Red Pawns:

Blue Pawn, Red Pawn and the Communist Party of Vietnam's Gambit for Legitimacy Nguyen Hoang Thanh Danh, 2025-03-10 This is a long awaited book discussing systematically the political system in Vietnam Why has the present political regime continued for such a long period and what are the resources of legitimacy concerning the communist rule The book also covers the recent development in the political scene including the anti corruption campaign and the frequent changes in the top leadership Shiraishi Masaya Emeritus Professor Waseda University Former Chairman Japan Society for Vietnamese Studies As a business journalist at Forbes Vietnam understanding shifts in socioeconomic trends and policymaking processes is crucial for my work I am pleased to endorse this research book on Vietnam politics and the legitimacy building of the one party state s leadership The book delves into the intricate dynamics of the Communist Party of Vietnam s legitimacy which are instrumental in understanding the economic policies and reforms that have shaped Vietnam s growth especially since the Doi Moi era The exploration of current challenges including Western influence corruption governance issues and territorial disputes offers a comprehensive understanding of the pressures faced by the CPV While the book may not be an easy read for the general public it remains a valuable and rare contribution to the study of Vietnam politics an area that in my opinion has not been covered well or frequently enough Nguyen Trong Nam Journalist Forbes Vietnam

Wonderland, 2015 Wonderland is a warm and engaging relationship drama revolving around four couples at very different stages of life the star crossed singles blissful newlyweds hot new lovers and long term marrieds We join them as they navigate the light hearted and sometimes painful minefield of love and friendship *Red Pawns* Leonard Wibberley, 1973

Interactive Storytelling Ido A Iurgel, Nelson Zagalo, Paolo Petta, 2009-11-24 The rich programme of ICIDS 2009 comprising invited talks technical presentations and posters demonstrations and co located post conference workshops clearly underscores the event s status as premier international meeting in the domain It thereby confirms the decision taken by the Constituting Committee of the conference series to take the step forward out of the national cocoons of its precursors ICVS and TIDSE and towards an itinerant platform reflecting its global constituency This move reflects the desire and the will to take on the challenge to stay on the lookout critically reflect upon and integrate views and ideas findings and experiences and to promote interdisciplinary exchange while ensuring overall coherence and maintaining a sense of direction This is a significant enterprise The challenges sought are multifarious and must be addressed consistently at all levels The desire to involve all research communities and stakeholders must be matched by acknowledging the differences in established practices and by providing suitable means of guidance and introduction exposition and direct interaction at the event itself and of lasting and increasingly living documentation of which the present proceedings are but an important part Through the Looking Glass Lewis Carroll, 2007
