Reconstructing A Womens Prison:

A History of Women's Prisons in England Susanna Menis, 2019-11-19 This book presents a revisionist prison history which brings to the forefront the relationship between gender and policy It examines women s prisons in England from the late 18th century to the beginning of the 20th century drawing attention to the detrimental effect the orthodox closed prison has on penal reform The text investigates the clash between what was conceptualised as desirable prison policy and the actual implementation and implications of such a penalty on the prisoner It challenges previous claims made about the invisibility of women prisoners in historical penal policy and provides an original analysis of the open prison taking HMP Askham Grange as a case study where the history of such an initiative is explored and debated Therapeutic Community for Women Prisoners Elaine Player, Elaine Genders, 2025-09-02 Based upon an extensive empirical study of a democratic therapeutic community for women serving long and medium sentences this book explores the opportunities it provided for restorative rehabilitation In so doing it identifies some of the interconnected ways in which these ambitions are undermined by pervasive yet often tacit assumptions that underly penal policies and practices Drawing on a wealth of data gathered from a study spanning a period of eighteen years at the only democratic therapeutic community for women prisoners in the UK the book highlights how feminist criminology has revealed an invidious history of women s treatment in prison demonstrating how reformist and rehabilitative interventions have reproduced and exacerbated existing states of inequality and oppression Consequently the question explored in this book is whether a proportionate sentence that imposes a loss of liberty is inevitably destined to this fate or whether it can be constructed in ways that are progressive and transformative By identifying and understanding some of the interconnected ways in which progressive efforts have typically been undermined it opens a debate about the insinuation of certain often unspoken assumptions that underly penal policies and practices and the need for their deconstruction It opens an axiomatic debate about how women imprisoned for serious offences might have that loss of liberty interpreted to facilitate a restorative reparative and reintegrative process of rehabilitation informed by principles of social justice This book will be of great interest to students and scholars of criminology feminist studies public policy and human rights It will also be of value to policymakers and practitioners in women s prisons and psychologists and psychiatrists interested in therapeutic communities *Women Prisoners and Health Justice* Dianne Hatton, Anastasia Fisher, 2018-04-19 Incarceration severely affects the health and wellbeing of women both during their incarceration and following release further complicating the health disparities they already experience as a consequence of gender race and social class The scope of this international problem remains largely hidden from health professionals and policy makers This book brings the issues into the light with contributions from leading advocates criminologists feminists nurses physicians public health professionals social workers sociologists and former prisoners Reconstructing the Criminal Martin J. Wiener, 1990 This ambitious and imaginative work interprets criminal justice history by relating it to intellectual and cultural

history Starting from the assumption that policies and statutes originate in a society's values and norms the author skilfully and persuasively demonstrates how changes in criminal law and penal practice were related to the changing values of early mid and late Victorian and Edwardian society Wiener traces changes in the criminal justice system by examining the treatment of offenders During the Victorian period the system became more punitive and was then reformed in line with welfarist thinking Wiener's wide ranging discussion of issues most notably of free will versus determinism sheds light on a broad range of Victorian history beyond crime and punishment

Voices of American Women's History from Reconstruction to the Present Kristine Ashton Gunnell, 2023-11-30 This collection of historical and contemporary writing by women argues that in addition to gender identity markers such as race class religion citizenship sexuality and marital status have influenced women's lives in the United States for more than 200 years Voices of American Women's History illustrates that gender alone has never defined women's experiences in America Women from diverse backgrounds are represented in media and documents that include pamphlets book excerpts personal narratives photographs advertisements congressional testimonies and Supreme Court rulings Such issues as abortion marriage equality domestic violence and gender parity are shown from historical and contemporary angles as this collection of primary sources allows readers and students to easily trace how women's lives and histories have and continue to intersect With a historical context for each selection the book also features structured activities to help teachers with class discussion and exams including suggestions for further reading document analysis essay questions and manageable research assignments

Handbook on Prisons Yvonne Jewkes, Ben Crewe, Jamie Bennett, 2016-02-23 The second edition of the Handbook on Prisons provides a completely revised and updated collection of essays on a wide range of topics concerning prisons and imprisonment Bringing together three of the leading prison scholars in the UK as editors this new volume builds on the success of the first edition and reveals the range and depth of prison scholarship around the world The Handbook contains chapters written not only by those who have established and developed prison research but also features contributions from ex prisoners prison governors and ex governors prison inspectors and others who have worked with prisoners in a wide range of professional capacities This second edition includes several completely new chapters on topics as diverse as prison design technology in prisons the high security estate therapeutic communities prisons and desistance supermax and solitary confinement plus a brand new section on international perspectives The Handbook aims to convey the reality of imprisonment and to reflect the main issues and debates surrounding prisons and prisoners while also providing novel ways of thinking about familiar penal problems and enhancing our theoretical understanding of imprisonment The Handbook on Prisons Second edition is a key text for students taking courses in prisons penology criminal justice criminology and related subjects and is also an essential reference for academics and practitioners working in the prison service or in related agencies who need up to date knowledge of thinking on prisons and imprisonment

