Red Land, Yellow River Ange Zhang, 2019-09-01 The amazing dramatic and painful autobiographical story of Ange Zhang as he came of age during the Cultural Revolution in China When Mao's Cultural Revolution took hold in China in June 1966 Ange Zhang was thirteen years old His father was a famous writer Shortly after the revolution began many of Ange's classmates joined the Red Guard Mao's youth movement and they drove their teachers out of the classrooms But in the weeks that followed Ange discovered that his father's fame as a writer now meant that he was a target of the new regime When his father was arrested he began to question everything that was happening in his country Finally Ange was forced to join many other young urban Chinese students in the countryside for re education where he found the emotional space to develop his own artistic talent and to find that he like his father was an artist except that Ange's talent lay in painting and drawing This dramatic painful autobiographical story is complemented by photographs many drawn from Ange's personal collection as well as a non fiction section that explains the historical period and is also illustrated with archival images Key Text Features author's note glossary Correlates to the Common Core State Standards in English Language Arts CCSS ELA LITERACY RI 6 7 Integrate information presented in different media or formats e g visually quantitatively as well as in words to develop a coherent understanding of a topic or issue *Historical Dictionary of the Chinese Cultural Revolution* Guo Jian, Yongyi Song, Yuan Zhou, 2015-07-23 As the world's only English language historical dictionary of the Chinese Cultural Revolution 1966 1976 this book offers a comprehensive coverage of major historical figures events political terms and other matters relevant to this unique period of modern Chinese history that had profound influence on social and cultural movements of the world in the 1960s and 1970s This second edition of *Historical Dictionary of the Chinese Cultural Revolution* covers its history through a chronology an introductory essay glossary and an extensive bibliography The dictionary section has over 400 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about this important period in Chinese history *The A to Z of the Chinese Cultural Revolution* Guo Jian, Yongyi Song, Yuan Zhou, 2009-09-17 The Cultural Revolution in the People's Republic of China started in 1966 and lasted about a decade This revolutionary upsurge of Chinese students and workers led by Mao Zedong wreaked havoc in the world's most populous country often turning things upside down and undermining the party government and army while simultaneously weakening the economy society and culture Tens of millions of people were killed injured or imprisoned during this period and relatively few benefited aside from Mao Zedong and the Gang of Four the group that would eventually receive the blame for the events of the Cultural Revolution Given the turbulence and confusion it is hard to know just what happened The A to Z of the Chinese Cultural Revolution tackles this task First in an extensive chronology which traces the events from year to year and month to month then in an introduction puts these events in context and helps to explain them But most importantly the bulk
