Grudem, 2020 A controversy of major proportions has spread throughout the church Now more than ever before gender roles are openly questioned in the wake of evangelical feminism a movement that is having a profound impact on society the home and the church This volume deals with all of the main passages of Scripture brought forward in this controversy regarding gender based role differences **Recovering from Un-Biblical Manhood and Womanhood** Susanna Krizo, 2015-03-04

The Council on Biblical Manhood and Womanhood CBMW prefers not to use the words patriarchy or hierarchy when describing their theology Yet their theology sounds and looks remarkably like the hierarchy that exists within patriarchy with its insistence that men should always be in charge and women should always obey But how solid are the arguments in favor of the man's rule over the woman and how well do they hold up under scrutiny *Recovering From Un Biblical Manhood and Womanhood A Response to Evangelical Patriarchy* examines the main arguments in an easy to read dialogue format that allows the reader to reach his/her own conclusions while enjoying a deep yet lighthearted theological discussion *The Maleness of Jesus* Neil H. Williams, 2011-01-01 At the center of Christianity is Jesus of Nazareth whose maleness is used by many to justify the subordination of women and to emphasize that men rather than women better represent Jesus This raises a number of questions that are the subject of this book What is the significance of Jesus maleness Does it reveal the character of God Is it foundational for the gospel Is Jesus maleness associated with an ongoing created order of male priority Our answers will affect Christianity's task of love justice and reconciliation in a world that is characterized by the global marginalization oppression and abuse of women **The Christian Homemaker's Handbook** Pat Ennis, Dorothy Kelley

Patterson, 2013 The ultimate guide to Christian homemaking advises readers on everything from meal planning to interior decorating biblical womanhood to budgeting serving as a comprehensive handbook for the woman and her home

Overcoming the World Missions Crisis Russell Penney, A wake up call to evangelicals to return to the biblical mandate and model for missions before we have no unique message to proclaim An alarming view of missions in the twenty first century **Serving the People of God's Presence** Terry L. Cross, 2020-10-27 Leading theologian Terry Cross

articulates the doctrine of the church's ministry from a Pentecostal perspective demonstrating how Pentecostals can contribute to and learn from the church catholic This companion volume to Cross's previous book *The People of God's Presence* proposes a radical revision of the structural framework of the local church within the often overlooked corporate priesthood of all believers Cross explores principles for leadership and ministry from the New Testament and the early church helping all believers to do the work of ministry

The Rise and Fall of the Complementarian Doctrine of the Trinity
Kevin Giles, 2017-07-14 Since the late 1970s complementarian theologians have been arguing that the divine three persons in the Trinity are ordered hierarchically and that this is the ground for the hierarchical ordering of the sexes Suddenly and unexpectedly in June 2016 a number of complementarian theologians of confessional Reformed convictions came out and said that to so construe the Trinity is heresy it is a denial of what the creeds and confessions of the church rule is the teaching of Scripture A civil war among complementarians followed and in a very short time those arguing for hierarchical ordering in the Trinity capitulated This book tells the story

Ministers of Propaganda Scott M. Coley, 2024-06-04 Scott Coley exposes the inner workings of the religious right's propaganda and how Christians can resist it Good evangelical Christians are Republican It seems like it's always been this way That means the propaganda is working Scott Coley trains a critical eye on the fusion of evangelicalism and right wing politics in *Ministers of Propaganda* This timely volume unravels rhetoric and biblical proof texting that support Christo authoritarianism an ideology that presses Christian theology into the service of authoritarian politics Coley's historically informed argument unsettles evangelical orthodoxy on issues like creation science or female leadership convictions not as unchanging as powerful religious leaders would have us believe Coley explains that we buy into propaganda because of motivated reasoning and when we are motivated by perceived self interest the Christian message is easily corrupted But if we recover Jesus's commandment to love our neighbors as ourselves right wing propaganda will lose its power Any reader troubled by American evangelicals embrace of racism misogyny and other unchristian views will find answers and hope in these pages

Created Male and Female Terrance Randall Wardlaw, 2021-01-19 In a culture where gender neutrality is the ideal why is it significant that we were created differently as male and female As the ethical consequences of the gender debate in the last generation manifest themselves this book explores biblical teaching in order to work toward a Christian perspective This discussion traces the theme of creation as male and female through the canon from the Pentateuch to the epistles and demonstrates how Pauline interpretation flows from Genesis 1:3 The grounding of the distinction between male and female in Genesis 1 as the climax of creation suggests the ethics associated with creation as male and female abide universally and for all time This book intends to present a comprehensive yet reasonably concise presentation of biblical teaching on creation as male and female without bogging down in the detailed disputes between complementarian and egalitarian writers This discussion considers each passage within its literary context and patristic writers from the first few centuries of the church function as a control on

interpretation **Nobody's Mother** Sandra L. Glahn,2023-10-10 Does saved through childbearing in 1 Timothy 2 15 mean that women are slated primarily for rearing children Sandra Glahn thinks that we have misunderstood Paul and the context to which he wrote Combining spiritual autobiography with new research on the Greek goddess Artemis Glahn lays a biblical foundation for God's view of women **The Christian Case against Contraception** Bryan C. Hodge,2010-01-01

