### **Encyclopedia of the Reconstruction**

**Era** Richard Zuczek, 2006-08-30 Reconstruction sought to bring order from the tremendous social political economic physical and constitutional changes wrought by secession and the Civil War changes that included the abolition of slavery the expansion of governmental power and constitutional jurisdiction the rise of the Republican Party the explosion of northern industry and the national market and the appearance of a social dynamism that supported struggles by new social groups for political and civil equality In American history Reconstruction is the term applied to the period 1862 1877 when the United States sought to bring order from the tremendous social political economic physical and constitutional changes wrought by secession and the Civil War The decision by eleven southern states to attempt secession and reject the national government and the decision by the federal government under President Abraham Lincoln to deny that attempt and enforce federal law unleashed forces that forever changed the American Republic These changes included the abolition of slavery the expansion of governmental power and constitutional jurisdiction the rise of the Republican Party the explosion of northern industry and the national market and the appearance of a social dynamism that supported struggles by new social groups for political and civil equality No one anticipated the totality the viciousness and the intensity of the civil war and as a result no one was prepared to deal with its consequences Topics covered include who should direct Reconstruction how the federal government treated conquered states their governments and their soldiers the role of the freed people in the new republic and how the war altered the Constitution the party system and the American economy among many others Many entries describe and analyze the lives careers and impacts of the individuals North and South black and white who shaped the course of Reconstruction including the following Ames Adelbert Bruce Blanche K Douglass Frederick Gordon John B Hancock Winfield S Howard Oliver O Pinchback Pinckney B S Revels Hiram R Sheridan Philip H Wade Benjamin F Other entries deal with broad topics and themes related to Reconstruction and its consequences including the following Abolition of Slavery Black Politicians Black Suffrage Bloody Shirt Economic Policies Race Riots Reconstruction Theories of Scandals During Reconstruction State Constitutional Conventions Violence During Reconstruction Still other entries cover a wide variety of events groups acts agencies and amendments that were part of the story of Reconstruction including the following American Indians Bureau of Refugees Freedmen and Abandoned Lands Compromise of 1877 Democratic Party Fourteenth Amendment Joint Committee on Reconstruction Loyalty Oaths Military Reconstruction Acts Stalwarts Tenure of Office Act Among the more than 270 entries are 11 that discuss the course and consequences of Reconstruction in each of the former Confederate states and 6 that discuss the outcome and significance of the presidential and key congressional elections held between 1864

and 1876 The encyclopedia also offers a timeline of Reconstruction a bibliography of print and electronic information resources a selection of primary documents a table of important dates numerous illustrations and a detailed subject index

#### Freedmen's Bureau, Politics, and Stability Operations During Reconstruction in the South WILLIAM H.

BURKS,2025-05-22 The United States Civil War ended in 1865 However the post conflict period immediately following known as Reconstruction lasted another twelve years This era provides a great case study to examine the impacts of politics on military stability operations This paper studies the Freedmen s Bureau during its existence from 1865 to 1872 Envisioned as the lead organization for integrating former slaves into American society the Bureau s efforts in the post Civil War South were undermined by a hostile political situation at the national and state level and a diminishing lack of popular support throughout the entire nation to embrace radical social changes The Bureau s operational timeframe splits into three distinct periods conflict with President Andrew Johnson from 1865 to early 1867 revamped efforts during Congressional Reconstruction from early 1867 to the end of 1868 and a reduced operational focus primarily education from 1869 to 1872 The Bureau faced manning challenges and fought racism as it worked to help former slaves become self sufficient educated and true citizens of the nation in which they resided Unfortunately hostile political conditions meant much of the civil rights work accomplished by the Bureau was subdued after its demise until the Civil Rights Movement in the 1960s This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Kentucky in the Reconstruction Era Ross A. Webb,2021-10-21 Although Kentucky was not subject to reconstruction as such the period of readjustment following the Civil War was a troubled one for the Commonwealth Violence begun by guerillas continued for years In addition white Regulators tried to cow the new freedmen and keep them in a perpetual state of fearful submission that would assure the agricultural labor supply Their attacks produced exactly the effects whites least desired the blacks became all the more determined to leave the countryside and the federal government imposed the Freedmen s Bureau to protect the former slaves Kentucky in the Reconstruction Era shows how this and other forms of federal intervention angered even the most loyal white citizens leading to Kentucky s hostility to the national administration and consequent reputation as a state

