Recruitment Of Candidates For The Canadi:

Parties, Candidates, and Constituency Campaigns in Canadian Elections Anthony Sayers, 2011-11-01 Political scientists have traditionally examined the democratic process at the macro level With its unique micro level focus *Parties Candidates and Constituency Campaigns in Canadian Elections* provides the first systematic analysis of the local constituency campaigns that are the basis of elections and democracy in Canada By taking a detailed look at campaigns in seven B C ridings during the 1988 free trade election the last under the old three party system Anthony Sayers develops a typology of candidates and campaigns The dynamics of local associations nominations and campaigns including those of former prime minister Kim Campbell and New Democrat Svend Robinson as well as key strategic events and the role of the media are reconstructed from interviews with candidates campaign managers party strategists volunteers and journalists The 1993 and 1997 elections are then invoked to show that the insights drawn about the nature of constituency politics remain relevant to the new party system This important contribution to the study of Canadian elections forcefully argues that knowledge of the dynamics at the local level is essential to a full understanding of Canadian polity its underlying social basis and the factors that determine successful election campaigns As such *Parties Candidates and Constituency Campaigns in Canadian Elections* will intrigue not only political scientists and students of Canadian politics but also election candidates and party strategists [A Matter of Quality? Candidates in Canadian General Elections](#) David Coletto, *Parties, Elections, and the Future of Canadian Politics* Amanda Bittner, Royce Koop, 2013-03-01 On May 2 2011 as Canadians watched the federal election results roll in and Stephen Harper's Conservatives achieve a majority it appeared that we were witnessing a major shift in the political landscape In reality Canadian politics had been changing for quite some time This volume provides the first account of the political upheavals of the past two decades and speculates on the future of the country's national party system By documenting how parties and voters responded to new challenges between 1993 and 2011 this book sheds light on one of the most tumultuous periods in Canadian political history *Recruiting Immigrant Workers: Canada 2019* OECD, 2019-08-13 Canada has not only the largest in terms of numbers but also the most elaborate and longest standing skilled labour migration system in the OECD Largely as a result of many decades of managed labour migration more than one in five people in Canada is foreign born one of the highest shares in the OECD 60% of Canada's foreign born population are highly educated the highest share OECD wide **The Canadian General Election of 1997** Alan Frizzell, Jon H. Pammett, 1997-10-01 The General Election of 1997 did not turn out as Jean Chretien and the Liberal Party had planned Chretien called an early election believing that his party was in a position to retain the majority they had won in 1993 They got their majority but just barely When the campaign began the focus for many Canadians was the economy and job creation National unity however quickly became a key issue and triggered the most heated debates of the campaign As was the case in 1993 the election of 1997 saw the country divided along regional lines The Bloc Quebecois remained strong in Quebec

while the Progressive Conservatives and New Democrats dominated the maritime provinces The Reform Party meanwhile won the west in a landslide becoming the Official Opposition for the first time It was Ontario however where the election was won the Liberals won all but two seats in Canada s largest province and in the end that was enough to carry Jean Chretien to victory The Canadian General Election of 1997 is a study of the key aspects of the campaign and the election itself In addition to analyzing each party s campaign authors examine the role of the media pollsters the electoral system and the voters Articles are contributed by some of the best known political writers in Canada today Anthony Westell Stephen Clarkson Peter Woolstencroft Alan Whitehorn Keith Archer Faron Ellis Andr Bernard Chris Dornan Ed Greenspon Michael Marzolini and Louis Massicotte This readable volume will appeal to an academic as well as a general readership and is ideally suited for libraries and political science courses New to this year s volume is a post election survey by Jon Pammett
