

Reconstituting The American Renaissance Emerson Whitman And The Politics Of Representation New Americanists

Christian G. Meyer

Reconstituting The American Renaissance Emerson Whitman And The Politics Of Representation New Americanists:

Reconstituting the American Renaissance Jay Grossman, 2003-07-18 Offers a revised view of the American Renaissance that shows how the debates about political representatives as they developed around the framing and ratifications of the U S Constitution have structured the rhetoric of subsequent generations of writ Reconstituting the American Renaissance, 2009 DI Offers a revised view of the American Renaissance that shows how the debates about political representatives as they developed around the framing and ratifications of the U S Constitution have structured the rhetoric of subsequent generations of writ div **Slavery, Philosophy, and American Literature, 1830-1860** Maurice S. Lee, 2005-06-17 Lee demonstrates how Melville Emerson and others tried to find rational solutions to the slavery conflict **Transcendental Resistance** Johannes Voelz, 2010 A timely and engrossing critique of the New Americanists **The Cambridge Companion to the Literature of the American Renaissance** Christopher N. Phillips, 2018-03-07 This volume offers a new introduction to the American Renaissance exploring many of the key themes genres and social and cultural contexts that inform the best new scholarship in the field *Walt Whitman Quarterly Review*, 2004 **Translating Empire** Laura Lomas, 2009-01-02 By showing how Marti was a migrant Latino writer who wrote on immigration as well as empire Lomas shows how Marti translated for readers across cultures the misguided North American view of itself as head of a hemispheric body it was destined Overwhelmed Maurice S. Lee, 2024-06-04 This book looks at how debates over the fate of literature in our digital age are powerfully conditioned by the nineteenth century's information revolution It explains what happens to literature during an information revolution and how readers and writers adapt to proliferating data and texts both today and in the nineteenth century Explores four key areas reading searching counting and testing and analyzes diverse writings from canonical works to lesser known texts **Nineteenth-century Literature**, 2003 Representations, 2003 **Directory** Modern Language Association of America, 2003 **Political Antislavery Discourse and American Literature of the 1850s** David Grant, 2012-03-22 Appalled and paralyzed Abandoned and betrayed Cowed and bowed Thus did Frederick Douglass describe the North in the wake of the compromise measures of 1850 that seemed to enshrine concessions to slavery permanently into the American political system This study discovers in a feature of political anti slavery discourse the condemnation of an enfeebled North the key to a wide variety of literary works of the 1850s Both the political discourse and the literature set out to expose the self chosen degradation of compromise as a threat at once to the personal foundation of each individual Northerner and to the survival of the people as an actor in history The book fills a gap in literary criticism of the period which has primarily focused on abolitionist discourse when relating anti slavery thought to the literature of the decade Though it owed a debt to the abolitionists political anti slavery discourse took on the more focused mission of offering a challenge to the people Would the North submit to the version of self discipline demanded by the Slave Power's Northern

minions or would it tap the energy of the nation's founding until it embodied defiance in its very constitution Would the North remain a type for the future slave empire it could not prevent or would it prophesy national freedom in the simple recovery of its own agency Literary works in both poetry and prose were well suited to making this political challenge bear its full weight on the nation fleshing out the critique through narrative crises that brought home the personal stake each Northerner held in what George Julian called an exodus from the bondage of compromise By the end of 1860 this exodus had been completed and that accomplishment owed much to the massive ten year cultural project to expose the slavery accommodating definition of nationality as a threat to the republican selfhood of each Northerner Stowe Whittier Willis and Whitman among others devoted their literary works to this project **The Book Review Digest** ,2005 **Forthcoming Books** Rose Arny,2003-04

American Renaissance Francis Otto Matthiessen,2013-10 This is a new release of the original 1941 edition *Beneath the American Renaissance* David S. Reynolds,2011 The award winning *Beneath the American Renaissance* is a classic work on American literature It immeasurably broadens our knowledge of our most important literary period as first identified by F O Matthiessen's *American Renaissance* With its combination of sharp critical insight engaging observation and narrative drive it represents the kind of masterful cultural history for which David Reynolds is known Here the major works of Emerson Thoreau Whitman Poe Hawthorne Melville and Dickinson receive striking original readings set against the rich backdrop of contemporary popular writing Now back in print the volume includes a new foreword by historian Sean Wilentz that reveals the book's impact and influence A magisterial work of criticism and cultural history *Beneath the American Renaissance* will fascinate anyone interested in the genesis of America's most significant literary epoch and the iconic figures who defined it

Emerson's Ghosts Randall Fuller,2007-09-07 It is increasingly commonplace to find scholars who circle back to Ralph Waldo Emerson and his intellectual heirs as a way of better understanding contemporary social and aesthetic contexts Why does Emerson's cultural legacy continue to influence writers so forcefully In this innovative study Randall Fuller examines the way pivotal twentieth century critics have understood and deployed Emerson as part of their own larger projects aimed at reconceiving America He examines previously unpublished material and original research on Van Wyck Brooks Perry Miller F O Matthiessen and Sacvan Bercovitch along with other supporting thinkers An engaging institutional history of American literary studies in the twentieth century *Emerson's Ghosts* reveals the unexpected convergent forces that have shaped American cultural history in lasting ways *American Renaissance* F. O. Matthiessen,1968-12-31 Studies the views of 5 prominent mid 19th century writers on the function and nature of literature and how they applied these views to their works *Transcendental Resistance* Johannes Voelz,2010 A timely and engrossing critique of the New Americanists

Emerson, Whitman, and the Politics of Representation Jay Alan Grossman,1992

The Top Books of the Year Reconstituting The American Renaissance Emerson Whitman And The Politics Of Representation New Americanists The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Reconstituting The American Renaissance Emerson Whitman And The Politics Of Representation New Americanists : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Reconstituting The American Renaissance Emerson Whitman And The Politics Of Representation New Americanists : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
