literature and the Culture Wars Gregory S. Jay, 2018-09-05 Gregory S Jay boldly challenges the future of American literary studies Why pursue the study and teaching of a distinctly American literature What is the appropriate purpose and scope of such pursuits Is the notion of a traditional canon of great books out of date Where does American literature leave off and Mexican or Caribbean or Canadian or postcolonial literature begin Are today s campus conflicts fueled more by economics or ideology Jay addresses these questions and others relating to American literary studies to explain why this once arcane academic discipline found itself so often in the news during the

culture wars of the 1990s While asking some skeptical questions about new directions and practices Jay argues forcefully in favor of opening the borders of American literary and cultural analysis He relates the struggle for representation in literary theory to a larger cultural clash over the meaning and justice of representation then shows how this struggle might expand both the contents and the teaching of American literature In an account of the vexed legacy of the Declaration of Independence he provides a historical context for the current quarrels over literature and politics Prominent among these debates are those over multiculturalism which Jay takes up in an essay on the impasses of identity politics In closing he considers how the field of comparative American cultural studies might be constructed

Literature and the Internet Stephanie Browner, Stephen Pulsford, Richard Sears, 2013-12-02 Literature and the Internet A Guide for Students Teachers and Scholars is the only Internet guide written for those who love and study literature The book begins with a practical introduction for readers who want help finding navigating and using literary sites Later chapters focus on educational issues such as plagiarism citation website evaluation the use of Internet sites in literature courses as well as the technical scholarly and professional issues raised by the advent of the Internet Finally the book concludes with a chapter on the cultural implications of the Internet for literary studies In addition the book offers an annotated bibliography of Internet sources with URLs that introduces readers to hundreds of sites which they can explore on their own Readers need not have a B A or even a major in English and no special training in computer technology and software is necessary The book explains both the basics of the Internet and sophisticated scholarly issues in simple language Ultimately each Internet user must choose his or her own path through the Internet but with Literature and the Internet in hand surfing the net for things literary will be more efficient and satisfying and much less confusing and overwhelming

British Marxist Criticism Victor N. Paananen, 2021-12-12 British Marxist Criticism provides selective but extensive annotated bibliographies introductory essays and important pieces of work from each of eight British critics who sought to explain literary production according to the principles of Marxism

On the Winds and Waves of Imagination Constance S. Richards, 2020-04-22 First published in 2000 This book takes a transnational feminist approach to the literature of three contemporary women authors Virginia Woolf Alice Walker and South African writer Zoe Wicomb The author draws from post colonial studies and considers how gender collides with race national origin and class in women s oppression

New Definitions of Lyric Mark Jeffreys, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare s most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

Blake, Politics, and History George A. Jr. Rosso Jr., Christopher Z. Hobson, 2013-05-13 This anthology of essays charts the work of William Blake combining traditional and current historicist methods with a plurality of other approaches While many essays here recuperate a radical Blake opposed to imperialism slavery and patriarchy differences emerge over the nature of Blake s radicalism and his stance on revolution violence and democratic pluralism Contributors may champion a

Blake critical of patriarchal discourse and practice but they remain cautious about Blake's homocentric solutions In the Blake and women section authors seek to reorient discussions by connecting Blake to historical issues concerning women particularly domestic ideology and the idealised female of the conduct books

The Handbook of Rhetoric and Public Address Shawn J. Parry-Giles, J. Michael Hogan, 2010-03-25 The Handbook of Rhetoric and Public Address is a state of the art companion to the field that showcases both the historical traditions and the future possibilities for public address scholarship in the twenty first century Focuses on public address as both a subject matter and a critical perspective Mindful of the connections between the study of public address and the history of ideas Provides an historical overview of public address research and pedagogy as well as a reassessment of contemporary public address scholarship by those most engaged in its practice Includes in depth discussions of basic issues and controversies public address scholarship Explores the relationship between the study of public address and contemporary issues of civic engagement and democratic citizenship Reflects the diversity of views among public address scholars advancing on going discussions and debates over the goals and character of rhetorical scholarship

Reception Study James L. Machor, Philip Goldstein, 2001 First Published in 2001 Routledge is an imprint of Taylor Francis an informa company

