Selected Writings of Ralph Waldo Emerson Ralph Waldo Emerson,2011-06-07 A classic collection of critical essays poems and letters from one of the greatest minds of nineteenth century America

The Red Badge of Courage Stephen Crane,1981-03-01 First published in 1895 America s greatest novel of the Civil War was written before 21 year old Stephen Crane had smelled even the powder of a sham battle But this powerful psychological study of a young soldier s struggle with the horrors both within and without that war strikes the reader with its undeniable realism and with its masterful descriptions of the moment by moment riot of emotions felt by me under fire Ernest Hemingway called the novel an American classic and Crane s genius is as much apparent in his sharp colorful prose as in his ironic portrayal of an episode of war so intense so immediate so real that the terror of battle becomes our own in a masterpiece so unique that many believe modern American fiction began with Stephen Crane

Upton Sinclair and the Other American Century Kevin Mattson,2008-05-02 Praise for UPTON SINCLAIR and the other American Century I look forward to all of Kevin Mattson s works of history and I ve notbeen disappointed yet Upton Sinclair is a thoughtful well researched and extremely eloquently told excavation of the history of theAmerican left and indeed the American nation as well as a testamentto the power of one man to influence his times Well done Eric Alterman author of When Presidents Lie A History of Official Deception and Its Consequences A splendid read It reminds you that real heroes once dwelt among us Mattson not only captures Sinclair s character but the world he inhabited with deft strokes whose energy and passion easily match his subject s Richard Parker author of John Kenneth Galbraith His Life His Politics

His Economics From the meat packing houses of Chicago to the automobile factories of Detroit to the voting booths of California Upton Sinclair cut a wide swath as a muckraking writer who exposed the injustices rendered by American industrial capitalism Now Kevin Mattson presents a much needed exploration of this complex crusader This is a thoughtful provocative and gripping account of an important figure who appeared equal parts intellectual propagandist and political combatant as he struggled to illuminate the other American century inhabited by the poor and powerless Steven Watts author of The People s Tycoon Henry Ford and the American Century
