**Live, Then Live It** Peg Conley, 2014-11-17 Peg Conley has been an artist all her life but like many of us took a long detour into the working world where she was a corporate sales queen in Seattle with a lot of success and a happy busy family Art became the thing she did on vacations weekends and when she could carve time out of her busy life Something gnawed at her a nagging feeling that life might hold something else for her in the midst of it all Then came the big aha moment Peg heard a still small voice inside Imagine the life you want to live then live it It's that simple Her family encouraged Peg to pursue her passion Despite a great deal of fear Peg Conley did the thing she thought she could not do and dropped her big job big house and big life and moved to San Francisco to start a business based on her artisan stationery From a handful of handpainted cards calendars and posters her company Words Watercolors was born and has been inspiring people winning awards and raking in the sales ever since Peg's intention with her work is to inspire and her art and writing all speak to life's great truths and those aha moments for which we all need reminders What do you imagine your Ideal Life to be It may take some time for it to unveil itself You will need to have an idea of what it is you are looking to create Spend some time in contemplation For some that means a quiet meditation where images might come to you For others you might write about something you've always had a longing to create or a dream that seemed far away and not attainable yet it doesn't go away The dream nudges at you asking you to pay attention Where words work for some people pictures work for others You may want to create a vision board Gather your old magazines and begin ripping out the pictures that appeal to you or draw your own images Your Ideal Life will come alive via the images that resonate with you Don't hesitate to pick up a pen pencil or crayons even and fill the blank pages with doodles of any kind Do you still think of becoming a nurse Don't be disheartened go online and research classes you can take at your local college to start the process As someone once said if you don't start now 5 years from now you still will be where you are but if you begin with baby steps in 5 years you could be in a completely different place So ask yourself the question What does the life I long to live look like Imagine it Draw it write it collage it and just plain dream it Believe you can have it and then go about creating it as you take daily steps towards becoming an enhanced version of yourself All successful people are big dreamers They imagine what their future could be ideal in every respect and then they work every day toward their distant vision that goal or purpose

**The Meaning Of Sex** Christopher Doyle, MA LPC LCPC, 2018-03-20 In the midst of a culture where sex and gender issues are rampant two common viewpoints exist Unfortunately they are both extreme While there is an effort in the church to minister to the sexually broken many places of worship have adopted a strict ethic that leads to a fear based attitude towards those struggling with sexuality and gender identity This has caused strugglers to feel alienated and wounded from the church On the other hand secular culture has adopted the sexual liberation message If it feels good do it Sadly this idea has permeated the hearts and minds of too many Christians As a result issues such as homosexuality gender identity confusion and sex outside of marriage have become battlegrounds of division among the Body of Christ With all of this discord how do we find the true meaning of sex In The Meaning of Sex A New Christian Ethos Christopher Doyle offers a compassionate and bold philosophy on how to love thy neighbor within the confines set forth by our Savior who holds us when we struggle loves us when we fall and celebrates with us when we experience victory When we collectively pursue the wholeness Jesus calls us to the sexual ethics that bind us becomes a higher ethos that unites us Only then as we bare our souls to each other and become vulnerable with our own unique wounds can we meet our struggling brothers and sisters

*International Handbook of Sexual Addiction* Thaddeus Birchard, Joanna Benfield, 2017-09-11

The concept of sexual addiction has gained increasing recognition in the academic and healthcare communities since the 1990s. It has also captured the attention of the media where there has been much debate over whether it can truly be described as an addiction. What is certain is that many people struggle with out of control sexual behaviour which takes over their lives and has harmful consequences for their relationships, careers and finances.

The *Routledge International Handbook of Sexual Addiction* brings together a comprehensive range of perspectives on sexual addiction from a worldwide selection of scholars and therapists. It sets out to define sexual addiction and to study its causes from a range of different psychological perspectives. A series of presentations of sexual addiction are outlined including internet sexual addiction and the relationship between paraphilias and sex addiction. The handbook considers both individual and group treatment strategies drawing on a wide range of approaches including cognitive behavioural therapy, mindfulness and 12 step programmes. The book studies sex addiction in specific populations including women, adolescents and men who have sex with men. Finally it considers some of the alternative discourses surrounding the concept of sexual addiction.

This is the first comprehensive reference book to bring together global viewpoints on advances in research, theory and practice in one volume. This handbook provides an essential guide for academics and students of psychotherapy, counselling, nursing, addiction, sexualities, social work and health and social care as well as professionals in practice and in training working with sexual addiction and related issues.
