*Helping Male Survivors of Sexual Violation to Recover* Sarah Van Gogh, 2018-04-19 Placing the experiences of men at the heart of this book Sarah Van Gogh outlines an integrative approach to effective therapeutic treatment of male sexual abuse In a culture where to be male is often to be expected to embody strength power and being in control male victims of sexual abuse can be particularly challenging to help This book outlines seven composite detailed case studies representing men from a wide range of backgrounds and demographics It lays out how the author's pioneering model of an integrative approach which includes psychodynamic humanistic relational cognitive behavioural body based and arts based approaches can offer an effective model for working with this client group This key text provides a valuable resource for all those working with male survivors of sexual abuse

*Child Safety, Welfare and Well-being* Sibnath Deb, 2022-03-21 This book provides a focused and comprehensive overview of the status of children across society with special reference to emerging features and measures of child safety welfare and overall well being The book is arranged into four parts covering various dimensions of child welfare and well being In this second edition highly experienced academics researchers child rights activities and policymakers from both developed and developing countries

have contributed chapters on topics such as status of children living under institutional care sexual abuse of male children and tribal girl children issues and challenges faced by children living in conflict zones children living on the streets COVID 19 and its impact on the education of children The status of marginalized children gets special importance in the second edition The new chapters include field based experiences of researchers in protecting child rights and preventing child abuse It also considers the promising strategies and promising future directions in enhancing effective prevention intervention and responses to child abuse and neglect This volume is essential for a wide range of professionals and researchers from the social sciences law medicine and behavioral sciences It is also beneficial for policymakers and law enforcement agencies working with children

**Psychiatric Treatment of Sexual Offenders** Jamshid A. Marvasti, 2004 The approach of this book is a humanistic one that characterizes the individual suffering from paraphilia as a human being With this perspective in mind the author posits that any sexual offender who has a history of childhood trauma needs to be treated not only for the sexual offenses but also for past trauma Consisting of eight chapters the first chapter addresses the issues of paraphilias and their sexual offense behavior Chapter 2 focuses on typology and characteristics of pedophiliacs and rapists Chapter 3 details the issues of sexual offense and hypersexuality in elderly males Ch

**Unholy Communion-Lessons Learned from Life Among Pedophiles, Predators, and Priests** Hank Estrada, 2005-03-10 Turning to the Catholic Church as a means of healing from childhood abuse Hank Estrada looked for consolation and comfort but instead found cruel deception and ultimate religious betrayal at the hands of a very powerful religious machine and in particular one manipulative deviant priest UnHoly Communion is a shocking and candid account of one man's personal battle with the darker side of the Catholic Church Read the author's first hand accounts of how the Catholic Church continued to shamefully protect one of its sexual predators while he moved on from one victim to another In this heart wrenching memoir Estrada describes his road to hell and back as he lived through devastating sexual scandals and found the courage to persevere This inspiring story of determination and resilience is for anyone who has struggled with any type of childhood abuse adult exploitation or the unspeakable sex crimes from once trusted clergy Estrada connects with the reader and shows us how hope peace and love can be found if you don't give up

**Opening The Door** Adrienne Crowder, 2014-02-24 The first book available to comprehensively address the treatment of sexually abused males Opening the Door A Treatment Model for Therapy with Male Survivors of Sexual Abuse is based on current research and the carefully evolved techniques of 41 therapists who have developed expertise in working with sexually abused males It discusses both the approaches that these therapists bring to their work and presents interventions they have successfully applied in treatment Written in clear concise language Opening the Door features a four phase treatment model and presents in detail the therapeutic tasks necessary for each phase This model makes clear the significant parallels and distinctions between the processes of therapy and abuse These processes are discussed throughout the text to ensure that therapy will be a healing rather than a harmful experience The volume presents

information about the frequency of male sexual victimization the impact of this victimization on the individual primary differences between male and female victimization and the issues victims typically bring into therapy The four phase treatment model for male survivors and the therapeutic tasks of each stage is then addressed This model serves as a framework for presenting specific therapeutic interventions Chapters examine such areas as the essential processes that pertain to all therapeutic modalities individual group etc when treating male survivors of sexual abuse contracting with clients assessment guidelines and methods of evaluation individual therapy with male survivors a two stage group treatment model for male survivors which discusses contraindications for group treatment screening criteria general ground rules for the group and effective interventions critical issues in treating male survivors including engagement strategies therapeutic impasses and client therapist gender dynamics and the therapeutic process as it applies to adolescent male survivors with particular emphasis on how treatment must be carefully tailored to the developmental needs of this group Included are guidelines for working with adolescents and several interventions that contributors have successfully used with this population Since working extensively with abuse survivors can exact significant personal costs the book provides important self care strategies for therapists to incorporate into their work and lives and discusses seven ways in which to recognize and manage counter transference The volume also contains a highly comprehensive list of written video and training resources that will provide therapists with numerous avenues to expand their clinical practice and knowledge as well as seven appendices that include the DES Questionnaire and the Dean Adolescent Inventory Scale Opening the Door will be an invaluable resource for all mental health practitioners who help male victims of sexual abuse to transcend survivorship and learn to live healthy productive and vital lives