dominated by ex Confederates Gradually however things began to change as hopes for future prosperity outweighed past disappointments While the old feuds were not healed during this period many of the state s leaders shifted their attention to more productive matters and the way was opened to eventual reconciliation

**Reconstruction and the Freedmen** Grady McWhiney (ed),1964 The Reconstruction Era Bettye Stroud,Virginia Schomp,2007 Traces the history of Reconstruction from the end of the Civil War in 1865 to 1877 when federal troops were removed from the South

Sick from Freedom Jim Downs,2012-05-01 Bondspeople who fled from slavery during and after the Civil War did not expect that their flight toward freedom would lead to sickness disease suffering and death But the war produced the largest biological crisis of the nineteenth century and as historian Jim Downs reveals in this groundbreaking volume it had deadly consequences for hundreds of thousands of freed people In Sick from Freedom Downs recovers the untold story of one of the bitterest ironies in American history that the emancipation of the slaves seen as one of the great turning points in U S history had devastating consequences for innumerable freed people Drawing on massive new research into the records of the Medical Division of the Freedmen s Bureau a nascent national health system that cared for more than one million freed slaves he shows how the collapse of the plantation economy released a plague of lethal diseases With emancipation African Americans seized the chance to move migrating as never before But in their journey to freedom they also encountered yellow fever smallpox cholera dysentery malnutrition and exposure To address this crisis the Medical Division hired more than 120 physicians establishing some forty underfinanced and understaffed hospitals scattered throughout the South largely in response to medical emergencies Downs shows that the goal of the Medical Division was to promote a healthy workforce an aim which often excluded a wide range of freedpeople including women the elderly the physically disabled and children Downs concludes by tracing how the Reconstruction policy was then implemented in the American West where it was disastrously applied to Native Americans The widespread medical calamity sparked by emancipation is an overlooked episode of the Civil War and its aftermath poignantly revealed in Sick from Freedom

The Work of Reconstruction Julie Saville,1994 This book examines social political and cultural conflicts opened by the abolition of slavery and the fashioning of wage relations in the era of the American Civil War It offers a new close look at the origins goals and tactics of popular political clubs created by emancipated workers in the countryside of one of the Deep South s oldest plantation states The Work of Reconstruction draws on a rich documentary record that allowed ex slaves to express in their own words and behavior the aspirations and goals that underlay their efforts Not satisfied to render freed men and women as objects of theoretical inquiry this book vividly recovers the concrete practices and language in which ex slaves achieved freedom and the expectations that they had of liberty

**Reconstruction** Claudine L. Ferrell,2003-09-30 Few periods in American history have aroused as much debate as the years immediately after the Civil War those commonly referred to simply as Reconstruction The victorious North had to determine how to treat the vanquished South and how to make a nation whole once again The divisive issues of freedom

and civil rights became even more complex than before the War and dominated national politics Also at stake was the balance of power among the executive legislative and judicial branches of government Before it was all over a president was impeached though not convicted and a rigorous plan for Reconstruction was enacted then allowed to fade as white Southerners regained power and instituted repressive Jim Crow governments This resource provides an overview essay on the period six essays on various aspects of Reconstruction a section of biographies of important players and selected and introduced primary documents What was Lincoln s view of the South and his plan for its postwar fate How did Southern whites perceive their return to the Union What motivated the Radical Republicans Why did they impeach Johnson What did the Reconstruction Amendments accomplish How did former Confederates return to power and so quickly These questions and more are addressed in this handy reference source It is the perfect starting place for student and general reader research and provides a well rounded introduction to this critical period in American history

