Red Army And Society A Sociology Of The Soviet Military

Robert Barylski

Red Army And Society A Sociology Of The Soviet Military:

Red Army and Society Ellen Jones, 2021-01-26 This book first published in 1985 is the first full length study of the Soviet Armed Forces as a social institution Using military manpower as a substantive focus it identifies those characteristics that the Soviet military shared with counterparts in non communist systems and those that were unique to the society and political culture in which it was embedded The discussion encompasses defence policy making as a whole and focuses on conscription policy the characteristics of the professional military the role of the political officer the mechanics of political socialization within the Red Army and the experience of ethnic minorities in the armed forces This analysis provides a window through which we can observe the broader military system at work how that system affects and in turn is affected by the economic social and political life of the Soviet Union It contributes to our understanding of civil military relations in communist systems and to our knowledge of Soviet political and social trends

Red Army and Society. A Sociology of the Soviet Military. [Mit Tab. U. Diagr.] (1. Publ.) Ellen Jones, 1985 *Military Masculinity and Postwar Recovery in the Soviet Union* Erica L. Fraser, 2019-01-01 Catastrophic wartime casualties and postwar discomfort with the successes of women who had served in combat roles combined to shatter prewar ideals about what service meant for Soviet masculine identity The soldier had to be re imagined and resold to a public that had just emerged from the Second World War and a younger generation suspicious of state control In doing so Soviet military culture wrote women out and attempted to re establish soldiering as the premier form of masculinity in society *Military Masculinity and Postwar Recovery in the Soviet Union* combines textual and visual analysis as well as archival research to highlight the multiple narratives that contributed to rebuilding military identities Each chapter visits a particular site of this reconstruction including debates about conscription and evasion appropriate role models for cadets misogynist military imagery in cartoons the fraught militarized workplaces of nuclear physicists and the first cohort of cosmonauts who represented the completion of the project to rebuild militarized masculinity

Understanding Soviet Society Michael Paul Sacks, Jerry G. Pankhurst, 2013-10-15 First Published in 1988 *Understanding Soviet Society* has grown out of the authors experience as sociologists researching and teaching about the Soviet Union Meant initially as an update to *Contemporary Soviet Society Sociological Perspectives* from 1980 this became a new volume because of the addition of six new authors but also because of the major changes occurring in the USSR today that in many ways necessitated new approaches It examines the fundamental institutions of Soviet society from work and social welfare to politics and the Party in order to provide an objective understanding of the social underpinnings of the Soviet System *Military and Society in Post-Soviet Russia* Stephen L. Webber, Jennifer G. Mathers, 2006 This collection provides the first comprehensive analysis of the nature of the relationship between the military and society in post Soviet Russia It brings together a multidisciplinary group of leading Western and Russian experts to investigate both the ways in which developments in the Russian armed forces influence Russian society and the impact of

broader societal change on the military sphere

The Routledge Handbook of Soviet and Russian Military Studies

Alexander Hill, 2025-02-24 This handbook brings together historical and contemporary essays about Soviet and Russian military studies to offer a comprehensive volume on the topic. Comprising essays written by acknowledged specialists, the handbook examines the development of the Russian and Soviet armed forces from the Napoleonic Wars all the way through to the course and conduct of the Special Military Operation in Ukraine. Divided into thematic and chronological sections, the volume looks at wars fought by the Tsarist regime through to the First World War, the Soviet Union's Great Patriotic War from 1941 to 1945, the Cold War including the Soviet war in Afghanistan, and Russia's post-Soviet wars and military development. In addition, the volume also includes a section that analyses a number of overarching themes including the development of Russian and Soviet airpower, partisan warfare, counterinsurgency, and the role of women in Russian and Soviet armed forces. The volume concludes with an essay looking at whether, using the historical material and material on the conduct of the war in Ukraine, we can reasonably talk of a Russian way of war. This volume will be of considerable interest to students of the Soviet Union and Russia, strategic studies, and military history.

