A FRESH LOOK AT ORIGINS

Understanding and Reconnecting with Our Spiritual Roots Carolyn Galloway Garnes, 2011 **Three Story Bible NLT**

Tyndale, Tyndale House Publishers Staff, Youth for Christ, Youth for Christ International Staff, 2015 The Three Story Bible based on Youth for Christ's Three Story discipleship program encourages Christian teenagers to better understand how God's story overlaps with the story of their life and the lives of their friends resulting in deeper fellowship with each other and with God. It's filled with 500 Connection Point Questions that inspire teens to read the Bible more closely and think about its application to their lives more carefully. Over 150 Then Now features weave together the stories of young people today with Scripture in ways that equip teens to talk more openly about God and build deeper, more genuine relationships with each other. Relevant, thought-provoking and interactive, the Three Story Bible invites teens to discover where their stories and God's story intersect through relational discipleship and engagement. The New Living Translation breathes life into even the most difficult to understand Bible passages but even more powerful are stories of how people's lives are changing as the words speak directly to their hearts.

Sit Still My Daughter Martina Young, 2013-06-01 In a world where the ratio of single eligible women outnumber men 7 to 1, it is important for women to know how to live a life full of joy and contentment in their singleness. Far too many women sell themselves short, accepting any type of relationship and attention from men just to have someone in their life. It has led some women to seek comfort in all types of strange places. **WAKE UP** God has better plans for you.

Reconnecting to the Source Ervin Laszlo, 2020-03-24 Renowned authority on science and philosophy, Dr. Ervin Laszlo explores the implications of the new quantum sciences to move beyond the limits of reality as we know it and find our way again in our purposefully evolving universe. *Reconnecting to the Source* is a powerful new book on the science of spiritual experience by Dr. Ervin Laszlo, a well-known figure in the fields of new science, consciousness, and spirituality. Dr. Laszlo has inspired some of today's most important figures in science and philosophy. In *Reconnecting to the Source*, he unpacks the science behind spiritual experience, investigating the ways in which we can access realms of experience beyond the everyday. It is in these moments when our conscious minds are in contact or perhaps even overridden by our unconscious selves that we can explore the depths of spiritual meaning. In addition to a foreword by Deepak Chopra, the book includes new, never-before-published contributions from a long list of well-known writers and public figures, including Jane Goodall, Barbara Marx Hubbard, Zhi Gang Sha, and many more. Each contributor has written about a unique spiritual experience of their own, sharing moments in their lives that are outside of the boundaries of the usual and reflecting on the importance of these moments. This revolutionary and powerful book will challenge you to reconsider the boundaries of our own experience and change how we look at the world around us. It is a unique, never-before-available resource for people who want to know how they can consciously align with the forces and attractors that govern the universe and brought us, living conscious people, on

How to Be an Adult in Relationships David Richo, 2021-11-02 Most people think of love as a feeling says David Richo but love is not so much a feeling as a way of being present In this book Richo offers a fresh perspective on love and relationships one that focuses not on finding an ideal mate but on becoming a more loving and realistic person Drawing on the Buddhist concept of mindfulness

How to Be an Adult in Relationships explores five hallmarks of mindful loving and how they play a key role in our relationships throughout life

- 1 Attention to the present moment observing listening and noticing all the feelings at play in our relationships
- 2 Acceptance of ourselves and others just as we are
- 3 Appreciation of all our gifts our limits our longings and our poignant human predicament
- 4 Affection shown through holding and touching in respectful ways
- 5 Allowing life and love to be just as they are with all their ecstasy and ache without trying to take control

When deeply understood and applied these

five simple concepts what Richo calls the five A s form the basis of mature love They help us to move away from judgment fear and blame to a position of openness compassion and realism about life and relationships By giving and receiving these five A s relationships become deeper and more meaningful and they become a ground for personal transformation *I Never Thought I'd See the Day!* David Jeremiah,2011-10-04 Is Western civilization in an accelerating decline And if it continues will it eventually weaken and cause us to come to the end of cultured civilization as we now know it Yes says David Jeremiah and in his book *I Never Thought I'd See the Day* he details numerous signs of this cultural decay including America held hostage by Iran Marriage becoming obsolete Creeping socialism The invisibility of culture s enemies Increase in spiritual warfare America turning its back on Israel Atheist attack on religion Can this downward spiral be reversed Yes but only if one person at a time returns to God with our heart our manner of life our dedication to genuine worship of God in serving God by helping others in our giving and in prayer *Remain with Me as I Remain Wit* Sam Tiesi,1991-04
