Red Badge Of Courage Selected Prose:

The Red Badge of Courage, and Selected Prose and Poetry Stephen Crane, 1968 *The Red Badge of Courage* Stephen Crane, 1960 **New Essays on The Red Badge of Courage** Lee Clark Mitchell, 1986-11-28 First published in 1895 The Red Badge of Courage found immediate success and brought its author immediate fame In his introduction to this volume Lee Clark Mitchell discusses how Crane broke with the conventions of both fiction and journalism to create a uniquely disruptive prose style The five essays that follow each explore different aspects of the novel One studies the problem of establishing the authentic text another examines it as a war novel a third considers it as a critique of the rising mood of militant imperialism in the 1890s a fourth focuses on the double perspective of the novel its shift between the hero's perspective and a larger cosmic one and the final essay examines the novel's deconstruction of courage cowardice Written in a highly accessible style these essays represent the best of recent scholarship and provide students with a useful introduction to this major novel **The Red Badge of Courage** Stephen Crane, 2011-11-17 Stephen Crane described his novel of the American Civil War as a psychological portrait of fear Although he never experienced the horror of battle himself Crane based his realistic narrative largely on stories told by Civil War veterans While those accounts tended to focus on the external action of warfare the young newspaper reporter aspired to illustrate the internal experience of the soldier What does a man think and feel when he must kill or be killed When in the chaos of battle will fear paralyze him or worse cause him to turn coward and run In a sense modern American fiction begins with Crane's masterful impressionistic depiction of Private Henry Fleming under fire At War with The Red Badge of Courage Kevin J. Hayes, 2021 The story of the critical reception of Crane's great Civil War novel from its publication to the present with particular attention to the effects of later wars on that reception *The red badge of courage, and selected prose and poetry, ed* Stephen Crane, *The Red Badge of Courage* Stephen Crane, 1956 *The Real Thing* Miles Orvell, 2014-08-25 In this classic study of the relationship between technology and culture Miles Orvell demonstrates that the roots of contemporary popular culture reach back to the Victorian era when mechanical replications of familiar objects reigned supreme and realism dominated artistic representation Reacting against this genteel culture of imitation a number of artists and intellectuals at the turn of the century were inspired by the machine to create more authentic works of art that were themselves real things The resulting tension between a culture of imitation and a culture of authenticity argues Orvell has become a defining category in our culture The twenty fifth anniversary edition includes a new preface by the author looking back on the late twentieth century and assessing tensions between imitation and authenticity in the context of our digital age Considering material culture photography and literature the book touches on influential figures such as writers Walt Whitman Henry James John Dos Passos and James Agee photographers Alfred Stieglitz Walker Evans and Margaret Bourke White and architect designers Gustav Stickley and Frank Lloyd Wright

Whaley, 2013 Oliver Stone has written and directed many memorable films while also developing a reputation for tackling controversial subjects such as the Turkish prison system *Midnight Express* the Vietnam war *Platoon* and *Born on the Fourth of July* insider trading *Wall Street* presidential assassination *JFK* and a voyeuristic media *Natural Born Killers* Along the way Stone has been nominated for more than 10 Academy Awards and three times received Oscars for his work In *The Oliver Stone Encyclopedia* James M Welsh and Donald M Whaley provide an overarching evaluation of Stone s work as screenwriter producer and director While the entries in this volume address all of the usual aspects of Stone s career they also explore new avenues of critical evaluation especially influences such as Friedrich Nietzsche and Buddhism which Stone converted to in the 1990s In addition this volume traces Stone s obsession with Latin American politics evident in his film *Salvador* 1986 his screenplay for Alan Parker s *Evita* 1996 and the documentaries *Commandante* 2003 *Looking for Fidel* 2004 and *South of the Border* 2010 Each entry is followed by a bibliography of published sources both in print and online A comprehensive and engaging examination of the director *The Oliver Stone Encyclopedia* will appeal to scholars and fans alike as the most comprehensive reference on this director s body of work *The Publishers' Trade List Annual* ,1905 **Stephen Crane** Jean Cazemajou,1969 Surveys the life and literary career of the American author focusing on his religious imagery linguistic styles and thematic innovations **The Red Badge of Courage, and Selected Prose and Poetry ... Edited with an Introduction by William M. Gibson. Third Edition** Stephen Crane, William Merriam GIBSON, 1968 *God as Author* Gene C. Fant, Jr., 2010-05-01 *God as Author* takes a thoughtful literary approach to understanding the Gospel Gene Fant writes in the preface Most of us have heard that Christ is the Author and Finisher of our faith Hebrews 12:2 so it makes sense that the Gospel would be God s story As many a church message board has noted so succinctly History is His Story In our easy discussions of special revelation I cannot help but wonder if we have missed something awe inspiring that may be revealed by a reversal of the lens that we turn toward narrative Perhaps the Gospel is not just like a story perhaps story narrative in general is like the Gospel My clear conviction is that something stands behind the power of narrative In fact I believe that Someone stands behind it There is an Author whose skill and grace imbues the broad range of the stories that we tell There is a Father who gave us a story to help us understand our place in this world a story that points back to Him His story is in many ways the only story that we know When we use that realization as a foundation for interpreting and generating narrative it changes everything including ourselves *A Bibliography of Stephen Crane Scholarship* Robert N Hudspeth, 1963 *The Editing of American Literature, 1890-1930* Donald Pizer, 2012-07-30 Since the 1960s Donald Pizer has been writing about late 19th century American literature with an emphasis on the major fiction of Theodore Dreiser and Stephen Crane Most academics whose interests lie primarily in the preparation of scholarly editions are attracted to the paradoxical mix of adherence to a rigorous process and an opportunity for speculative thinking that is distinctive to this branch of literary studies And they often find appealing the

notion that the end product of their labors is a book that unlike much criticism is sure to be used by others and to have a long lifespan However Pizer came to textual discussion from a different direction than most editors of scholarly editions who seldom wrote criticism about the authors and works they were engaged in editing Consequently Pizer was drawn into the text wars of scholarly editions and during the last three decades of the 20th century he produced a number of essays tackling this sometimes contentious subject The Editing of American Literature 1890 1930 collects Donald Pizer s essays and reviews that examine the issues associated with providing authoritative scholarly editions of major turn of the century American authors Divided into four sections general essays on editing essays and reviews on the editing of Theodore Dreiser essays and reviews on the editing of Stephen Crane and essays on the interplay of textual theory and critical interpretation in works by Crane and John Dos Passos the volume expresses a distinctive position in the text wars that dominated the editing scene of the 1970 2000 period This collection of essays will be of interest to textual editors of any persuasion as well as literary critics and scholars with a special interest in late 19th and early 20th century American literature **Selected Poems** Emily Dickinson,1924 **Hearings, Reports and Prints of the House Committee on Foreign Affairs** United States. Congress. House. Committee on Foreign Affairs (1789-1975),1963