Living Soviet in Ukraine from Stalin to Maidan Michael T. Westrate, 2016-04-29 What the world is now witnessing in Ukraine is the cumulative effect of history and memory in the lives of the people of the region, and this book directly addresses those subjects. Although the majority of scholarship on the Soviet Union focuses on top-level political and intellectual elites, these groups were only tiny minorities. What was life like for the rest of society? What was it like for the vast population that usually supported the regime, mostly accepted the rules, essentially internalized the ideology, and generally made the same choices as their neighbors and friends? What was it like to live Soviet as the USSR hit its peak as a superpower and then fell apart? What was it like to live Soviet in Ukraine in the decade after independence? This book answers those questions. It is an oral history of a group of military colonels and their wives, children, and contemporaries covering their lives from childhood to the present. During this period, these military families went from comfortable economic circumstances, professional prestige, and political influence as part of the Soviet upper stratum to destitution and disgrace in the 1990s. Today, many of them are part of Europe's largest ethnic minority, Russians in Ukraine. The geographic focus is Kharkiv, the second largest city in Europe's second largest country, a Russian-speaking city in eastern Ukraine. Based on 3,000 pages of interview transcripts and supplemented with materials gleaned from unprecedented access to personal, family, and institutional archives, the book investigates how families endured shifting social, cultural, and political realities. By analyzing the lives of individuals in context, Westrate provides insights at the grassroots level. He reveals how ideological, professional, gender, ethnic, and national imperatives, as developed and transmitted by elites, were internalized, transformed, or rejected by the rank and file. He reveals how the subjective identities of individuals and small groups developed and changed over time and how that process relates to the parallel projects pursued by the leaders of their countries. In the process, he shows what those experiences have to offer the study of Soviet

post Soviet and transnational history bridging the boundaries created by the collapse of the USSR and exploring the foundations of both twenty first century Ukraine and today s conflicts *Air University Library Index to Military Periodicals*,1999

The Soviet-Afghan War Gregory Fremont-Barnes,2024-02-15 A fully illustrated overview of the USSR s bloody conflict in Afghanistan and its long legacy The Soviet invasion of its neighbour Afghanistan in December 1979 sparked a nine year conflict until Soviet forces withdrew in 1988 89 dooming the communist Afghanistan government to defeat at the hands of the mujahideen the Afghan popular resistance backed by the USA and other powers Gregory Fremont Barnes reveals how the Soviet invasion had enormous implications on the global stage it prompted the US Senate to refuse to ratify the hard won SALT II arms limitation treaty and the USA and 64 other countries boycotted the 1980 Moscow Summer Olympics For Afghanistan the invasion served to prolong the interminable civil war that pitted central government against the regions and faction against faction Updated and revised for the new edition with full colour maps and new images throughout this succinct account explains the origins events and consequences of the Soviet intervention in Afghanistan shedding new light on the more recent history and prospects of that troubled country

Afghanistan And The Soviet Union Milan Hauner,2019-08-26 Since the dramatic events of a decade ago the revolutions in Kabul and Teheran the Soviet invasion of Afghanistan and the Gulf War Greater Central Asia has recaptured the imagination of academia Historians Islamicists anthropologists political scientists and defense analysts began to convene conferences and to produce collective volumes that concentrated on two seemingly unrelated subjects the continuity and strength of ethnocultural patterns in Muslim Central Asia on the one hand and the limited range of U S military options for defense of the oil rich Gulf region against hypothetical Soviet invasion on the other The contributors to this volume were asked to focus on the long term significance of the junction between Afghanistan and Soviet Eurasia through the Midlands region a relationship that could have wide implications

Strategic Power Carl G. Jacobsen,1990-02-23 This book highlights the impact and relevance of strategic culture Each section contains essays contrasting United States and Soviet perceptions on specific topics Each section closes with a synthesizing commentary to help readers to get a better sense of differences and similarities

