The Road to Mount Lemmon Mary Ellen Barnes,2016-10-01 As you wind your way up the Catalina Highway it doesn t matter whether you re a first time visitor or a native Tucsonan you know you re on the way to someplace special The Santa Catalina Mountains first captivated Tony Zimmerman on a 1937 hunting trip Regard for the alpine beauty must have been in his genes he was the son of Swiss German immigrants and by 1940 the Tucson schoolteacher had begun taking his family to Mount Lemmon to spend the summer Back then the road up the

mountain was a rough two track dirt road from Oracle and Summerhaven was nothing but a sleepy cluster of summer cabins But Tony Zimmerman was to help change all of that The Road to Mount Lemmon is a beguiling memoir of the Catalina Mountains told by the daughter of one of the pioneers in the life and development of Mount Lemmon s communities Mary Ellen Barnes tells how her father Tony resigned from teaching in 1943 to devote his career to the development of this mountain oasis He not only sold real estate for long time landowner Randolph Jenks he even bought the village s tiny two room store installing a sawmill to build a larger store and built the Mount Lemmon Inn And as she spins Tony s personal saga she also gives readers a glimpse of the Catalinas before Tucson became a boom town recalling idyllic adventures in wild country and the cowboys rangers ranchers and loggers who worked there Barnes tells Tony s story as if sharing it with family evoking her father s personality on every page The Road to Mount Lemmon is an intimate view of a mountain community over the course of nearly sixty years a view that few people have shared but one all can appreciate *Bulletin* ,1923

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
