A work of history a manifesto and an intergenerational story of resistance that shows how two centuries of Indigenous struggle created the movement proclaiming Water is Life In 2016 a small protest encampment at the Standing Rock reservation in North Dakota initially established to block construction of the Dakota Access oil pipeline grew to be the largest Indigenous protest movement in the twenty first century attracting tens of thousands of Indigenous and non Native allies from around the world Its slogan Mni Wiconi Water is Life was about more than just a pipeline Water Protectors knew this battle for Native sovereignty had already been fought many times before and that even after the encampment was gone their anti colonial struggle would continue In *Our History is the Future* Nick Estes traces traditions of Indigenous resistance leading to the NoDAPL movement from the days of the Missouri River trading forts through the Indian Wars the Pick Sloan dams the American Indian Movement and the campaign for Indigenous rights at the United Nations While a historian by trade Estes also draws on observations from the encampments and from growing up as a citizen of the Oceti Sakowin the Nation of the Seven Council Fires making *Our History is the Future* at once a work of history a personal story and a manifesto

Red Road – integraal Derib,2021-11-24T00:00:00+01:00 Via deze geweldige sage volgt Derib het lot van een familie maar ook van een volk dat hem dierbaar is de Indianen van Noord Amerika 150 jaar nadat de geest van Hij die tweemaal geboren werd zich bij zijn voorouders voegde weet zijn achterkleinzoon Amos niets van wanneer de groene weiden tot zijn familie behoorden Opgesloten in zijn reservaat nemen bier en sigaretten de plaats in van Wakatanka en lijkt het verleden dood Maar de geest van een volk sterft nooit echt vooral zolang er nog kunstenaars over zijn om een authentieke en historische visie op dit Amerika van gisteren en vandaag te herstellen

The Illustrated Poetry of Crazy Bear Michael Smith,2025-01-28 His name is Michael Ray Smith He was born in Sacramento CA He is Comanche and Irish He was a Marine He is a Sundancer That doesn't say much about who he is where he's been or what he's doing Or does it He has walked many paths in his life and done many things in many places with many different people He's seen things no man should have to see and he's seen things anyone would be blessed to see His artwork portrays some of these experiences through his paintings and writing he attempts to share some of the sights and feelings that have crossed his path these many years Some of his work depicts the stark realities of his youth and the process of growth he underwent as he moved through the darkness Some of it represents his sense of humor and the joy he has always felt when interacting with nature spirits Other parts of his work show the curiosity that's always causing him to look outside himself beyond his borders He paints things that make him laugh or make him cry or both at once His paintings range from

symbolic spiritual work to fantasy to shocking reality Much of his work is very esoteric Spirit moves him to tell stories with his paintings His work has had a tremendous impact on those who have walked in that story Most people see his painting The Sniper a painting of an NVA sniper in a bamboo stand pointing an AK47 straight at the viewer and say Huh because they fail to comprehend what it means they don't feel it If they watch a Nam vet from the 101st Airborne view the painting they'll see some of what they missed by seeing his reaction to it His poetry and prose cover a similar range of subjects and elicit like responses Often he prefers to present a poem along with a painting on the same topic he finds it helps tell the story better He is a painter a writer a sculptor and a teacher He is a storyteller with a paintbrush RED ROAD TOME 7 : WAKAN