Motherhood confined Rachel E. Bennett, 2024-01-30 When we imagine life behind the high walls of

the fortress like prisons that were built and modified as the modern prison system was created in the mid nineteenth century we conjure up scenes where strict regulation prevailed to control people in body and in mind An image that poses something of a paradox is that of mothers and their babies living in this carceral environment This book looks behind the cell doors of these institutions to illuminate the experiences of this group of prisoners The management of their health alongside the management of penal discipline posed complex conundrums to the prison system Although rarely fully considered at policy level this balancing act was negotiated by those who lived and worked in prisons on a daily basis Invisible Women Angela Devlin,1998-03-31 In a book that is accessible to general readers and professionals alike Angela Devlin has vividly recreated the realities of prison life for women at the end of the twentieth century She describes the cavalier way in which women can be treated the lack of provision for many basic needs the over crowding the liberal use of medication as a means of control the violence which stems from drug misuse the plight of black and ethnic minority women and foreign nationals and the self mutilation and suicide attempts of women in desperate need of help Invisible Women lifts the lid on women s prisons It is a book that will shock as well as inform

Poetry and Work Jo Lindsay Walton,Ed Luker,2019-11-16 Poetry and Work offers a timely and much needed re examination of the relationship between work and poetry The volume questions how lines are drawn between work and non work how social political and technological upheavals transform the nature of work how work appears or hides within poetry and asks if poetry is work or play or something else completely The book interrogates whether poetry and avant garde and experimental writing can provide models for work that is less alienated and more free In this major new collection sixteen scholars and poets draw on a lively array of theory and philosophy archival research fresh readings and personal reflection in order to consider work and poetry the work in poetry and the work of poetry Individual chapters address issues such as the many professions occupations and tasks of poets beyond and around writing poetry s special relationship with craft work s relationship with gender class race disability and sexuality how work gets recognised or rendered invisible in aesthetic production and beyond the work of poetry and the work of political activism and organising and the notion of poetry itself as a space where work and play can blur and where postwork imaginaries can be nurtured and explored

Feminism and Criminal Justice Anne Logan,2008-11-03 This book provides a comprehensive study of the neglected story of the involvement of the women s movement with criminal justice policy in the 20th century Taking the topic from the suffragette era to the early days of second wave feminism the book argues that criminal justice policy has been a continual concern for feminists

Two Reports on the Reorganization & Reconstruction of the New York City Prison System Hastings Hornell Hart,1925

Engendering Resistance: Agency and Power in Women's Prisons Mary Bosworth,2017-03-02 This book explores how power is negotiated in women s prisons Drawing on fieldwork conducted in three penal establishments in England it analyses how women manage the restrictions of imprisonment and the manner in which they attempt to resist institutional control It is proposed that power is negotiated on a private individual level as women often

resist the institution simply by trying to maintain an image of control over their own lives However their image of themselves as active reasoning agents is undermined by institutional regimes which encourage traditional passive feminine behaviour at the same time as they deny the women their identities and responsibilities as mothers wives girlfriends and sisters Femininity is therefore both the form and the goal of women s imprisonment Yet paradoxically femininity also offers the possibility of resistance because women manage to rebel by appropriating and changing aspects of it **Reconstructing Criminal Law** Nicola Lacey,Celia Wells,Oliver Quick,2003-09 The authors analyse central aspects of criminal law in the context of the assumptions surrounding it and employ a number of critical approaches including a feminist perspective to give insights into the current state of the law *Embodying Punishment* Anastasia Chamberlen,2018-10-05 *Embodying Punishment* offers a theoretical and empirical exploration of women s lived experiences of imprisonment in England It puts forward a feminist critique of the prison arguing that prisoner bodies are central to our understanding of modern punishment and particularly of women s survival and resistance during and after prison Drawing on a feminist phenomenological framework informed by a serious engagement with scholars such as Maurice Merleau Ponty Simone de Beauvoir Erwin Goffman Michel Foucault Sandra Lee Bartky and Tori Moi *Embodying Punishment* revisits and expands the literature on the pains of imprisonment and offers an interdisciplinary examination of the embodiment and identities of prisoners and former prisoners pressing the need for a body aware approach to criminology and penology The book develops this argument through a qualitative study with prisoners and former prisoners discussing themes such as the perception of the prison through time space smells and sounds the change of prisoner bodies the presentation of self in and after prison including the centrality of appearance and prison dress in the management of prisoner and ex prisoner identities and a range of coping strategies adopted during and after imprisonment including prison food drug misuse and a case study on women s self injuring practices *Embodying Punishment* brings to the fore and critically analyses longstanding and urgent problems surrounding women s multifaceted oppression through imprisonment including matters of discriminatory and gendered treatment as well as issues around penal harm and argues for an experientially grounded critique of punishment

Reconstructing A Womens Prison Introduction

In today's digital age, the availability of Reconstructing A Womens Prison books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Reconstructing A Womens Prison books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Reconstructing A Womens Prison books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Reconstructing A Womens Prison versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Reconstructing A Womens Prison books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Reconstructing A Womens Prison books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Reconstructing A Womens Prison books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Reconstructing A Womens Prison books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Reconstructing A Womens Prison books and manuals for download and embark on your journey of knowledge?

FAQs About Reconstructing A Womens Prison Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reconstructing A Womens Prison is one of the best book in our library for free trial. We provide copy of Reconstructing A Womens Prison in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reconstructing A Womens Prison. Where to download Reconstructing A Womens Prison online for free? Are you looking for Reconstructing A Womens Prison PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Reconstructing A Womens Prison. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Reconstructing A Womens Prison are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of

different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Reconstructing A Womens Prison. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Reconstructing A Womens Prison To get started finding Reconstructing A Womens Prison, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Reconstructing A Womens Prison So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Reconstructing A Womens Prison. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Reconstructing A Womens Prison, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Reconstructing A Womens Prison is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Reconstructing A Womens Prison is universally compatible with any devices to read.
