One woman's investigation of the role of women in the Christian Church since its inception as she counters the Roman Catholic church's argument for excluding them from the priesthood. Details the gradual exclusion of women from positions of power as the Roman Catholic Church evolved. Accessible account from the viewpoint of an ordinary woman in the Church. Cover quotes from Mary McAleese, Fr. Tony Flannery and Mary T. Malone. *What About Me? Women and the Catholic Church* is an exploration by an ordinary woman born into the Catholic faith of the arguments given to exclude her from ministry. Using her research skills, Sharon examines the New Testament, Christian writings and Papal documents. It is a personal quest to shed light on the story of women in the Christian movement from its earliest days to the present. The objective of the book is to explore, inform, speculate and question and it should appeal to a general audience. The context of the book is the 2010 move by Pope Benedict XVI to elevate the crime of ordaining women to Catholic ministry and the subsequent censoring of religious personnel who questioned this edict. This book details a quest to find out where the strong antipathy towards women in the Roman Catholic Church's institutional mindset comes from. No Future Without Forgiveness Desmond Tutu, 2009-02-04

The establishment of South Africa's Truth and Reconciliation Commission was a pioneering international event. Never had any country sought to move forward from despotism to democracy both by exposing the atrocities committed in the past and achieving reconciliation with its former oppressors. At the center of this unprecedented attempt at healing a nation has been Archbishop Desmond Tutu, whom President Nelson Mandela named as Chairman of the Truth and Reconciliation Commission. With the final report of the Commission just published, Archbishop Tutu offers his reflections on the profound wisdom he has gained by helping usher South Africa through this painful experience. In *No Future Without Forgiveness*, Tutu argues that true reconciliation cannot be achieved by denying the past. But nor is it easy to reconcile when a nation looks the beast in the eye. Rather than repeat platitudes about forgiveness, he presents a bold spirituality that recognizes the horrors people can inflict upon one another and yet retains a sense of idealism about reconciliation. With a clarity of pitch born out of decades of experience, Tutu shows readers how to move forward with honesty and compassion to build a newer and more humane world.