### **Freedom After Slavery**

Lavonne Jackson Leslie Ph. D.,LaVonne Jackson Leslie,2013 Freedom After Slavery The Black Experience and the Freedmen s Bureau in Texas provides a historical study of slavery and emancipation in Texas with emphasis on the lives of slaves and freedpeople during their transition to freedom It reveals a first hand account of the experiences of slaves as they refashion their lives in the midst of formidable challenges Though services of the Freedmen s Bureau freed slaves in Texas made significant adjustments in their communities

*Murder and Mayhem* James Smallwood,Barry A. Crouch,Larry Peacock,2003 In the states of the former Confederacy Reconstruction amounted to a second Civil War one that white southerners were determined to win An important chapter in that undeclared conflict played out in northeast Texas in the Corners region where Grayson Fannin Hunt and Collin Counties converged Part of that violence came to be called the Lee Peacock Feud a struggle in which Unionists led by Lewis Peacock and former Confederates led by Bob Lee sought to even old scores as well as to set the terms of the new South especially regarding the status of freed slaves Until recently the Lee Peacock violence has been placed squarely within the Lost Cause mythology This account sets the record straight For Bob Lee a Confederate veteran the new phase of the war began when he refused to release his slaves When Federal officials came to his farm in July to enforce emancipation he fought back and finally fled as a fugitive In the relatively short time left to his life he claimed personally to have killed at least forty people civilian and military Unionists and freedmen Peacock a dedicated leader of the Unionist efforts became his primary target and chief foe Both men eventually died at the hands of each other s supporters From previously untapped sources in the National Archives and other records the authors have tracked down the details of the Corners violence and the larger issues it reflected adding to the reinterpretation of Reconstruction history and rescuing from myth events that shaped the following century of Southern politics

*The Freedmen's Bureau and Black Texans* Barry A. Crouch,2010-06-28 A look at the agency s attempts to deliver justice to the Texas black community following the Civil War Drawing on a wealth of previously unused documentation in the National Archives this book offers new insights into the

workings of the Freedmen s Bureau and the difficulties faced by Texas Bureau officials who served in a remote and somewhat isolated area with little support from headquarters The episodes in Texas Reconstruction history that Mr Crouch relates perhaps do more than broad generalizations to explain why the Freedmen s Bureau failed and how we lost the peace after the Civil War New York Times Book Review Crouch skillfully presents the Freedmen s Bureau as one of the most unique misunderstood and maligned ad hoc reform agencies ever devised by a democratic government in the name of social and political freedom and equality East Texas Historical Journal Breaks new ground in Reconstruction history Crouch s study is among the first on the bureau in Texas and the first to focus on the subdistrict agent the subassistant commissioner Journal of Southern History

**Under the Guardianship of the Nation** Paul A. Cimbala,2003-03-01 The Freedmen s Bureau was an extraordinary agency established by Congress in 1865 born of the expansion of federal power during the Civil War and the Union s desire to protect and provide for the South s emancipated slaves Charged with the mandate to change the southern racial status quo in education civil rights and labor the Bureau was in a position to play a crucial role in the implementation of Reconstruction policy The ineffectiveness of the Bureau in Georgia and other southern states has often been blamed on the racism of its northern administrators but Paul A Cimbala finds the explanation to be much more complex In this remarkably balanced account he blames the failure on a combination of the Bureau s northern free labor ideology limited resources and temporary nature as well as deeply rooted white southern hostility toward change Because of these factors the Bureau in practice left freedpeople and ex masters to create their own new social political and economic arrangements

**The Facts of Reconstruction** John R. Lynch,2015-01-19 The author of this work has endeavored to present facts as they were and are rather than as he would like to have them and to set them down without the slightest regard to their effect upon the public mind except so far as that mind may be influenced by the truth the whole truth and nothing but the truth In his efforts along these lines he has endeavored to give expression to his ideas opinions and convictions in language that is moderate and devoid of bitterness and entirely free from race prejudice sectional animosity or partisan bias