The Soviet Union Today James Cracraft,2014-12-10 This newly revised and expanded second edition of *The Soviet Union Today* provides a comprehensive introduction to contemporary Soviet reality Written by thirty experts the book is divided into eight general sections history politics the armed forces the physical context the economy science and technology culture and society The individual chapters which are intended to respond to the questions most frequently asked about the Soviet Union are devoted to everything from the Lenin cult to the KGB from Soviet architecture to Soviet education from the status of women and ethnic minorities to the question of religion All of the chapters from the first edition have been updated and five new chapters on the Soviet cinema mass media foreign trade arms control and the legal system have been added An annotated list of further reading suggestions and a special Note for Travelers enhance this volume s usefulness Students teachers journalists

prospective tourists and anyone interested in Soviet life will find this new edition of *The Soviet Union Today* an essential and stimulating guide to understanding the world's largest country **Developments in Soviet Politics** Stephen White, Alex Pravda, Zvi Gitelman, 1990-07-06 Written by a team of leading scholars this book meets the need for an up to date account on the political system and policy progress which is emerging and an analysis of the future prospects of the Gorbachev revolution **The Soldier in Russian Politics 1988-1996** Robert V. Barylski, *Military Manpower, Armies and Warfare in South Asia* Kaushik Roy, 2015-10-06 Roy investigates the various factors that influenced the formation and mobilization of military forces in the region from 300 BC to the modern day **The Oxford Handbook of the Cold War** Richard H. Immerman, Petra Goedde, 2013-01-31 The Oxford Handbook of the Cold War offers a broad reassessment of the period war based on new conceptual frameworks developed in the field of international history Nearing the 25th anniversary of its end the cold war now emerges as a distinct period in twentieth century history yet one which should be evaluated within the broader context of global political economic social and cultural developments The editors have brought together leading scholars in cold war history to offer a new assessment of the state of the field and identify fundamental questions for future research The individual chapters in this volume evaluate both the extent and the limits of the cold war's reach in world history They call into question orthodox ways of ordering the chronology of the cold war and also present new insights into the global dimension of the conflict Even though each essay offers a unique perspective together they show the interconnectedness between cold war and national and transnational developments including long standing conflicts that preceded the cold war and persisted after its end or global transformations in areas such as human rights or economic and cultural globalization Because of its broad mandate the volume is structured not along conventional chronological lines but thematically offering essays on conceptual frameworks regional perspectives cold war instruments and cold war challenges The result is a rich and diverse accounting of the ways in which the cold war should be positioned within the broader context of world history **The Soldier in Russian Politics, 1985-96** Robert Barylski, 2018-04-17 If Russia is to become a viable democracy it will need a viable state to make and enforce decisions that nurture societal cohesion and sustain complex economic activity Armed forces are essential attributes of viable modern states but what happens when states undergo major structural changes What was the military's contribution to the end of the Soviet Union and the rise of post Soviet Russia The Soldier in Russian Politics is the first study to go beyond familiar accounts of the main events that brought down the Soviet state and began its reconstruction It captures the interplay between soldier and civilian politicians in a major political history based on solid political sociological analysis Barylski uses the study of civil military relations to explore new political and intellectual conditions and explain the historic relationship between changes in Western models of Russian reality and political change in the former Soviet Union Examining the military's participation in every major twentieth century political change from 1917 to 1991 Barylski demonstrates that every deep political transformation in Russia has military dimensions

Barylski discusses how the Russian presidency's power to command and control the military without legislative checks and balances led to armed conflict with Parliament in October 1993 and to the Chechen war of 1994-1996 and is unhealthy for long term democratic development. Barylski analyzes ministers of defense Yazov, Shaposhnikov, Grachev and Rodionov as political actors, traces the careers of ambitious political soldiers such as Aleksandr Lebed and Aleksandr Rutskoi and describes the military's growing political alienation from the Yeltsin administration. His final chapters cover the presidential elections, the short-lived Yeltsin-Lebed political alliance, the tensions associated with Yeltsin's ailments and Yeltsin's efforts to rebuild his personal power, political effectiveness. *The Soldier in Russian Politics* presents political history in an incisive and objective manner. It applauds the progressive officers, soldiers and politicians where decisions minimized bloodshed and prevented civil war. But it also warns that civilian and military leaders can make mistakes which cause political institutional failure, violence and dictatorship. This book will interest political scientists, political sociologists, students of Russian and Soviet politics and all military historians and professionals.

The KGB Amy W. Knight, 2021-01-26. This book first published in 1990 examines the origins and evolution of the security police, considering the continuities as well as changes in its function as guardian of the regime's security. It analyses the KGB's involvement in Kremlin politics, the structure and organisation of the KGB, its formal tasks and legal prerogatives as set forth by the Party leadership and the actual functions it performs on behalf of the Soviet regime. Underlying this analysis is an attempt to assess the power and authority of the KGB relative to other political institutions and to explain the crucial dynamics of the Party-KGB relationship.

