Recycling The Past Popular Uses Of American History:

Recycling the Past Leila Zenderland, 1978-03 This is a book that explores in detail the use that Americans have made of their history for commercial cultural and ideological purposes It focuses on popular adaptations of historical incidents and artifacts to reveal how successive generations of Americans have been able to adapt their heritage to address the needs of their contemporaries Further it indicates how the past has helped to shape the attitudes of later generations toward their own society

American Culture, American Tastes Michael Kammen, 2012-10-03 Americans have a long history of public arguments about taste the uses of leisure and what is culturally appropriate in a democracy that has a strong work ethic Michael Kammen surveys these debates as well as our changing taste preferences especially in the past century and the shifting perceptions that have accompanied them Professor Kammen shows how the post traditional popular culture that flourished after the 1880s became full blown mass culture after World War II in an era of unprecedented affluence and travel He charts the influence of advertising and opinion polling the development of standardized products shopping centers and mass marketing the separation of youth and adult culture the gradual repudiation of the genteel tradition and the commercialization of organized entertainment He stresses the significance of television in the shaping of mass culture and of consumerism in its reconfiguration over the past two decades Focusing on our own time Kammen discusses the use of the fluid nature of cultural taste to enlarge audiences and increase revenues and reveals how the public role of intellectuals and cultural critics has declined as the power of corporate sponsors and promoters has risen As a result of this diminution of cultural authority he says definitive pronouncements have been replaced by divergent points of view and there is as well a tendency to blur fact and fiction reality and illusion An important commentary on the often conflicting ways Americans have understood defined and talked about their changing culture in the twentieth century

American Historical Pageantry David Glassberg, 1990 What images shape Americans perceptions of their past How do particular versions of history become the public history And how have these views changed over time David Glassberg explores these important questions by examining the pageantry craze of the

The Past is a Foreign Country David Lowenthal, 1985-11-14 Lowenthal looks at the benefits and burdens of the past how we study the past and how we change it

Toward the Visualization of History Mark Howard Moss, 2008-01-01 This book discusses the impact of visuals on the study of history by examining visual culture and the future of print providing an analysis of photography film television and computer culture The author shows how the visualization of history can become a driving social and cultural force for change

Channeling the Past Erik Christiansen, 2013-03-15 After the turmoil of the Great Depression and World War II Americans looked to the nation's more distant past for lessons to inform its uncertain future By applying recent and emerging techniques in mass communication including radio and television programs and commercial book clubs American elites working in media commerce and government used history to confer authority on their respective messages With insight and wit Erik Christiansen uncovers in

Channeling the Past the ways that powerful corporations rewrote history to strengthen the postwar corporate state while progressives communists and other leftists vied to make their own versions of the past more popular Christiansen looks closely at several notable initiatives CBS's flashback You Are There program the Smithsonian Museum of American History constructed in the late 1950s the Cavalcade of America program sponsored by the Du Pont Company the History Book Club and the Freedom Train a museum on rails that traveled the country from 1947 to 1949 exhibiting historic documents and flags including original copies of the U S Constitution and the Magna Carta It is often said that history is written by the victors but Christiansen offers a more nuanced perspective history is constantly remade to suit the objectives of those with the resources to do it He provides dramatic evidence of sophisticated calculations that influenced both public opinion and historical memory and shows that Americans relationships with the past changed as a result **American Folklore**

Studies Simon J. Bronner, 1986 *The Past Is a Foreign Country - Revisited* David Lowenthal, 2015-10-01 The past remains essential and inescapable A quarter century after the publication of his classic account of man's attitudes to his past David Lowenthal revisits how we celebrate expunge contest and domesticate the past to serve present needs He shows how nostalgia and heritage now pervade every facet of public and popular culture History embraces nature and the cosmos as well as humanity The past is seen and touched and tasted and smelt as well as heard and read about Empathy re enactment memory and commemoration overwhelm traditional history A unified past once certified by experts and reliant on written texts has become a fragmented contested history forged by us all New insights into history and memory bias and objectivity artefacts and monuments identity and authenticity and remorse and contrition make this book once again the essential guide to the past that we inherit reshape and bequeath to the future **An American Icon**

Winifred Morgan, 1988 The top hat and stars and stripes that characterize Uncle Sam today were first worn by Yankee actors portraying Brother Jonathan This book explores the complex emblematic function of the Brother Jonathan figure and its changing meaning through the decades and in a multitude of popular media **Nation Into State** Wilbur Zelinsky, 2017-03-01 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Locating American**

Studies Lucy Maddox, 1999 This collection of 17 essays first printed in *American Quarterly* the journal of the American Studies Association To mark the Association's 50th anniversary in 1998 the editor has brought together works by a group of scholars which she believes provide a window into the history and evolution of the practice of American studies Each essay originally published between 1950 and 1996 is accompanied by a commentary in which a scholar from a related field provides critical information for understanding the continuing importance of the work to the American Studies field Contributors include Gene Wise Henry Nash Smith Barbara Welter Alexander Saxton and Kevin Mumford *American*

Exceptionalism and US Foreign Policy S. McEvoy-Levy, 2001-04-06 The book examines a critical time and place in recent world history the end of the Cold War and the strategies and values employed in the public diplomacy of the Bush and Clinton Administrations to build domestic and international consensus It provides insight into the uses of Presidential power and provides a model and an illustration of how the role of rhetoric may be used to study the foreign policy of the United States

Analogies at War Yuen Foong Khong, 2020-05-05 From World War I to Operation Desert Storm American policymakers have repeatedly invoked the lessons of history as they contemplated taking their nation to war Do these historical analogies actually shape policy or are they primarily tools of political justification Yuen Foong Khong argues that leaders use analogies not merely to justify policies but also to perform specific cognitive and information processing tasks essential to political decision making Khong identifies what these tasks are and shows how they can be used to explain the U S decision to intervene in Vietnam Relying on interviews with senior officials and on recently declassified documents the author demonstrates with a precision not attained by previous studies that the three most important analogies of the Vietnam era Korea Munich and Dien Bien Phu can account for America s Vietnam choices A special contribution is the author s use of cognitive social psychology to support his argument about how humans analogize and to explain why policymakers often use analogies poorly

Mental Retardation in America Steven Noll, James Trent, 2004-02 A collection of essays and documents chronicizing the history of treatment labeling and understanding of mental retardating in the U S NYUP is one the forefront of publishing in disability studies

Harry's Farewell Richard Stewart Kirkendall, 2004 Harry s Farewell confronts the biggest issue of Truman historiography the historical significance of Harry S Truman s presidency Exploring the subject from the point of view of Truman s Farewell Address of January 15 1953 the book begins by describing the preparation of the address itself by the president and his closest advisers In it they challenged the negative view of his presidency that prevailed as he prepared to leave the White House The book goes on to appraise the presidency in terms of the topics included in the address the president and the people the economy civil rights the bomb Containment Korea and the end of the Cold War Four essays follow that cover key topics that Truman did not mention in his speech the Red Scare women s rights ethnicity and the environment The book ends with essays by two major Truman biographers who present their own interpretations of his historical significance Book Jacket
