

The background of the cover is a detailed illustration of an ancient Egyptian temple interior. A large papyrus column stands in the center, featuring a face with a headdress. Hieroglyphs are carved into the walls and columns. In the upper left, a winged bull is visible. The scene is lit with warm, golden light, creating a sense of depth and historical atmosphere.

Suffrage and the City Lauren C. Santangelo, 2019-06-07 In 1917 women won the vote in New York State Suffrage and the City explores how activists in New York City were instrumental in achieving this milestone Santangelo uncovers the ways in which the demand for women s rights intersected with the history politics and culture of New York City in the Gilded Age and Progressive Era The fight for

the vote in the nation's largest metropolis demanded that suffragists both mobilize and contest urban etiquette as they worked to gain visibility and underscore their cause's respectability. From the Polo Grounds to the Lower East Side, organizers championed political equality to anyone who would listen in the early twentieth century. Their Fifth Avenue parades showcased the various Manhattan subcultures, including industrial laborers, teachers, nurses, and even socialites, that they transformed into a broad coalition by the 1910s. Films and newspapers broadcasted their tactics to the rest of the country, just as the national suffrage organization decided to draw on Gotham's resources by moving its own headquarters to midtown and thereby turning Manhattan into the movement's capital. The city's mores, rhythms, and physical layout helped to shape what was possible for organizers campaigning within it. At the same time, suffragists helped to redefine the urban experience for white middle-class women. Combining urban studies, geography, and gender and political history, *Suffrage and the City* demonstrates that the Big Apple was more than just a stage for suffrage action; it was part of the drama. As much as enfranchisement was a political victory in New York State, it was also a uniquely urban and cultural one. **Lincoln on Trial**

Burrus M. Carnahan, 2010-02-12. The acclaimed Lincoln scholar examines the president's treatment of Southern civilians during the Civil War, shedding new light on his wartime conduct. By twenty-first century standards, President Lincoln's adherence to the laws of war would be considered questionable. But could he be condemned as a war criminal based on the accepted standards of his time? Lincoln's critics past and present have not hesitated to make the charge, while his apologists defend his actions as reasonable and humane. In *Lincoln on Trial*, Burrus M. Carnahan examines Lincoln's leadership throughout the Civil War as he struggled to balance his own humanity against the demands of his generals. Carnahan specifically scrutinizes Lincoln's conduct toward Southerners in light of the international legal standards of his time as the president wrestled with issues such as bombardment of cities, collateral damage to civilians, seizure and destruction of property, forced relocation, and the slaughter of hostages. Carnahan investigates a wide range of historical materials, from accounts of the Dahlgren raid to the voices of Southern civilians who bore the brunt of extensive wartime destruction. Through analysis of both historic and modern standards of behavior in times of war, a sobering yet sympathetic portrait of one of America's most revered presidents emerges. FCC Record, United States Federal Communications Commission, 1986.

Act of Justice. Burrus M. Carnahan, 2007-09-21. In his first inaugural address, Abraham Lincoln declared that as president he would have no lawful right to interfere with the institution of slavery. Yet less than two years later he issued a proclamation intended to free all slaves throughout the Confederate states. When critics challenged the constitutional soundness of the act, Lincoln pointed to the international laws and usages of war as the legal basis for his Proclamation, asserting that the Constitution invested the president with the law of war in time of war. As the Civil War intensified, the Lincoln administration slowly and reluctantly accorded full belligerent rights to the Confederacy under the law of war. This included designating a prisoner of war status for captives, honoring flags of truce, and negotiating formal

agreements for the exchange of prisoners practices that laid the intellectual foundations for emancipation Once the United States allowed Confederates all the privileges of belligerents under international law it followed that they should also suffer the disadvantages including trial by military courts seizure of property and eventually the emancipation of slaves Even after the Lincoln administration decided to apply the law of war it was unclear whether state and federal courts would agree After careful analysis author Burrus M Carnahan concludes that if the courts had decided that the proclamation was not justified the result would have been the personal legal liability of thousands of Union officers to aggrieved slave owners This argument offers further support to the notion that Lincoln s delay in issuing the Emancipation Proclamation was an exercise of political prudence not a personal reluctance to free the slaves In Act of Justice Carnahan contends that Lincoln was no reluctant emancipator he wrote a truly radical document that treated Confederate slaves as an oppressed people rather than merely as enemy property In this respect Lincoln s proclamation anticipated the psychological warfare tactics of the twentieth and twenty first centuries Carnahan s exploration of the president s war powers illuminates the origins of early debates about war powers and the Constitution and their link to international law

India Traders of the Middle Ages Shelomo Dov Goitein,Mordechai

Friedman,2007-11-26 The India trade in Oriental spices pharmaceutical dyeing and other materials was the backbone of medieval economy especially in the Islamic world A unique source of documentation is now available in 11th 12th century Geniza letters written in Judeo Arabic Middle Arabic in Hebrew characters by participants in this activity The documents are presented in translation with an introduction and notes They deal with economic history and material social and spiritual civilization Besides illuminating the activities of the Jewish traders of the Indian Ocean and their families in the territories from the Far East to southern Arabia and Egypt the letters contain valuable information on Jewish and Islamic culture relations between Jews and Arabs Mediterranean culture and Judeo Arabic Senate documents ,1895 **The Rifle Musket in Civil War Combat** Earl J. Hess,2016-07-11 The Civil War s single shot muzzle loading musket revolutionized warfare or so we ve been told for years Noted historian Earl J Hess forcefully challenges that claim offering a new clear eyed and convincing assessment of the rifle musket s actual performance on the battlefield and its impact on the course of the Civil War Many contemporaries were impressed with the new weapon s increased range of 500 yards compared to the smoothbore musket s range of 100 yards and assumed that the rifle was a major factor in prolonging the Civil War Historians have also assumed that the weapon dramatically increased casualty rates made decisive victories rare and relegated cavalry and artillery to far lesser roles than they played in smoothbore battles Hess presents a completely new assessment of the rifle musket contending that its impact was much more limited than previously supposed and was confined primarily to marginal operations such as skirmishing and sniping He argues further that its potential to alter battle line operations was virtually nullified by inadequate training soldiers preference for short range firing and the difficulty of seeing the enemy at a distance He notes that bullets fired from the new musket followed a parabolic trajectory unlike those fired from smoothbores at mid range those rifle balls flew well above the enemy creating two killing zones between which troops could operate untouched He also presents the most complete discussion to date of the development of skirmishing and sniping in the Civil War Drawing upon the observations and reflections of the soldiers themselves Hess offers the most compelling argument yet made regarding the actual use of the rifle musket and its influence on Civil War combat Engagingly written and meticulously researched his book will be of special interest to Civil War scholars buffs re enactors and gun enthusiasts alike **Host Bibliographic Record for Boundwith Item Barcode 30112124394922 and Others** ,1892 Official Documents, Comprising the Department and Other Reports Made to the Governor, Senate, and House of Representatives of Pennsylvania Pennsylvania,1894 **Report of the State Librarian and Director of Museum of Pennsylvania** Pennsylvania State Library and Museum (Harrisburg),1895 **Report of State Librarian** Pennsylvania State Library,1895 **Publishers' circular and booksellers' record** ,1881 The Publishers' Circular and General Record of British and Foreign Literature ,1874 **List of Books Forming the Reference Library in the Reading Room of the British Museum** British Museum.