A History Of Russia Volume 2 Walter G. Moss, 2004-10-01. Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects. He has also brought the history up to date by revising the post-Soviet material which now covers events from the end of 1991 up to the present day. This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US, Canada and around the world.

Militarizing Men Maya Eichler, 2011-10-26. A state's ability to maintain mandatory conscription and wage war rests on the idea that a real man is one who has served in the military. Yet masculinity has no inherent ties to militarism. The link between men and the military, argues Maya Eichler, must be produced and reproduced in order to fill the ranks, engage in combat and mobilize the population behind war. In the context of Russia's post-communist transition and the Chechen wars, men's militarization has been challenged and reinforced. Eichler uncovers the challenges by exploring widespread draft evasion and desertion, anti-draft and anti-war activism led by soldiers' mothers and the general lack of popular support for the Chechen wars. However, the book also identifies channels through which militarized gender identities have been reproduced. Eichler's empirical and theoretical study of masculinities in international relations applies for the first time the concept of militarized masculinity developed by feminist IR scholars to the case of Russia.

The book delves into Red Army And Society A Sociology Of The Soviet Military. Red Army And Society A Sociology Of The Soviet Military is a crucial topic that needs to be grasped by everyone, ranging from students and scholars to the general public. The book will furnish comprehensive and in-depth insights into Red Army And Society A Sociology Of The Soviet Military, encompassing both the fundamentals and more intricate discussions.

1. The book is structured into several chapters, namely:
 - Chapter 1: Introduction to Red Army And Society A Sociology Of The Soviet Military
 - Chapter 2: Essential Elements of Red Army And Society A Sociology Of The Soviet Military
 - Chapter 3: Red Army And Society A Sociology Of The Soviet Military in Everyday Life
 - Chapter 4: Red Army And Society A Sociology Of The Soviet Military in Specific Contexts
 - Chapter 5: Conclusion
 2. In chapter 1, this book will provide an overview of Red Army And Society A Sociology Of The Soviet Military. This chapter will explore what Red Army And Society A Sociology Of The Soviet Military is, why Red Army And Society A Sociology Of The Soviet Military is vital, and how to effectively learn about Red Army And Society A Sociology Of The Soviet Military.
 3. In chapter 2, the author will delve into the foundational concepts of Red Army And Society A Sociology Of The Soviet Military. The second chapter will elucidate the essential principles that need to be understood to grasp Red Army And Society A Sociology Of The Soviet Military in its entirety.
 4. In chapter 3, the author will examine the practical applications of Red Army And Society A Sociology Of The Soviet Military in daily life. This chapter will showcase real-world examples of how Red Army And Society A Sociology Of The Soviet Military can be effectively utilized in everyday scenarios.
 5. In chapter 4, the author will scrutinize the relevance of Red Army And Society A Sociology Of The Soviet Military in specific contexts. The fourth chapter will explore how Red Army And Society A Sociology Of The Soviet Military is applied in specialized fields, such as education, business, and technology.
 6. In chapter 5, this book will draw a conclusion about Red Army And Society A Sociology Of The Soviet Military. This chapter will summarize the key points that have been discussed throughout the book.
- The book is crafted in an easy-to-understand language and is complemented by engaging illustrations. It is highly recommended for anyone seeking to gain a comprehensive understanding of Red Army And Society A Sociology Of The Soviet Military.

Red Army And Society A Sociology Of The Soviet Military Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Red Army And Society A Sociology Of The Soviet Military PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Red Army And Society A Sociology Of The Soviet Military PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Red Army And Society A Sociology Of The Soviet Military free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your

fingertips.

FAQs About Red Army And Society A Sociology Of The Soviet Military Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Red Army And Society A Sociology Of The Soviet Military is one of the best book in our library for free trial. We provide copy of Red Army And Society A Sociology Of The Soviet Military in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Red Army And Society A Sociology Of The Soviet Military. Where to download Red Army And Society A Sociology Of The Soviet Military online for free? Are you looking for Red Army And Society A Sociology Of The Soviet Military PDF? This is definitely going to save you time and cash in something you should think about.