Evangelicals often give little thought to the morality of contraception but when they do serious studies of the subject are scarce if not non-existent The Christian Case against Contraception seeks to fill this gap by evaluating the practice not from personal preferences or mere experience but from the four major theological disciplines of Christianity Historical Biblical Systematic and Practical Theology and Ethics The book begins with a contrastive analysis between secular and ecclesiastical culture and thought concerning the subject of contraception and the purpose of the sexual act The claims of the Church that contraception is morally unacceptable is examined further as the book takes the reader on a journey through biblical systematic and practical arguments which establish the foundations of the Historic Church's claim Opposing arguments are evaluated as to their strength and validity In fact Hodge stirs the debate with a challenge that he has yet to see Christians set forth a valid biblical argument in support of contraceptive practices For the reader seeking to place procreative ethics under the lordship of Christ The Christian Case against Contraception offers a bold and clear way forward Bryan Hodge approaches a subject that seems too often to be subject to our passions with sobriety and fidelity He canvasses the wisdom of the church stands firm on the authority of the Bible and in so doing directs us all to greater obedience greater faith and in the end greater joy R C Sproul Jr author of Bound for Glory Understanding Transgender Identities James K. Beilby,Paul Rhodes Eddy,2019-11-05

One of the most pressing issues facing the evangelical church today involves dramatic shifts in our culture's perceptions regarding human sexuality While homosexuality and same sex marriage have been at the forefront there is a new cultural awareness of sexual diversity and gender dysphoria The transgender phenomenon has become a high profile battleground issue in the culture wars This book offers a full scale dialogue on transgender identities from across the Christian theological spectrum It brings together contributors with expertise and platforms in the study of transgender identities to articulate and defend differing perspectives on this contested topic After an introductory chapter surveys key historical moments and current issues four views are presented by Owen Strachan Mark A Yarhouse and Julia Sadusky Megan K DeFranza and Justin Sabia Tanis The authors respond to one another's views in a respectful manner modeling thoughtful dialogue around a controversial theological issue The book helps readers understand the spectrum of views among Christians and enables Christian communities to establish a context where conversations can safely be held **What Happened in the Garden** Abner Chou,2016-04-27 Evangelicals are no strangers to the creation versus evolution debate Now the argument has spread beyond the contents of the creation account and into Genesis 2 3 with speculation about the historicity of Adam and the fall But does it matter which position one holds Is anything really at stake The faculty of The

Master s College come together to contend that the second and third chapters of Genesis are indeed historical that there are excellent reasons for believing so and that it is an essential issue within Christian thought and life The contents of these chapters establish the history of how everything in the world came to be what it is today This Scripture passage Genesis 3 especially explains what we observe in the legal system literature gender roles education psychology and science Far from irrelevant the theology and historicity of Genesis are in fact critical to our everyday lives What Happened in the Garden includes new scientific literary business educational and legal perspectives on creation Through this multidisciplinary look at the debate the contributors prove that to change our understanding of the fall is to change the way we understand reality to revise the Christian worldview and to reshape the faith itself

Black and White Bible, Black and Blue Wife Ruth A. Tucker,2016-03-01 Ruth Tucker recounts a harrowing story of abuse at the hands of her husband a well educated charming preacher no less in hope that her story would help other women caught in a cycle of domestic violence and offer a balanced biblical approach to counter such abuse for pastors and counselors Weaving together her shocking story stories of other women and powerful stories of husbands who truly have demonstrated Christ s love to their wives with reflection on biblical theological historical and contemporary issues surrounding domestic violence she makes a compelling case for mutuality in marriage and helps women and men become more aware of potential dangers in a doctrine of male headship

Gender Roles and the People of God Alice Mathews,2017-05-23 Most women in the church don t aspire to lord it over men nor do they want to scramble for position Instead they want to be accepted as full participants in God s work sharing in kingdom tasks in ways that use their gifts appropriately In *Gender Roles and the People of God* author radio host and professor at Gordon Conwell Theological Seminary Alice Mathews surveys the roles women have played in the Bible and throughout church history demonstrating both the inspiring contributions of women and the many hurdles that have been placed in their path Along the way she investigates the difficult passages often used to preclude women from certain areas of service pointing to better and more faithful understandings of those verses Encouraging and hopeful Mathews aims for an egalitarian complementarity in which men and women use all of their gifts in the church together in partnership for the glory of God

Life in the Negative World Aaron M. Renn,2024-01-30 Learning how to live in today s new social and cultural environment will require examination trial and error and adaptation over time But there are ways to live with integrity and follow Christ today even in a negative world From a peak in church attendance in the mid 20th century Christianity has been on a trajectory of decline in the United States Once positive toward Christianity and Christian moral teachings cultural shifts toward the mid 90s led many to adopt a more neutral tone toward the Christian faith seeing it as one option among many in a pluralistic public square Today however Christianity is viewed negatively and being known as a Christian often means a lower social status in elite society Christian morality is openly repudiated and viewed as a threat to the new moral order In *Life in the Negative World* author Aaron M Renn looks at the lessons from Christian cultural engagement over the past 70

years and suggests specific strategies for churches institutions and individuals to live faithfully in the negative world a culture opposed to Christian values and teachings And since there is no one size fits all solution living as a follower of Christ in the new negative world and being missionally engaged will require a diversity of strategies