Counseling Survivors of Childhood Sexual Abuse (US ONLY) Claire Burke Draucker, Donna Martsof, 2009-02-24 Praise for the Second Edition This is a user friendly readable practical guide to assist survivors of childhood sexual abuse that will be particularly useful to students and practitioners who are new to this field Journal of Child and Adolescent Mental Health This is a book that should give those who find themselves working with sexual abuse survivors some tools and skills for the job Young Minds Magazine This book will be found valuable by all therapists and counselors not just those who have a special interest in childhood sexual abuse Many will want to follow up the well selected references the author gives The detailed index will also help one to browse and read selectively Sexual and Relationship Therapy The experience of childhood sexual abuse is a trauma which continues to have an impact on survivors throughout their lives The pervasive and long term effects that stem from sexual abuse make it vital that counselors become adept at addressing the unique and complex needs of survivors In this Third Edition of Counseling Survivors of Childhood Sexual Abuse Claire Burke Draucker and Donna S Martsof identify the significant healing processes which are essential to achieve recovery These include disclosing the abuse reinterpreting it from an adult perspective addressing issues related to the context of the abuse and making desired life changes Each of these processes is discussed in conjunction with the most

effective counselling interventions to facilitate resolution Carefully chosen case examples demonstrate the appropriate use of interventions in practice The Third Edition includes a wealth of new material covering memory retrieval outcome research multicultural counselling emerging therapeutic approaches and neuroscience and counseling Dynamics and difficulties in the therapeutic relationship are also discussed in great depth      Good Practice in Working with Victims of Violence Hazel Kemshall,Jacki Pritchard,2000 Drawing on the experiences of practitioners from a range of backgrounds this study of real or threatened physical violence and its consequences is based upon personal accounts of people who have been subjected to violence      **Clergy Pedophiles** Dr. James Freiburger,2010-06-29 Clergy Pedophiles is first and foremost a study intent on discerning characteristics specifically descriptive of clergy who sexually abuse minors Its descriptions interpretations and suggestions originate from the careful study and analysis of files containing the background intervention and treatment records of religious figures who had voluntarily entered into an inpatient psychiatric program at the direct request or demand of a supervisor The author s intent in the release of his findings is to increase the understanding of clergy pedophilia and aid in the recovery of its victims If this release should foster positive change of any kind then the effort will have been worthwhile      *Adult Survivors of Incest/childhood Sexual Abuse* ,1997      **Sexual Violence and Restorative Justice** Marie Keenan,Estelle Zinsstag,2023-02-10 Concerned by the high attrition rates for sexual crime and the secondary victimization experienced by victims during their participation in the criminal justice system this book analyses the extent to which restorative justice can address the justice gap that exists in current justice provision Building on clinical experience and earlier research on sexual crime the authors engage with the complex dynamics and traumatic impact of sexual crime as a critical starting point for their research and examine whether restorative justice can contribute to a more enhanced justice response The book presents extensive new data on restorative justice as applied in sexual violence cases across the globe It engages with feminist concerns regarding the traumatic impact of sexual violence and the potential for re traumatisation the power imbalances that characterise these offences and the potential for re victimisation the potential for coercion of the victim to participate in the process the potential for manipulation of restorative justice by the offender and the potential that restorative justice could lead to the reprivatisation of sexual crime and ultimately to its decriminalisation Having examined these topics in detail the book concludes there is an important role for restorative justice in addressing the justice gap that exists after sexual crime and offers guidance on how this can be achieved      *Child Abuse* Stanley M. Sturt,2006 Child abuse and neglect is as at a minimum any recent act or failure to act on the part of a parent or caretaker which results in death serious physical or emotional harm sexual abuse or exploitation or an act or failure to act which presents an imminent risk of serious harm Four major types of maltreatment are usually included neglect physical abuse sexual abuse and emotional abuse Although any of the forms of child maltreatment may be found separately they often occur in combination This book presents issues and research in this field      **Forensic Gynaecology** Maureen Dalton,2014-10-09 Details the provision of

good quality care to the victims of sexual and domestic violence Content suitable for postgraduate examinations
