Rectangular Morning Poem:

Rectangular Morning Poem Peter Ganick,1989 *The I and the You* Jean Day,1992 **Westport Poems** Jonathan Towers,2007-04-03 A beloved familiar figure known as Jon the Walker for his daily appearances traversing the marshes and waterways of various Connecticut towns Jonathan Towers composed brief emotionally evocative poems until his suicide in 2005 after years of struggle with mental illness His work was fueled by reading and a rich inner life exploring the tarot medieval history courtly love and relationship and the pre Socratic philosophers These poems beautifully evoke a sense of place while also powerfully critiquing the forces of modern life that threaten it **Catfishes & Jackals** Susan Smith

Nash,1997 Drama Susan Smith Nash s dramas are postmodern collisions of cultures and identities which ask the audience and not always politely to look within themselves They ll discover the prejudice and arrogance they thought belonged to someone else are festering inside their own minds But so festers freedom And the world of possibilities Ana Erentxum

The Art of Practice Dennis Barone,Peter Ganick,1994 Poetry In THE ART OF PRACTICE the poem is viewed as primary not prior to or about experience but itself experience The editors make clear that neither expression description nor voice is the point of this poetry it is the embodiment of the mind discovering Jackson Mac Low **Small Press Record of Books in Print** Len Fulton,1994 **How Phenomena Appear to Unfold** Leslie Scalapino,1989 *Goya's L.A.* Leslie Scalapino,1994

Drama GOYA S L A The forgotten narrative structure of GOYA S L A may be thought to be voyeuristically looking in on the visible products of its own invisible narrative mechanisms These products are the play s characters who survive the dissociation from structure through the practice of an intellectual nomadism Scalapino has created a drastic and carnivalesque confrontation between the nomadic interiority where learning can go on and the overwhelming oversight of the forgotten structure whose own survival depends on its not being known Carla Harryman **Tyonyi** ,1990 The Champagne of Concrete Kit Robinson,1991 Poetry Kit Robinson s writing focuses on the transformation of the common place It is embedded in the familiar materials of everyday life but so changed and charged by syntax sound and rhythm that multiple meanings team up against memory making for an imaginative timeless verse full of siege and moxie Jerry Estrin

Public Domain Gil Ott,1989 **Patterns, Contexts, Time** Charles Bernstein,1990 Imaginary Movie Diane Ward,1992 Poetry Diane Ward s new book ushers us into an imaginary movie only to tell us we have never left The precise declarative elegance of Ward s lines both critique the social forces of the spectacle and situate the reader in an autonomous milieu at once public and private Ward has discovered the means of exploiting poetic language which turns language into a moral force She offers us in our collaborative improvising as readers a dignity equal to the authority of the writer Her writing provides us with the means to name what otherwise impedes change This IMAGINARY MOVIE is no skin deep technology but a connected sifting of last things Jerry Estrin The Poetry and Poetics of Michael Heller Jon Curley,Burt Kimmelman,2015-07-01 The Poetry and Poetics of Michael Heller A Nomad Memory is the first comprehensive treatment of a

singularly important American poet of the twentieth and twenty first centuries Michael Heller b 1937 has amassed a body of poetry and criticism that places him in the vanguard of modern literature and this essay collection provides the first extensive critical treatment of his varied career This book s multifaceted appraisal of his engagement with poetry as well as crucial ideas across various traditions establishes him as a preeminent writer among his contemporaries and younger generations and as a major poet in any era **Sulfur** ,1990 The River Road Michael Gottlieb,1996 **Contrafact** Norma Cole,1996 Places People Dare Not Enter Martine Bellen,1991 Poetry Martine Bellen s poems dissolve the world of ordinary conversation and etch out patterns that demand another kind of world one in which Satan is satin but still Satan And then it comes as something of a shock to find that it s in fact our ordinary world still which she has somehow gotten from a new angle A real achievement Keith Waldrop *Floating Capital* Adrian Clarke,Robert Sheppard,1991 **Aerial** ,1987