Black/Gay Simon Dickel, 2012-06-01 This book explores key texts of the black gay culture of the 1980s and 90s Starting with an analysis of the political discourse in anthologies such as In the Life and Brother to Brother it identifies the references to the Harlem Renaissance and the Protest Era as common elements of black gay discourse This connection to African American cultural and political traditions legitimizes black gay identity and criticizes the construction of gay identity as white Readings of Isaac Julien's Looking for Langston Samuel R Delany's Atlantis Model 1924 and The Motion of Light in Water Melvin Dixon's Vanishing Rooms Randall Kenan's A Visitation of Spirits and Steven Corbin's No Easy Place to Be demonstrate how these strategies of signifying are used in affirmative humorous and ironic ways

Texts and Textuality Philip G. Cohen, 2018-12-20 These essays deal with the scholarly study of the genesis transmission and editorial reconstitution of texts by exploring the connections between textual instability and textual theory interpretation and pedagogy What makes this collection unique is that each essay brings a different theoretical orientation New Historicism Poststructuralism or Feminism to bear upon a different text such as Whitman's Leaves of Grass Faulkner's The Sound and the Fury or hypertext fiction to explore the dialectical relationship between texts and textuality The essays bring some of the textual theories that compete with each other today into contact with a broad range of primarily literary textual histories That texts are intrinsically unstable frequently consisting of a series of determinate historical versions has consequences for all students of literature because different versions of a literary work frequently help shape different readings independently of the interpretations brought to bear upon them Textual instability of the works is relevant to our understanding of how the meanings of texts are generated The contributors build on the numerous challenges to the Anglo American editorial tradition mounted during the past decade by scholars as diverse as Jerome McGann D F McKenzie Peter

Shillingsburg D C Greetham Hershel Parker and Hans Walter Gabler The volume contributes to the paradigm shift in textual scholarship inaugurated by these scholars Index

Confessional Crises and Cultural Politics in Twentieth-Century America Dave Tell, 2012-09-25 Confessional Crises and Cultural Politics in Twentieth Century America revolutionizes how we think about confession and its ubiquitous place in American culture It argues that the sheer act of labeling a text a confession has become one of the most powerful and most overlooked forms of intervening in American cultural politics In the twentieth century alone the genre of confession has profoundly shaped and been shaped by six of America s most intractable cultural issues sexuality class race violence religion and democracy *Defining Literary Criticism* Carol Atherton, 2005-09-27 Outlining the controversies that have surrounded the academic discipline of English Literature since its institutionalization in the late nineteenth century this important book draws on a range of archival sources It addresses issues that are central to the identity of academic English how the subject came into existence and what makes it a specialist discipline of knowledge in a manner that illuminates many of the crises that have affected the development of modern English studies Atherton also addresses contemporary arguments about the teaching of literary criticism including an examination of the reforms to A Level literature

Canon Vs. Culture Jan Gorak, 2013-06-17 Canon Vs Culture explores the consequences of one of the main educational shifts of the last quarter century the changes from academic inquiry conducted through a selected list of accepted authorities to an investigation of the cultural operations of an entire society *Modernism, Gender, and Culture* Lisa Rado, 2013-09-05 Focusing on cultural practices and gender issues during a period of the early 20th century that witnessed radical transformations in sex roles this anthology of original and one classic essays will generate a greater understanding of women s contributions to modernist culture and explore how that culture was affected by gender issues The essays provide a wealth of insights into literature painting architecture design anthropology sociology religion science popular culture music issues of race and ethnicity and the influence of 20th century women and sexual politics *Beyond Solidarity* Giles Gunn, 2001-06 In this text Giles Gunn asks how human solidarity can be reconceived when its expressions have become increasingly exceptionalist and outmoded and when the pressures of globalization divide as much as they unify Drawing on the work of Williams and Henry James John Dewey Primo Levi Richard Rorty and others as well as postcolonial writings Jewish literature of the holocaust and the cultural and religious experience of African Americans in slavery Gunn points pragmatism in a transnational direction and shows how it can better account for the consequences of diversity

At the Intersection Thomas Rosteck, 1999-01-01 This provocative volume is based on the premise that cultural studies and rhetorical studies address specific and parallel questions about culture critical practice and interpretation and that opening up a dialogue between them can enhance both and provide a more complete understanding of society Noted scholars across a variety of disciplines examine overlaps and contradictions between these approaches as well as critical and pedagogical issues that surface with their linkage
