The Red Cottage Hannah Linder, 2025-11-01 Relish another Gothic Style Regency from Hannah Linder in this tale of a maiden whose memories and dreams are brutally stolen **Red Cottage** Dennis Finnell, 1991 This book was the winner of the 1990 Juniper Prize the annual poetry award sponsored by the University of Massachusetts Press In this collection of poems Dennis Finnell delves into identity or what the title piece calls a slender awareness of merged parallels His subjects range from the apparition of his ancestor Mary Keenan to Leo Tolstoy and Charlie Parker to various homes such as St Louis and Hannibal Dunstanburgh Castle and the Aleutian Islands As Finnell explores people the material world and language the variegated self learns to understand that it is the offspring of matter and words a child whose ears record sounds of dead stars Red Cottage gathers together poems which have for years nurtured and enriched my sense of the humane illuminating possibilities of poetry Mr Finnell has invented out of the pains of isolation and the pains of unmediated human contact the most habitable music that I know The courage of these poems never falters Their welcome is endless If you were to ask me where the American language lives I would without hesitation answer in Red Cottage Donald Revell editor Denver Quarterly

The Red Cottage : a Memoir Elizabeth Sweder, 2015 In this memoir Liz tells of growing up in a large family in the 1940s and 1950s moving multiple times during World War II until settling in Minneapolis after the war Every summer the family returned to their Swedish style cottage on Jewett Lake near Fergus Falls Minnesota This book her first celebrates the enduring values of family and place Page 4 of cover **The seven streams** Aya Dragon Rider, 2020-10-29 The worries about the spaces of nothingness and a glorious rainbow light in the forest are the beginning of Sven's journey which leads him to discover a country so brand new that it cannot be found on the old dusty world map at school But with awakened curiosity and heartfelt courage he has no doubt at all A country with such an incredible beautiful flag where the colors are creating enchanting music must be worth fighting for even though no one knows the name of the country yet and not everyone can hear the symphonies of the colors **The Pankhursts** Martin Pugh, 2013-12-31 The suffragettes outraged Victorian society but their personal lives were just as dramatic as their public actions In this gripping and incisive account of the Pankhursts Martin Pugh reveals the full story behind this unique family Emmeline the domineering mother Christabel the favourite daughter who became an Adventist and admirer of Mussolini Sylvia the scarlet woman and Adela banished to Australia after a bitter rift The result is a narrative that reads like a novel and a brilliant insight into the history of a family that changed the face of British society for ever **Somme 1916** Paul Kendall, 2016-06-28 What really happened on the first day of the Somme Much controversy has surrounded the Somme offensive relating to its justification and its impact upon the course of the war General Sir Douglas Haig's policies have been the subject of considerable debate about whether the heavy losses sustained were worth the small gains that were achieved which appeared to have little strategic value That was certainly the case on many sectors on 1 July 1916 where British soldiers were unable to cross No Man's Land and failed to reach or

penetrate into the German trenches In other sectors however breaches were made in the German lines culminating in the capture that day of Leipzig Redoubt Mametz and Montauban This book aims to highlight the failures and successes on that day and for the first time evaluate those factors that caused some divisions to succeed in capturing their objectives whilst others failed An important new study this book is certain to answer these questions as well as challenging the many myths and misconceptions surrounding the battle that have been propagated for the last 100 years Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

Sylvia Pankhurst Rachel Holmes, 2020-09-17 A wonderful book Holmes sublimely illuminates Sylvia's extraordinary life The Times A masterpiece Vanessa Redgrave _____ Born into one of Britain's most famous activist families Sylvia Pankhurst was a natural rebel A free spirit and radical visionary history placed her in the shadow of her famous mother Emmeline and elder sister Christabel Yet artist Sylvia Pankhurst was the most revolutionary of them all Sylvia found her voice fighting for votes for women imprisoned and tortured in Holloway prison more than any other suffragette But the vote was just the beginning of her lifelong defence of human rights She engaged with political giants warned of fascism in Europe championed the liberation struggles in Africa and India and became an Ethiopian patriot Her intimate life was no less controversial The rupture between Sylvia Emmeline and Christabel became worldwide news while her romantic life drew public speculation and condemnation Rachel Holmes interweaves the personal and political in an extraordinary celebration of a life in resistance painting a compelling portrait of one of the greatest unsung political figures of the twentieth century A monument to an astonishing life Daily Telegraph Best Biographies of 2020 A robust and sensitive biography Sunday Times History Books of the Year A moving powerful biography Guardian
